

The Signal Fire - August 2026 Transmission

00:00:02.000 --> 00:00:21.000

Hello, hello, welcome everybody. Welcome to the August Signal Fire. I am Gia Prism, the Oracle. I am so excited to be here. I was just speaking to the community that has gathered here on the live. How much energy is here today? And I'm kind of bouncing off the walls. I'm tingly, I'm teary-eyed, I'm excited

00:00:21.000 --> 00:00:39.000

I don't know what's gonna happen, but I think it's going to be big. So I'm so excited to dive in really quick before I do, I'm going to kind of give you the lay of the land, how this works, what these sessions are like, and then we're going to go into a brief group guided sort of meditation, just an invocation to help us kind of ground

00:00:39.000 --> 00:00:51.000

And clear ourselves and unify in this circle together because it is always my intention. I've already done my pre-session ritual to prepare myself for what I'm going to receive to share.

00:00:51.000 --> 00:00:57.000

And my intention is always that this is a co-creation of everybody is here.

00:00:57.000 --> 00:01:03.000

Whether that is you hear live or anyone who will get the recording at any point in the future.

00:01:03.000 --> 00:01:10.000

So this information is absolutely very much for you, no matter when you are watching this. So

00:01:10.000 --> 00:01:28.000

If you are joining for the first time, if you need a little, here's how we do things here. As I said, I'm Gia Prism I am an Oracle. What that means is I am a psychic medium. I am a channeler. I am a teacher. And what I am here to do is help us navigate the physical world we're living in right

now. It's not just about

00:01:28.000 --> 00:01:42.000

What spiritual messages can we bring through? But how can we apply them to society as a whole, culture, politics, our systems that we're navigating in this incredible time of transition and awakening, in this moment of ascension

00:01:42.000 --> 00:01:58.000

And so as such, I come to these sessions completely open, completely blank. This is not a class that I have prepared. It's not material I know. I am here flying blind here as a channeler. And I have been doing this work for groups

00:01:58.000 --> 00:02:09.000

For over a year now, but I have been doing this series, The Signal Fire since February of 2026, and I recently had a profound experience just last week

00:02:09.000 --> 00:02:20.000

Where for the first time I really saw the totality of what we're creating here and what Spirit is bringing through for us here. This is a living map of ascension. It's a living doctrine

00:02:20.000 --> 00:02:25.000

It's not just telling us the big picture of what's going to happen someday

00:02:25.000 --> 00:02:32.000

But it's marrying the big picture with how we're living it, with what's happening right now

00:02:32.000 --> 00:02:40.000

And it's clearing up a lot of what we thought Ascension was. I think there's a lot of confusion, maybe some misunderstandings, maybe a lot of distortion

00:02:40.000 --> 00:02:59.000

And so it's giving us what we need right now, this month to get through

this month and to continue on in our expansion. But as we look back and we see what they've delivered, every month builds on the other months. If you haven't watched the past months, that's okay. You're not going to miss out. I do a bit of repeating to make sure we have the right context

00:02:59.000 --> 00:03:03.000

But everything is live and alive and for us right now.

00:03:03.000 --> 00:03:19.000

So in these sessions, I completely open myself up, and I like to call it a bit of a psychic grab bag. Sometimes I'll be channeling, sometimes I will be full trance, sometimes it's sort of a hybrid, sometimes I will be teaching. My gifts, I have all the Claires

00:03:19.000 --> 00:03:35.000

So sometimes I will relay what they've told me, I will tell you what they're showing me. I will explain a concept. Sometimes they will remind me of what I already know, and so then I will mesh it all together. So this is the work of an oracle. It's not just, they said this and here you go. It's

00:03:35.000 --> 00:03:54.000

I'm meaning making. I'm threading it together, and in addition to I have the chat open here. So a lot of the people live are asking questions. A lot of the people here are sharing their insights. And that is why I have the chat open, because I see we've got 80 people here live right now

00:03:54.000 --> 00:04:05.000

And I cannot possibly keep up with the chat. However, it's not just for me, it's for you. It's for you to ask questions. It's for you to share your insights, to share your ahas, and just your own wisdom.

00:04:05.000 --> 00:04:20.000

Because we're a community here, and we... I always say, I'm leading this session, but I'm not the only one who has wisdom and insights to share. So please feel free to go through the chat and answer each other and offer support and reach out and say, I see it this way. This is what I think

00:04:20.000 --> 00:04:28.000

And we're all going to do our work to have our discernment and use what we're receiving together to thread this together.

00:04:28.000 --> 00:04:43.000

So, final word on that, I am Gia Prism, and I began using that as my name because that is how I would describe for my clients what it's like working with me. A Prism is a clear vessel, and when the light comes in, it refracts

00:04:43.000 --> 00:04:56.000

And different colors go in different places. And so as you work here receiving this information, I don't have to consciously know what you're going to get. I'm not going to send Sandra this and Aaron that and

00:04:56.000 --> 00:05:04.000

I am the vessel, and spirit will move through, and you'll get whatever you need. So for some people you're going to experience this differently.

00:05:04.000 --> 00:05:20.000

Some of you will experience it very somatically. Chills, tears, heat. Some people straight up fall asleep, yawning, burping. These are all various ways our bodies receive and process energy. Some of you won't feel anything. Please do not have FOMO

00:05:20.000 --> 00:05:25.000

You're not missing out, just every body processes their bit differently

00:05:25.000 --> 00:05:42.000

But I will narrate my experience because clairsentience, feeling in my body is one of the gifts, and so I will narrate it because it gives us the full body experience of what I'm feeling, and that could click an awakening for you. So these sessions are a little nutty

00:05:42.000 --> 00:05:49.000

They're a little wild. I like to think that's why you like them. And that's why you like working with me.

00:05:49.000 --> 00:05:55.000

I'm a little swearsy, okay? And I try to tone it down a little for my group here, but

00:05:55.000 --> 00:06:03.000

We're human. We're humans having a human experience. And I do treat this material with all the sacred reverence it deserves.

00:06:03.000 --> 00:06:08.000

But also, it's exciting and it's fun and it blows my mind.

00:06:08.000 --> 00:06:24.000

And I wish... oh, I'm chills, I wish you could understand what it feels like to be on the inside of this because it's so fun and exciting, and I am discovering it along with you. Like I said, this is not prepared. We are in a co-creation right now, discovering together, and so I just literally

00:06:24.000 --> 00:06:26.000

I'm a little wild. So

00:06:26.000 --> 00:06:31.000

Forgive me if this is not what you're used to for most channelers. I am like most channelers.

00:06:31.000 --> 00:06:35.000

And it is what it is, I want to say. So, okay.

00:06:35.000 --> 00:06:42.000

All right. So before we dive in, also, I have no idea, no idea who or what's going to come through

00:06:42.000 --> 00:06:59.000

But I could feel in my pre-session ritual how much energy was here. So I have a feeling we're because of what it felt like, we're either going to get something totally new that I haven't really worked with before or it's just big. It's just so big. I started crying in my pre-session ritual

00:06:59.000 --> 00:07:17.000

They always identify themselves before we've come forward, sometimes it's just one being our collective. Sometimes it's a few, and we're all along for the ride. So here we go. Okay, I'm going to take a drink, then I'm going to lead us through our little group invocation to help anchor and unify the energies.

00:07:17.000 --> 00:07:22.000

We'll dive in. Okay.

00:07:22.000 --> 00:07:27.000

Okay, so I would invite you to get comfortable

00:07:27.000 --> 00:07:34.000

You can close your eyes, you can lie down your eyes open if that's more comfortable for you.

00:07:34.000 --> 00:07:42.000

Just take a few deep breaths to settle into your body

00:07:42.000 --> 00:07:45.000

Placing your hands on your knees.

00:07:45.000 --> 00:07:49.000

Perhaps on your chest or your belly

00:07:49.000 --> 00:08:00.000

Something to signal safety within yourself. Presence within yourself

00:08:00.000 --> 00:08:03.000

And in this sacred space, we invite

00:08:03.000 --> 00:08:10.000

The presence of our higher selves to step forward

00:08:10.000 --> 00:08:15.000

So we can feel that safety coming from the divine.

00:08:15.000 --> 00:08:19.000

Inviting our heavenly helpers, our guides, guardians

00:08:19.000 --> 00:08:21.000

ancestors, loved ones

00:08:21.000 --> 00:08:29.000

Those who are safe and familiar and beloved

00:08:29.000 --> 00:08:34.000

to help us feel that safety coming back into the body

00:08:34.000 --> 00:08:39.000

Whatever level is most safe and comfortable for you

00:08:39.000 --> 00:08:42.000

Asking that as we come back

00:08:42.000 --> 00:08:47.000

But this team of heavenly helpers will remove from us the debris

00:08:47.000 --> 00:08:56.000

The energies that which is not ours to carry

00:08:56.000 --> 00:08:59.000

Help us to clear ourselves

00:08:59.000 --> 00:09:08.000

To be present, to receive what is coming through now

00:09:08.000 --> 00:09:11.000

And as we do so

00:09:11.000 --> 00:09:23.000

We ask that our energy be grounded not only into the body, but in to the fifth dimensional New Earth and beyond.

00:09:23.000 --> 00:09:27.000

Anchoring in through our bodies, through our feet

00:09:27.000 --> 00:09:35.000

Through the floor, deep into the crystalline core of the earth.

00:09:35.000 --> 00:09:41.000

So we might be held, present, anchored

00:09:41.000 --> 00:09:45.000

So we might be guided, protected, and unified.

00:09:45.000 --> 00:09:55.000

For these divine purposes that will unfold now, this now moment of time

00:09:55.000 --> 00:09:59.000

We also ask that a sacred circle of white light

00:09:59.000 --> 00:10:05.000

surrounds each of us individually, that we are held, healed, and protected

00:10:05.000 --> 00:10:08.000

And that surrounds all of us as a collective

00:10:08.000 --> 00:10:13.000

Those who are here now live, and those who may join us in the future

00:10:13.000 --> 00:10:20.000

That our energies, hearts, spirits might be unified

00:10:20.000 --> 00:10:28.000

That we might open as one to receive the information, the energies, the activations, the healing.

00:10:28.000 --> 00:10:33.000

We might receive what is most appropriate for us individually

00:10:33.000 --> 00:10:38.000

And most appropriate for us as a collective.

00:10:38.000 --> 00:10:44.000

That we might receive and achieve that which is for us now

00:10:44.000 --> 00:10:50.000

And that we may enter into the next octave of our evolution

00:10:50.000 --> 00:10:52.000

In love and light

00:10:52.000 --> 00:11:01.000

And so it is, amen.

00:11:01.000 --> 00:11:05.000

Okay, come on back

00:11:05.000 --> 00:11:10.000

Back to your body, into the room

00:11:10.000 --> 00:11:17.000

I feel so much more grounded. Thank you. A little less bouncing around. Okay.

00:11:17.000 --> 00:11:25.000

I will still be bouncing around, there is still a lot of energy here, but I'm ready to receive it. Okay.

00:11:25.000 --> 00:11:27.000

So

00:11:27.000 --> 00:11:33.000

If you've been here for the Signal Fires, what we have been building, as I said, is a living map of ascension.

00:11:33.000 --> 00:11:45.000

And I recently posted a video, it was quite long, it was almost 20 minutes on YouTube, and I sent out an email to my entire list that

showed the key progression of what they've been taking us through in the Signal Fire

00:11:45.000 --> 00:11:51.000

And it is about ascension, and it is about healing, and it is about the expansion of consciousness.

00:11:51.000 --> 00:12:00.000

And most shockingly, especially the last two months, we received information about the third dimension timeline

00:12:00.000 --> 00:12:04.000

truly being removed from us

00:12:04.000 --> 00:12:14.000

And the core of that revelation for me, it came in the middle of that 20-minute video, as I was recording, the sequence of events as I understood them.

00:12:14.000 --> 00:12:18.000

The core revelation that came through hit me like lightning.

00:12:18.000 --> 00:12:24.000

Was that this timeline that was broken off and removed from us

00:12:24.000 --> 00:12:32.000

I think somewhere in my mind, perhaps because I was raised religiously and there was a lot of rhetoric in spiritual communities about left behind

00:12:32.000 --> 00:12:36.000

And about not being worthy and not gonna make it

00:12:36.000 --> 00:12:46.000

And not only has Spirit been saying, no, that ain't it. There's no left behind. You're all going to make it. And that especially was made clear in the July signal fire.

00:12:46.000 --> 00:12:52.000

But the big revelation for me was that timeline that was branched off and broken off and removed from us.

00:12:52.000 --> 00:12:55.000

That was not a divine timeline

00:12:55.000 --> 00:13:00.000

That was not the universe, God, the angels, that was not them saying

00:13:00.000 --> 00:13:14.000

Anyone who is unworthy of where we're going, you got to get out of here. It was not that. It was this timeline was entirely a product of those contrasting forces, whether you want to call them evil

00:13:14.000 --> 00:13:29.000

entities, the dark timeline, I gotta kind of compress it in simplistic terms. That timeline was entirely of a creation, of the dark energies and entities, and the people who are animated by them, the people who choose that darkness

00:13:29.000 --> 00:13:35.000

That timeline was their creation and that timeline was removed

00:13:35.000 --> 00:13:38.000

from the rest of us

00:13:38.000 --> 00:13:50.000

And they wanted me to start with that realization because understanding that for me especially, it fundamentally changed how I approach this material entirely. When I tell you I have been reeling

00:13:50.000 --> 00:14:08.000

I have been reeling for days since that revelation came through. I'm very serious, because even though I really, you know, I always teach with nuance, it's not quite black and white. There's a lot of reasons why. And in the May Signal Fire to receive the reptilian consciousness who came through, that was not my plan, that was not my idea, but

00:14:08.000 --> 00:14:25.000

What they taught me and what they continue to teach me outside of the Signal Fire, I understand it so clearly now, about all of these energies and entities that have been creating here in perpetuity, and they've all been gathered up, and they've been siphoned off for us, so that we could continue our expansion.

00:14:25.000 --> 00:14:36.000

So they wanted us to start here with that joint understanding. And for some of you, you may have been like, yeah, that's always what it was, like, yeah, with the program, Gia

00:14:36.000 --> 00:14:44.000

But I truly didn't get it. I truly didn't see it that way, because I don't view light, darkness, black, white, explicit

00:14:44.000 --> 00:14:49.000

I understand the need for contrast. I understand that sometimes we come and we're the bad guy

00:14:49.000 --> 00:14:56.000

But I also understand how that has become confused and embedded, and it hasn't been as crystal clear black and white.

00:14:56.000 --> 00:15:06.000

And so, thus the need for it to be gathered up and removed. So all the time, all these people being afraid that we have to hurry and we have to be good enough, or we're not going to make it, that was never it

00:15:06.000 --> 00:15:13.000

It was about removing the forces that have been making it all but impossible for us to complete our ascension

00:15:13.000 --> 00:15:16.000

And that is so

00:15:16.000 --> 00:15:18.000

Merciful

00:15:18.000 --> 00:15:25.000

And so beautiful and so profound. I mean, if you saw that long video and you saw when it hit me, I started crying. It was incredible.

00:15:25.000 --> 00:15:30.000

And so that's kind of the understanding they wanted us to start with here.

00:15:30.000 --> 00:15:41.000

And so much of what I've been unpacking since then, both in as I've continued to review the materials as it's come through and review them through this lens.

00:15:41.000 --> 00:15:50.000

It's become so clear to me about what this earth was always for, and what Ascension teachers and channelers and people have been saying about restoring Earth

00:15:50.000 --> 00:16:02.000

to this beautiful place. It's a Garden of Eden like place as people talk about it. And I know we mix a lot of biblical stuff and we borrow from a lot of spiritual tradition

00:16:02.000 --> 00:16:05.000

Because there's so much truth in all of these things

00:16:05.000 --> 00:16:12.000

And the thing that's been coming to me again and again and again, ever since the reptilian consciousness came through

00:16:12.000 --> 00:16:13.000

is that

00:16:13.000 --> 00:16:16.000

Fairy tales really were real life.

00:16:16.000 --> 00:16:21.000

I'm starting to really look at the world throughout history as

00:16:21.000 --> 00:16:25.000

The Earth was meant to be a place where

00:16:25.000 --> 00:16:27.000

Temptation

00:16:27.000 --> 00:16:32.000

and darkness, walked around incarnate

00:16:32.000 --> 00:16:41.000

And we could engage with it and decide. Do I want to take that path?
Do I want to do that thing? What's it like if I do that thing?

00:16:41.000 --> 00:16:46.000

It was meant to be more of an external choice

00:16:46.000 --> 00:16:53.000

How we... we can see it clearly. We can see the choices ahead of us,
and our choice is ours to make.

00:16:53.000 --> 00:16:59.000

But over time, that dark consciousness was not so separate

00:16:59.000 --> 00:17:01.000

It became secret

00:17:01.000 --> 00:17:04.000

It became a hidden force

00:17:04.000 --> 00:17:14.000

It masqueraded more as light, and it became embedded in our cultures,
in our systems, and certainly when we look at political systems

00:17:14.000 --> 00:17:22.000

It's so deeply embedded into these systems we have to live within that
we don't get to choose anymore

00:17:22.000 --> 00:17:29.000

I said in a video, I can't opt out of racism if I'm a person of color

00:17:29.000 --> 00:17:32.000

I can't opt out of capitalism

00:17:32.000 --> 00:17:34.000

in... certainly not in America

00:17:34.000 --> 00:17:39.000

These systems are so... not that capitalism is explicitly evil, but

00:17:39.000 --> 00:17:43.000

It's about the choice was almost sort of taken from us.

00:17:43.000 --> 00:17:52.000

So this isn't necessarily... it was supposed to be a place of contrast and free will and choice, a choose-your-own-adventure gate.

00:17:52.000 --> 00:18:09.000

And there were fairy godmothers to help us. And the fae and magical creatures, and there were dark creatures, tempting creatures. And we could be in league with these dark entities and we could gain a lot of power and we could learn terrible lessons. And that was part of coming here

00:18:09.000 --> 00:18:15.000

But over time, that became so embedded that we lost our ability to choose.

00:18:15.000 --> 00:18:19.000

And what happened even more with that is

00:18:19.000 --> 00:18:24.000

The contrast, the darkness, the oppression that these systems

00:18:24.000 --> 00:18:26.000

created

00:18:26.000 --> 00:18:30.000

We were born into these systems. Not only could we not opt out of them

00:18:30.000 --> 00:18:35.000

But that contrast was pushed into us and then blamed on us

00:18:35.000 --> 00:18:39.000

Because how many systems, when they fail you

00:18:39.000 --> 00:18:41.000

blame you

00:18:41.000 --> 00:18:43.000

You didn't try hard enough.

00:18:43.000 --> 00:18:46.000

You made the wrong choice. You were bad

00:18:46.000 --> 00:18:49.000

You didn't... whatever the case may be.

00:18:49.000 --> 00:18:58.000

And I certainly have experienced this personally. I've experienced it in in mental health for years when I was receiving treatment for depression.

00:18:58.000 --> 00:19:05.000

And bipolar disorder was a diagnosis I was given. And if that didn't work, it's cause, well.

00:19:05.000 --> 00:19:20.000

I don't tell you, you didn't avoid your triggers enough. You didn't get enough sleep. You didn't like when there was a limitation, it was never question the system. Maybe she's not bipolar. Maybe these medications are hurting her. It was. Well, I'm sorry you didn't follow your treatment plan enough.

00:19:20.000 --> 00:19:32.000

That is certainly what I experienced in religion. That is certainly what we experience in the government, in capitalism. You didn't hustle hard enough. You didn't manifest hard enough. That stuff works its way into even spirituality.

00:19:32.000 --> 00:19:35.000

Because it's the same system

00:19:35.000 --> 00:19:40.000

I no longer get to choose. It is now pushed on me. I live inside the system

00:19:40.000 --> 00:19:44.000

And I am being told that I'm the reason that things don't work out.

00:19:44.000 --> 00:19:51.000

This situation is untenable. This is not how humans were meant to live. And I feel that energy.

00:19:51.000 --> 00:19:59.000

This is never how humanity was intended to live on this earth

00:19:59.000 --> 00:20:01.000

And so

00:20:01.000 --> 00:20:06.000

Who have we got here? Who have we got here?

00:20:06.000 --> 00:20:15.000

I feel collective stepping up behind me.

00:20:15.000 --> 00:20:22.000

I don't know the name of this. I'm trying to feel into. This is the group

00:20:22.000 --> 00:20:28.000

that created the Earth, the Earth game, the Earth premise, the ancient ones. They are calling themselves the ancient ones

00:20:28.000 --> 00:20:36.000

I believe the ancient ones have come here before. Perhaps that was in April

00:20:36.000 --> 00:20:43.000

What are they who created this Earth? They are they. They're saying they are us.

00:20:43.000 --> 00:20:46.000

Many of us are them. Many of us are one of them

00:20:46.000 --> 00:20:49.000

They are the group

00:20:49.000 --> 00:20:53.000

that came together for this Earth game.

00:20:53.000 --> 00:20:56.000

And they said, we've just explained to you the intention

00:20:56.000 --> 00:20:59.000

We've just explained to you

00:20:59.000 --> 00:21:04.000

And I'm seeing... I'm seeing all of us as little souls in heaven, sort of like the movie Soul.

00:21:04.000 --> 00:21:20.000

We're so excited, and I want to come here, and that sounds really fun, and I'm going to do that. To clarify Whistleblower Earth Game. I do call living on this earth a game. It's just like a video game, and we choose to come down, and I want to play at that level of the game

00:21:20.000 --> 00:21:27.000

And I want to choose these restrictions, these variations

00:21:27.000 --> 00:21:39.000

And we were so excited to come into this so we can go through this incarnation, have a wild experience and come back to heaven and go, oh, what a ride. Wow. Okay.

00:21:39.000 --> 00:21:47.000

And that's always how it's been, even in the darkest of energies, the darkest of eras.

00:21:47.000 --> 00:21:50.000

And what they're saying now is

00:21:50.000 --> 00:21:56.000

Because of the strength of the souls who have incarnated here

00:21:56.000 --> 00:22:03.000

The souls did indeed request and allow a perpetuation of greater and greater darkness.

00:22:03.000 --> 00:22:11.000

It was not simply, oh no, it has gone awry, what do we do? Originally, it was

00:22:11.000 --> 00:22:21.000

They're saying the first degree, it's like the first degree of separation, but it's the first degree deeper into the density.

00:22:21.000 --> 00:22:33.000

Okay, I'm gonna let them come through in trance if I can.

00:22:33.000 --> 00:22:36.000

Welcome. We, it is you, it is us

00:22:36.000 --> 00:22:53.000

who have created this Earth, who are here now to participate in its redemption, for indeed, although things have always been overseen. Things have always been under supervision, things have always been according to divine plan. However.

00:22:53.000 --> 00:23:04.000

Leaving room for variation, leaving room for unforeseen experience,
leaving room for the game as it evolves organically through generations.

00:23:04.000 --> 00:23:10.000

We hold this with great nuance that although the darkness

00:23:10.000 --> 00:23:13.000

I'm getting congealed conglomerated

00:23:13.000 --> 00:23:18.000

became greater than was anticipated

00:23:18.000 --> 00:23:23.000

It was allowed insofar as you, we, us

00:23:23.000 --> 00:23:24.000

Determined

00:23:24.000 --> 00:23:29.000

We were strong enough to withstand it. There would be benefit from

00:23:29.000 --> 00:23:34.000

Experiencing, allowing, perpetuating however

00:23:34.000 --> 00:23:37.000

At a certain point

00:23:37.000 --> 00:23:42.000

When it became untenable, when it became untraversable, it became
necessary.

00:23:42.000 --> 00:23:49.000

To create an intervention, a divine intervention, but not only divine
intervention, a human intervention

00:23:49.000 --> 00:23:53.000

Which is why we say you, we, us

00:23:53.000 --> 00:23:59.000

You are we, we are you. Many of you are among us as those who originated

00:23:59.000 --> 00:24:01.000

in this realm

00:24:01.000 --> 00:24:06.000

Those who had a hand in creating, participating.

00:24:06.000 --> 00:24:12.000

Being among the architects of the earth, as you knew her then, as you know her now.

00:24:12.000 --> 00:24:25.000

and have participated in voluntarily come to this realm repeatedly to bring droplets of light, buckets of light, waves of light, and now a tsunami of light

00:24:25.000 --> 00:24:33.000

You have understood this earth far better than those trapped in incarnational cycles

00:24:33.000 --> 00:24:40.000

You are us who have the full knowledge within you and thus have within you the ability

00:24:40.000 --> 00:24:44.000

to not only withstand the density, the pressure

00:24:44.000 --> 00:24:47.000

But the vision, the totality

00:24:47.000 --> 00:24:53.000

The eternal perspective of what has transpired here throughout time

00:24:53.000 --> 00:24:55.000

And this includes time yet to be

00:24:55.000 --> 00:25:08.000

The past, the ancient past, the far past, the recent past, the present, the future, the far future, on and on to perpetuity. It is you who understand

00:25:08.000 --> 00:25:15.000

And thus have been chosen to incarnate at this auspicious changing of the guard

00:25:15.000 --> 00:25:19.000

The moment of transition when the old would expire

00:25:19.000 --> 00:25:27.000

The new would transpire and be seeded and rolled out

00:25:27.000 --> 00:25:32.000

And thus, you came within you the ability to withstand

00:25:32.000 --> 00:25:35.000

The greatest pressures that ever were

00:25:35.000 --> 00:25:47.000

For even if your life on the surface does not seem so oppressed, you are taking the energetic burden within you of those who could not lift their own burdens.

00:25:47.000 --> 00:25:54.000

Your history has put forth saviors as figures who look toward

00:25:54.000 --> 00:25:57.000

You are each of you in your way

00:25:57.000 --> 00:26:06.000

A savior, among many saviors, who is here to transmute darkness to light, to break karmic cycles

00:26:06.000 --> 00:26:11.000

To be here for the transition, to take on more than is your share.

00:26:11.000 --> 00:26:19.000

To be the cleaning crew, to be the architects, to be the dreamers, the creators, the builders of the new

00:26:19.000 --> 00:26:23.000

You were not here simply to

00:26:23.000 --> 00:26:33.000

As Gia says, survive the collapse of the old world, you are here to build anew. You are equipped with both, that which was required of you to survive the density

00:26:33.000 --> 00:26:36.000

That which was asked of you

00:26:36.000 --> 00:26:41.000

to transform the density which you freely have given.

00:26:41.000 --> 00:26:52.000

That which is now invited of you to step forward as builders and architects and dreamers of the new and for many of you. The physical builders

00:26:52.000 --> 00:26:54.000

Who will create

00:26:54.000 --> 00:26:56.000

Who will go among your structures

00:26:56.000 --> 00:27:00.000

Who will become mothers and fathers of the new

00:27:00.000 --> 00:27:03.000

Who will feed matriarchy.

00:27:03.000 --> 00:27:08.000

Who will live to see it thus

00:27:08.000 --> 00:27:14.000

The great era of our transition. You are they, you are we, you are us.

00:27:14.000 --> 00:27:17.000

You have the vision

00:27:17.000 --> 00:27:21.000

who have the complete totality

00:27:21.000 --> 00:27:29.000

While at the same time, you are creating, improvising, building, expanding, dreaming, seeding

00:27:29.000 --> 00:27:40.000

Your great creation, your tiniest curiosities, your secret hopes and desires. You are the weavers, you are the builders. You are the great hope of humanity

00:27:40.000 --> 00:27:45.000

You have done it, you are doing it, you will do it. It is done.

00:27:45.000 --> 00:27:52.000

What you are witnessing now is the physical unfolding of that which you have completed

00:27:52.000 --> 00:27:54.000

It is complete

00:27:54.000 --> 00:27:57.000

It is done

00:27:57.000 --> 00:28:02.000

But all that is left to unfold is the greatest joy of a lifetime, which is

00:28:02.000 --> 00:28:04.000

To see the final fall

00:28:04.000 --> 00:28:07.000

Who know that it is done

00:28:07.000 --> 00:28:14.000

To see it ending, to see the masses of humanity with the scales removed from their eyes, to see them awaken

00:28:14.000 --> 00:28:16.000

To see the truth

00:28:16.000 --> 00:28:18.000

Take hold

00:28:18.000 --> 00:28:23.000

To see your creations come to light.

00:28:23.000 --> 00:28:30.000

We wish you to understand what is ahead of you. Great celebrations, great joy, great weeping

00:28:30.000 --> 00:28:35.000

Dancing, singing, explosions of joy

00:28:35.000 --> 00:28:41.000

This is to come, it is to come, it is promised, it is yours.

00:28:41.000 --> 00:28:46.000

Many of you have received this in small measure, a moment, a glance

00:28:46.000 --> 00:28:49.000

A soft building within you

00:28:49.000 --> 00:28:54.000

It is coming and greater and greater and greater measure. It will come.

00:28:54.000 --> 00:28:59.000

And as you allow yourselves to realize, to recognize, to accept

00:28:59.000 --> 00:29:04.000

That you are they who will see it through, that you are they who have seen it through.

00:29:04.000 --> 00:29:12.000

That you are they who will experience it and can experience it now.

00:29:12.000 --> 00:29:18.000

All that is required of you to experience it now is allowing.

00:29:18.000 --> 00:29:29.000

We do not say this lightly. We do not say this with a misunderstanding of the great density you still have within you, of the great density you still live within.

00:29:29.000 --> 00:29:31.000

But so many of you are waiting

00:29:31.000 --> 00:29:34.000

For the sign, the moment

00:29:34.000 --> 00:29:40.000

For an announcement on high that it is okay now to be happy

00:29:40.000 --> 00:29:44.000

That it is okay to move to the next phase.

00:29:44.000 --> 00:29:49.000

It is not only okay, we are calling you

00:29:49.000 --> 00:29:56.000

We are calling you, you are calling you, you have the call within. It is time, it is time.

00:29:56.000 --> 00:30:01.000

At this moment of great transition, you will experience both

00:30:01.000 --> 00:30:04.000

The continuation

00:30:04.000 --> 00:30:05.000

of the grief

00:30:05.000 --> 00:30:11.000

Perhaps guilt, shame, sorrow, fear, pain

00:30:11.000 --> 00:30:16.000

Perhaps the conditions of your life are such that you are still oppressed.

Yes

00:30:16.000 --> 00:30:18.000

Yes.

00:30:18.000 --> 00:30:21.000

While simultaneously

00:30:21.000 --> 00:30:24.000

You are your own freedom

00:30:24.000 --> 00:30:31.000

And as you allow your light to permeate your own darkness

00:30:31.000 --> 00:30:36.000

Such becomes the light permeating the darkness

00:30:36.000 --> 00:30:39.000

Across humanity.

00:30:39.000 --> 00:30:48.000

The more allow themselves to step fully into the light. The more swiftly the dark is eliminated.

00:30:48.000 --> 00:30:51.000

This has always been so, however

00:30:51.000 --> 00:30:56.000

At this now moment in time of your transition, of humanity's ascension

00:30:56.000 --> 00:30:59.000

The balance of light and dark is thus

00:30:59.000 --> 00:31:04.000

The darkness is not only retreating, it has been conquered

00:31:04.000 --> 00:31:10.000

What you see are the vestiges of the systems created in its likeness.

00:31:10.000 --> 00:31:15.000

While you still live within the systems, the energy is no longer

00:31:15.000 --> 00:31:19.000

The chokehold it was on humanity.

00:31:19.000 --> 00:31:24.000

What you live within is the shadow of a regime.

00:31:24.000 --> 00:31:31.000

The shadow of structure is the shadow of systems. The energy inside it is no more

00:31:31.000 --> 00:31:37.000

And as you allow yourself to step outside of the shadow

00:31:37.000 --> 00:31:40.000

To sing, to dance, to smile, to hope

00:31:40.000 --> 00:31:42.000

to dream

00:31:42.000 --> 00:31:45.000

To create more swiftly will you see

00:31:45.000 --> 00:31:50.000

The darkness fall, the scaffolding fall, the old ways evaporate

00:31:50.000 --> 00:31:55.000

This is, as they say, your permission slip

00:31:55.000 --> 00:32:00.000

To step forward, to embody, to become

00:32:00.000 --> 00:32:05.000

You are they who came to live in both worlds, the before

00:32:05.000 --> 00:32:11.000

And what comes after, not simply to live after, to build after

00:32:11.000 --> 00:32:14.000

To be the architects

00:32:14.000 --> 00:32:17.000

For you are we, and we are you

00:32:17.000 --> 00:32:20.000

That which is in us is in you.

00:32:20.000 --> 00:32:23.000

That which you desire

00:32:23.000 --> 00:32:28.000

Moves upward to us, and thus we create in a cycle

00:32:28.000 --> 00:32:37.000

Together as above, so below co-creating. This beautiful earth you will let yet live in

00:32:37.000 --> 00:32:44.000

This is your birthright. This is your destiny. You are at the moment of transformation, understanding

00:32:44.000 --> 00:32:47.000

A divine moment, a human moment

00:32:47.000 --> 00:32:53.000

May differ in terms of time in a human scale.

00:32:53.000 --> 00:32:56.000

Do not wait.

00:32:56.000 --> 00:32:58.000

Do not wait

00:32:58.000 --> 00:33:02.000

It is now, it is now.

00:33:02.000 --> 00:33:12.000

And as you steadily move forward in joy and expansion and creativity,
you will discover how now it is

00:33:12.000 --> 00:33:19.000

We are here. We are you. We are grateful for this moment. We are with
you always.

00:33:19.000 --> 00:33:34.000

And so it is

00:33:34.000 --> 00:33:43.000

Take a little drink after that one

00:33:43.000 --> 00:33:52.000

Oh, Desi. And hence the sugar of my... of my soda.

00:33:52.000 --> 00:33:54.000

Wow.

00:33:54.000 --> 00:33:58.000

Okay

00:33:58.000 --> 00:34:06.000

I'll take a minute to fully come back into my body, and we can, we can unpack that. Wow

00:34:06.000 --> 00:34:12.000

You know, I know they've come through before and I cannot for the life of me

00:34:12.000 --> 00:34:14.000

Remember what they said before

00:34:14.000 --> 00:34:22.000

They called themselves the Ancient Ones, and whistleblowers wonders who it was, it felt feminine, it was a grand collective.

00:34:22.000 --> 00:34:30.000

And, you know, this is... this is a group that I have been with and worked with a lot

00:34:30.000 --> 00:34:36.000

Because I remember some years ago, I was told I was one of them, and I did not believe them.

00:34:36.000 --> 00:34:42.000

When they, you know, I did the whole thing. Am I a Pleiadian? What am I?

00:34:42.000 --> 00:34:43.000

And they were always like

00:34:43.000 --> 00:34:46.000

Now

00:34:46.000 --> 00:34:51.000

But I gotta know, everyone seems to know, who am I? Where do I come from

00:34:51.000 --> 00:34:58.000

and they basically were like, you predate all of it. Like, what are you

talking about? Are you a Pleiadian? You're so ancient, you've been everywhere.

00:34:58.000 --> 00:35:06.000

And I was like, shucks, I'm just a mom, you know? We diminish ourselves, we don't know.

00:35:06.000 --> 00:35:07.000

But

00:35:07.000 --> 00:35:16.000

them coming through in that way has helped validate what they have told me years ago, and I hope it is validation for you who felt like

00:35:16.000 --> 00:35:18.000

I'm here for something

00:35:18.000 --> 00:35:24.000

But I'm just lost in this human experience, and they confirmed, yeah, both of it

00:35:24.000 --> 00:35:27.000

Because it's really friggin' hard down here

00:35:27.000 --> 00:35:32.000

And they, I love how they didn't diminish how hard it is, but that

00:35:32.000 --> 00:35:35.000

We are here for both sides of the transition.

00:35:35.000 --> 00:35:40.000

We're here, we're built, we're made for this stuff

00:35:40.000 --> 00:35:45.000

And that doesn't mean it isn't hard and it isn't heavy and it isn't painful. They're like, yeah

00:35:45.000 --> 00:35:48.000

And you're made for that! You can do this.

00:35:48.000 --> 00:35:54.000

And I really love the equal emphasis they put on what comes on the other side.

00:35:54.000 --> 00:36:01.000

Yvonne says, I never felt I had a purpose until the 4 AM Club. Listen, sister, you and me both

00:36:01.000 --> 00:36:06.000

I had a... I had an inkling of a purpose. I knew I was here to lead people and to teach

00:36:06.000 --> 00:36:14.000

But what the heck does that look like? I don't know. And then the 4 a.m. Club happened and I said, it's this.

00:36:14.000 --> 00:36:26.000

And I've been running with it ever since, and I think for a lot of us, that was a literal wake up call. Hello, 4:00 AM. It was a literal wake up call and it was a spiritual wake up call, that moment of

00:36:26.000 --> 00:36:31.000

The thing we're here to do, it's time to do the thing

00:36:31.000 --> 00:36:46.000

So I would love to, before we kind of well let's hear what questions you have or anything you want to share about what came through, what clicked in for you. Because I don't want to rush past that. It was so profound and I have a feeling we're going to be

00:36:46.000 --> 00:36:51.000

Personally and individually, kind of like unpacking what that means

00:36:51.000 --> 00:36:58.000

what that means. Whistleblower says, and here we thought 4am was just politics. No.

00:36:58.000 --> 00:37:05.000

I actually do want to talk about that because this collective touched on the systems

00:37:05.000 --> 00:37:16.000

Which, if you follow me, and you resonate with my work, it's because I talk about both the spirituality and the politics. The highfalutin stuff, and what's it like to live on the ground floor.

00:37:16.000 --> 00:37:25.000

And something that, in fact, it finally clicked to me as I was driving here to my space to do this was

00:37:25.000 --> 00:37:41.000

The deep dive I've been doing this past week, reviewing the Signal Fires, what's the through line, what's the connection, as well as refining my work, what am I here to do? Am I a cultural commentator? Am I an ascension teacher? Am I a channeler? Like, what is it? Because I do all these things

00:37:41.000 --> 00:37:47.000

And I like to think I mash it together well, but maybe I don't. I'm always trying to, like, work it together

00:37:47.000 --> 00:37:57.000

And what occurred to me as I was driving is everything I've been doing lately, this latest round of refining my work, my messaging, the passage here.

00:37:57.000 --> 00:37:59.000

They've been showing me

00:37:59.000 --> 00:38:06.000

They've been showing me, remember, Gia, this is why the intersection of your work is what you've been teaching.

00:38:06.000 --> 00:38:16.000

Because it is one thing to personally heal and it's great. And now I'm going to go manifest my Ferrari or whatever. Like, I don't know. That's one thing.

00:38:16.000 --> 00:38:18.000

But

00:38:18.000 --> 00:38:27.000

What about the world we live in? Who's going to take care of that? Who's going to fix that? And more to the point, who's going to help the people that are most trapped by it?

00:38:27.000 --> 00:38:34.000

I got that white lady privilege that I'm like, listen, I'm not oppressed. I mean, I'm a woman, so there's that.

00:38:34.000 --> 00:38:46.000

There's that level. But what about the people or the abused children or the immigrants and the people who are being genocided like who's going to help them? How do we do that?

00:38:46.000 --> 00:38:55.000

And the 3D matrix is not something that some bad guy created in an alien ship has to blast it away. The 3D matrix is all these systems

00:38:55.000 --> 00:39:00.000

The subtlety that I was talking about in the very beginning

00:39:00.000 --> 00:39:02.000

The subtlety of

00:39:02.000 --> 00:39:07.000

It's no longer out there, a dark, shadowy man in the woods who's going to tempt you

00:39:07.000 --> 00:39:10.000

It is ingrained into the system

00:39:10.000 --> 00:39:12.000

And we live within it.

00:39:12.000 --> 00:39:19.000

So not only can I not ascend out of the matrix, but no one can until we dismantle it. And where is it?

00:39:19.000 --> 00:39:25.000

Yeah, we can elect new leaders. We can rewrite the Constitution, but you know where the 3D matrix is?

00:39:25.000 --> 00:39:34.000

It's in our minds. It's in our belief systems. It's in our self-judgment. It's in the way we twist ourselves to avoid everything we fear

00:39:34.000 --> 00:39:39.000

It's the way we judge others. The 3D matrix is inside of us

00:39:39.000 --> 00:39:49.000

And that's why it matters to do the deconstruction work, to have our healing, to have our awakening, and to do the social justice work.

00:39:49.000 --> 00:39:54.000

That's the matrix that we have to dismantle. And that's what we're here for.

00:39:54.000 --> 00:40:04.000

So that's why healing matters. That's why politics, paying attention to politics matters. This is all doing our part to dismantle the matrix in all these ways.

00:40:04.000 --> 00:40:12.000

Okay, that gave us some time for these comments. I'm going to scroll through here, and we're gonna kind of go over

00:40:12.000 --> 00:40:15.000

Some of these main points

00:40:15.000 --> 00:40:20.000

Of what they brought through the greatest joy of a lifetime to see it all

00:40:20.000 --> 00:40:34.000

I loved how they came through with that. Yeah, you're gonna see it because sometimes I fight myself with, are we really going to have this great flash of light? Are we really going to have this moment of dancing in the streets? Not just the big beautiful day

00:40:34.000 --> 00:40:49.000

But all this magical rainbows in the sky ascension stuff, or is it just going to be subtle one by one, we elect new leaders, we're nicer to each other. And they really reiterated, oh yeah, you're gonna get that. You're gonna see it. It's going to be both

00:40:49.000 --> 00:40:59.000

Vanessa says, you don't need permission or a moment. That was the part of it. Yeah, we're going to get the thing, but I think so many of us are like

00:40:59.000 --> 00:41:05.000

I have to wait until the solar flash comes before I believe we've ascended. And they're saying you can't be waiting for that

00:41:05.000 --> 00:41:21.000

If you're waiting for that, then you're not doing the work. And the work is also, oh, and so much of what they said about creativity and curiosity and being those blueprinters, which is something they said in the very first Signal Fire that came through. And that wove its way through

00:41:21.000 --> 00:41:24.000

The landing page of the Rebel Mystic Society

00:41:24.000 --> 00:41:32.000

I was like, really? You want me to teach them how to live after the like I don't know how to do that, but they're like, yep, that's what you're gonna do, Gia. I'm like, well, you better help me

00:41:32.000 --> 00:41:35.000

Because I don't know

00:41:35.000 --> 00:41:39.000

Okay.

00:41:39.000 --> 00:41:44.000

Kamala's speech sounds like it comes from the energy you just channeled. Oh my gosh.

00:41:44.000 --> 00:42:00.000

So, if you've been with me for a long time, before I was doing the Signal Flyer, I was doing a series called What's Coming Next, and they are these group sessions, but they were very politically focused. What's going to happen there and how... and it was a merging of the spiritual guidance as well as, you know politics, what's going to happen

00:42:00.000 --> 00:42:01.000

And in May

00:42:01.000 --> 00:42:08.000

I channeled a speech that I was told was Kamala Harris would give it in the future

00:42:08.000 --> 00:42:17.000

And I love what you said because that cadence, I think, is what you're picking up on. What just channeled through the force and the cadence

00:42:17.000 --> 00:42:20.000

felt very reminiscent of that.

00:42:20.000 --> 00:42:26.000

And we never really know who or what people on the world stage are being animated by.

00:42:26.000 --> 00:42:34.000

And I guess to a point, it doesn't matter. We can feel is this animated by the light? Is this animated by the not light

00:42:34.000 --> 00:42:45.000

That discernment. I love that. Kathy says, this transmission fits the current astrology we have been rewired. The old systems are crumbling. We're past the point of them hanging on

00:42:45.000 --> 00:42:50.000

Exactly. It'll be a while till they topple, but they are falling, and we are building, and

00:42:50.000 --> 00:42:55.000

That mimics what I was seeing when they were channeling. I kept seeing, like

00:42:55.000 --> 00:42:58.000

When they were talking about the structures

00:42:58.000 --> 00:43:05.000

At first, they were like solid buildings, like, go to any downtown, it's a solid skyscraper building

00:43:05.000 --> 00:43:17.000

But as those things were being built, it was I-beams and concrete, and there was scaffolding around it. And what I kept seeing as they were channeling was

00:43:17.000 --> 00:43:25.000

It wasn't just if you watched a time lapse of a skyscraper being built, it was sort of like that in reverse

00:43:25.000 --> 00:43:34.000

But it was like, if you left its skyscraper to the wilderness to deteriorate over 300 years, it's like that.

00:43:34.000 --> 00:43:41.000

It was deteriorating, deteriorating, until it was just like sand being blown away

00:43:41.000 --> 00:43:50.000

And so much of what they said about the energy animating the structures which came through in my in my long YouTube that I was talking about

00:43:50.000 --> 00:43:56.000

This dark consciousness, if you want to call it reptilian, if you want to call it contrast, whatever works for you.

00:43:56.000 --> 00:44:08.000

It was like the energy that animated the puppets. It's no longer the shadowy man in the woods. It is a full on energy that people are in league with as they commit these horrific atrocities.

00:44:08.000 --> 00:44:15.000

And as that has been removed from us, this was talked about in the July Signal Fire, as that animating energy is gone.

00:44:15.000 --> 00:44:17.000

These people

00:44:17.000 --> 00:44:29.000

might still choose to act that way. They're absolutely still up to their old tricks. They're saying it, they're spreading their hate, they're hatching plans, but what are we seeing in the news? It's falling apart the second

00:44:29.000 --> 00:44:35.000

They announce it. It can't... there's, like, no... there's no energy beneath it. It's just collapsing. They can't even do it.

00:44:35.000 --> 00:44:45.000

And that doesn't mean that some humans aren't actually hurting other humans. That is still happening. But when we're looking at the structures that support it and animate it being gone

00:44:45.000 --> 00:44:57.000

And now fast forward that 5, 10, 100 years in the future, you can see the astounding difference in what life is going to look like because of this

changing of the guard.

00:44:57.000 --> 00:45:02.000

Okay, let me read through a few more comments here.

00:45:02.000 --> 00:45:07.000

Yeah, Veronica says, being leaders in the change, and you really talk about

00:45:07.000 --> 00:45:17.000

So much of our past work has been healing, and ancestral clearing and karmic work, and it's been very heavy, and a lot of us are feeling the next era of work.

00:45:17.000 --> 00:45:22.000

And how are influence is going to be different, and how our role gets to shift

00:45:22.000 --> 00:45:40.000

And I think that's a lot of why no, like I just said that they put that into the landing page and I was like, how am I going to teach that? I don't know. They're going to teach that through all these sessions. We're going to start to learn how to do more of that. In fact, I have a feeling as they were channeling, I was like, I bet we're going to hear a lot more of that as we come through

00:45:40.000 --> 00:45:43.000

Okay.

00:45:43.000 --> 00:45:58.000

Choose to feel joy and share as a form of resistance. I love that. You know, that's something that's been happening all along, and that's something that communities, especially when you look to the civil rights movement and every successful resistance movement had joy. And that is

00:45:58.000 --> 00:46:01.000

So powerful, so powerful.

00:46:01.000 --> 00:46:07.000

And that's why I come on and I swear and I laugh, and I make fun of politics, because

00:46:07.000 --> 00:46:21.000

There's no power greater than mockery, honestly, when we're talking about people who hold the power, they can arrest me. They can kick me off of TikTok. They can talk bad about me all they want on Fox News, but they can't stop me laughing at them.

00:46:21.000 --> 00:46:24.000

And they can't topple me because of that.

00:46:24.000 --> 00:46:27.000

And that's not just because

00:46:27.000 --> 00:46:37.000

I'm just very irreverent and I have a wicked sense of humor, but at the heart of that is joy and knowing that their time is done and they're not the future. And I am and we are.

00:46:37.000 --> 00:46:40.000

Hmm, so take that.

00:46:40.000 --> 00:46:45.000

Okay, Debbie says, I don't like the ascension word. Listen.

00:46:45.000 --> 00:47:04.000

I have had a lot of talk myself lately, did I back the wrong horse? Did I choose the wrong vocabulary? Because that word does put a lot of people off because it does have religious connotations, and the rapture and left behind, and there's a lot of really beautiful stuff in Ascension communities, and there's a lot of stuff that's very distorted

00:47:04.000 --> 00:47:09.000

And fear-mongery and weird and just like very ungrounded

00:47:09.000 --> 00:47:25.000

And there was a conscious moment where I was like, I'm gonna use that word because that's what it is, and that's already what people know. It's the same thing about like there really is no 3D and 5D. It's so much more rich and complex than that. But these are kind of the words we know and understand, so I'm just running with it

00:47:25.000 --> 00:47:37.000

But I have been lately because as these teachings keep coming through month after month, I'm just like, oh my God, Ascension communities have gone awry. Like, oh my God, there's so much distortion in there.

00:47:37.000 --> 00:47:41.000

And so I worry that it has a bad connotation

00:47:41.000 --> 00:48:00.000

Just like I have reclaimed the word prophecy, I am reclaiming ascension for all of us who know that it is not a rescue, it is a coming back, coming back into the body, coming back into the earth, reclaiming our role as leaders and creators

00:48:00.000 --> 00:48:12.000

And I think it's a little too late now for me to change course. I've been talking about Ascension for a year and a half, so we're here now. But yeah, you're not alone in feeling weird about that. I even feel weird about that and I use it

00:48:12.000 --> 00:48:24.000

Again, we say, take what resonates, leave the rest. Okay. Yes, whistleblower says, be happy now. And Abraham Hicks has said you can have MS and be unhappy, or you can have MS and be happy. Yeah.

00:48:24.000 --> 00:48:31.000

And I've been talking a lot about my chronic conditions lately. There's not a day in my life that I'm not in pain

00:48:31.000 --> 00:48:42.000

And I am still happy. And I can't run anymore. Some days I can barely

walk. I'm in a lot of pain, and sometimes I cry and I'm also happy.
Learning that, yes, and

00:48:42.000 --> 00:48:50.000

It builds our resilience, it builds our capacity, and that's the... and that is, like, such a perfect metaphor of what they were saying.

00:48:50.000 --> 00:48:56.000

When they were talking about the yes and we're here for the transition, we're here to live on both sides of it

00:48:56.000 --> 00:49:06.000

They're not denying the heaviness and the limitations and the realities we're living in. And they're saying, yeah, and you can still be happy and you can still be a leader and you can still keep going and we must.

00:49:06.000 --> 00:49:08.000

We must

00:49:08.000 --> 00:49:12.000

Okay

00:49:12.000 --> 00:49:17.000

All right, scrolling through a few more here

00:49:17.000 --> 00:49:35.000

Oh, Kathy. National Couch Cleaning Day. I love it so much. Okay, yeah, Debbie says, I feel like awakening is a better word. I mean, yeah, here's the other thing that I'm really... I feel like I'm such a rebel in Ascension communities, I really am, because

00:49:35.000 --> 00:49:38.000

I love the idea as much as anyone.

00:49:38.000 --> 00:49:45.000

of a big solar flash doing it for us, and then the ETs come down and teach us how to have free energy. And I do think that will come

00:49:45.000 --> 00:49:51.000

I think we will get our open contact and we'll learn and share technology is going to be amazing. I'm all about that.

00:49:51.000 --> 00:49:56.000

But my Ascension teachings are very heavy on responsibility.

00:49:56.000 --> 00:49:58.000

People don't like that, and I get that. It's fine

00:49:58.000 --> 00:50:07.000

Because we're tired. I done been responsible. Leave me alone. Someone else needs to deal with it because I'm out. Yeah, I get that

00:50:07.000 --> 00:50:18.000

But awakening is simply realization. Awakening is simply, oh my god, I can't believe I had no idea, I can't believe I thought that. I can't believe I abused myself with what they taught me

00:50:18.000 --> 00:50:27.000

That's awakening. But what comes after awakening? Because you can be awakened all you want. I mean, anyone can be a Buddhist monk if you live in a cave and have no contact with reality.

00:50:27.000 --> 00:50:31.000

But what about if you live in reality?

00:50:31.000 --> 00:50:44.000

What about I'm raising a teenage son and I have to be a counterbalance to toxic masculinity and patriarchy. And I'm raising teenage daughters and I have to teach them how to be safe, but also know how to not be afraid. What's the spirituality for that?

00:50:44.000 --> 00:51:00.000

And that's what my spirituality is. Yes, I know we're incredible, great ascended masters here in physical form. And also we have to pay taxes. And some of us are being abused. We have to live in both realities and there's a great personal responsibility in that

00:51:00.000 --> 00:51:02.000

In addition

00:51:02.000 --> 00:51:05.000

They came through and said

00:51:05.000 --> 00:51:14.000

We're the ones to do it. Like who are you waiting for? We're the ones.
So that means we're equipped with it. We have the stamina. I love that.

00:51:14.000 --> 00:51:19.000

Okay.

00:51:19.000 --> 00:51:21.000

Okay.

00:51:21.000 --> 00:51:31.000

Oh, Bijou, yes, we've been so conditioned to be compliant, not
question, acquiesce. We're molded by that patriarchy and capitalism
that we don't even trust ourselves.

00:51:31.000 --> 00:51:35.000

And there's an essay I was working on today that talks about

00:51:35.000 --> 00:51:40.000

When the people who were colonized become the colonizers

00:51:40.000 --> 00:51:46.000

When the people who were abused and shaped and put in so much fear

00:51:46.000 --> 00:51:57.000

They learn how to survive and adapt by taking all those rules that were
forced on them and they enforce the rules on themselves. And then they
go out and enforce it on others.

00:51:57.000 --> 00:52:04.000

And I wrote a poem about that years ago. It's actually on my blog. It's

called To The Women Who Came Before.

00:52:04.000 --> 00:52:12.000

And the reason that so many previous generations of women, I believe, have such judgment for young women that don't live the same way they did

00:52:12.000 --> 00:52:14.000

is at the core, they're afraid

00:52:14.000 --> 00:52:21.000

They're afraid of these new generations and these young women suffering the harm they suffered because it wasn't safe for them.

00:52:21.000 --> 00:52:34.000

You don't even need an external system to come harm you when you've been harmed, you develop the fear. You develop the coping mechanisms, and now you police yourself to stay in line and you police other people to stay in line.

00:52:34.000 --> 00:52:40.000

Unless we are dismantling, that's the matrix, y'all. That's the 3D matrix

00:52:40.000 --> 00:52:46.000

If I am too much, I will be harmed, therefore I have to be quiet.

00:52:46.000 --> 00:52:52.000

If I dress provocatively, I will be attacked and therefore I am responsible for assault.

00:52:52.000 --> 00:52:57.000

You take on the responsibility that was never yours to take on. You have just

00:52:57.000 --> 00:53:01.000

built the 3D matrix within yourself, and you are living within it.

00:53:01.000 --> 00:53:06.000

And that's why my healing work comes with trauma work and nervous system work

00:53:06.000 --> 00:53:12.000

Because what if the 3D matrix is just a traumatized nervous system?

00:53:12.000 --> 00:53:22.000

That has built a whole record of, do this, not that, and if you do this, you're going to suffer, and so I'm going to make you panic before you even leave the house. What if that's a 3D matrix?

00:53:22.000 --> 00:53:29.000

And no one has ever attacked me, but I am behaving as though I'm going to be attacked at any moment. And I am living in my own cage.

00:53:29.000 --> 00:53:32.000

And that's the deconstruction we're here to do

00:53:32.000 --> 00:53:36.000

That's what's required of us

00:53:36.000 --> 00:53:41.000

So, and you know I say to my girls all the time, I have 12-year-old identical twin daughters

00:53:41.000 --> 00:53:53.000

And we've been talking about assault and all these terrible realities for females for years, in a way that's age appropriate and not, you know, existentially terrifying, in a way that's empowering that

00:53:53.000 --> 00:54:01.000

These are realities that some people live within, and I'm going to teach you all this, and we're going to be empowered, and we're going to follow all the steps. And

00:54:01.000 --> 00:54:06.000

You are probably going to go your entire life without ever encountering any of it.

00:54:06.000 --> 00:54:09.000

That's me not saying

00:54:09.000 --> 00:54:13.000

You know, I grew up hearing men only want one thing.

00:54:13.000 --> 00:54:18.000

And that's the only thing I heard. I was never given talks about, well, what does that mean

00:54:18.000 --> 00:54:22.000

Nothing, no nuance, no instruction.

00:54:22.000 --> 00:54:29.000

And then I just absorbed all the purity culture stuff from church, and all the slut shaming, and all these terrible things. That was not... I couldn't navigate the world

00:54:29.000 --> 00:54:45.000

But I'm teaching my daughters, this is an external pattern of behavior that some people choose to act on, and you don't have to be a part of it, but we're going to be aware that it's out there. They are not living inside the matrix the way that I lived inside the matrix

00:54:45.000 --> 00:54:47.000

Does that make sense?

00:54:47.000 --> 00:54:51.000

I feel like these are the very, very practical ways

00:54:51.000 --> 00:54:53.000

That we can see

00:54:53.000 --> 00:54:59.000

Why trauma work matters, why healing matters, why deconstruction matters. I talk a lot about diet culture

00:54:59.000 --> 00:55:08.000

Diet culture and the way women's bodies are policed and our behavior, and we're taught to malnourish ourselves and be ashamed of ourselves

00:55:08.000 --> 00:55:21.000

People aren't really, you know, almond moms and all these things. That's just some idea that someone decided we're going to use this to police women. And no one's really doing that anymore except for the women who were taught that we do it to ourselves.

00:55:21.000 --> 00:55:31.000

I was with a woman the other day, I think she's almost 70 and she kind of said offhandedly, oh, I really want a soda right now, but I'm up three pounds

00:55:31.000 --> 00:55:34.000

And I just, my heart broke, and I was like, my God, three pounds

00:55:34.000 --> 00:55:42.000

That's it. You know three pounds on your body, and you are denying yourself a small pleasure

00:55:42.000 --> 00:55:46.000

To punish yourself for three pounds. Oh, my heart just broke for her.

00:55:46.000 --> 00:55:50.000

And again, that's such a perfect example of

00:55:50.000 --> 00:55:56.000

The the row of people I see right now, just on my Zoom screen, y'all are women.

00:55:56.000 --> 00:56:01.000

And were women of various ages. And I know you've all heard it and probably worse

00:56:01.000 --> 00:56:07.000

This is the 3D matrix in our mind. It's not simply some bad guy, some

Epstein circle

00:56:07.000 --> 00:56:13.000

It's that contrast that became our internal voice that we police ourselves with.

00:56:13.000 --> 00:56:25.000

That's why healing matters. That's why deconstruction matters. That's why social justice work matters. Because when we deconstruct it in ourselves, we don't perpetuate it. We don't play by those rules

00:56:25.000 --> 00:56:35.000

And we are free to say, hey, if I'm no longer living in that, how am I going to feed myself? How am I going to feed my children? How am I going to influence my circle around me? How am I gonna... and it just spirals out

00:56:35.000 --> 00:56:44.000

So although we were very humbled and inspired by this collective that came forward, I wonder if there is some intimidation

00:56:44.000 --> 00:56:46.000

Got a lot of us felt

00:56:46.000 --> 00:56:48.000

Okay, you've told me

00:56:48.000 --> 00:56:52.000

That I'm here to do it, but what does it look like, and how do I do it? And oh my god, I don't know if I can do it

00:56:52.000 --> 00:56:55.000

This is one way we do it.

00:56:55.000 --> 00:56:58.000

And just by living and existing and changing our minds, that's how we do it

00:56:58.000 --> 00:57:12.000

And Jamie says being able to see the matrix gives us the power to change the matrix and the programming. Exactly. And I think that's why there's been such a maybe concerted effort in some Ascension communities to obscure what the matrix means

00:57:12.000 --> 00:57:20.000

And it's sort of vague, and it's sort of, like, spooky. and maybe high tech, and it's et and and AI. And how could I dismantle that?

00:57:20.000 --> 00:57:26.000

But when the matrix is diet culture that your mother and your mother's mother and the generations of women gave to you

00:57:26.000 --> 00:57:38.000

Because those generations couldn't get their own job, they had to get a man to survive, so they had to follow the rules to survive, and they're just passing them on. That's one version of the matrix. That's a part of the matrix.

00:57:38.000 --> 00:57:45.000

And that's how we dismantle it. And it's so much easier. It's really so much easier. I mean, it's hard emotionally

00:57:45.000 --> 00:57:48.000

But it's so doable and so possible, right?

00:57:48.000 --> 00:57:52.000

Okay, rah rah, we can do it.

00:57:52.000 --> 00:57:53.000

Okay.

00:57:53.000 --> 00:57:58.000

All right, I'm going to pause here for a minute and take a drink, and I'm going to see

00:57:58.000 --> 00:58:17.000

I'm gonna see what else wants to come through here, because I have a

feeling they're not done. I'm gonna let the next wave of the doctrine come through if we sufficiently metabolize that.

00:58:17.000 --> 00:58:23.000

Okay, okay, okay, okay, yes, okay. Okay, they're so excited.

00:58:23.000 --> 00:58:26.000

They're like, you don't even know.

00:58:26.000 --> 00:58:32.000

Okay, so they want to start directing us to what does it look like to be on the other side?

00:58:32.000 --> 00:58:35.000

How do we start building that? How do we become that?

00:58:35.000 --> 00:58:46.000

Because for a while, it's going to be intangible, it's going to be quiet, it's going to be a little lonely. It's going to be us sketching away and daydreaming.

00:58:46.000 --> 00:58:51.000

And they're like, you cannot underestimate. Okay, okay, they're like

00:58:51.000 --> 00:58:58.000

Okay, hold on. This is not, okay, this is not them. This is a very different energy

00:58:58.000 --> 00:59:00.000

I'm like

00:59:00.000 --> 00:59:05.000

Hide this energy. Okay, okay.

00:59:05.000 --> 00:59:08.000

Who are you? Okay, this is a different collective. Okay

00:59:08.000 --> 00:59:15.000

We are the souls yet to come, we are the souls yet to be. We are the souls who will inherit the earth you are creating

00:59:15.000 --> 00:59:25.000

And I see them as these little... it is like the movie Soul is kind of what I'm seeing. It's the metaphor they're showing me, these little cute little blobbies, and they're like, oh my gosh, oh my gosh, it's so exciting! Okay, okay.

00:59:25.000 --> 00:59:27.000

Oh, chills

00:59:27.000 --> 00:59:36.000

So many of us are working with them. Okay, okay, oh, that chills. They're like, this is... this is one version of matriarchy

00:59:36.000 --> 00:59:41.000

We are going to birth the world they will live in.

00:59:41.000 --> 00:59:46.000

We will very literally be the mothers of the world they will inhabit.

00:59:46.000 --> 01:00:02.000

And so they're, like, so excited and falling all over themselves. So while we are also these ancient creators with the stamina and the wisdom to, like, see it through, we have this very excited, very young collective coming in, okay, okay, okay, I... these... okay

01:00:02.000 --> 01:00:07.000

These are not young souls in terms of soul

01:00:07.000 --> 01:00:09.000

age... how do I

01:00:09.000 --> 01:00:14.000

like, we're all ancient, okay? Like, we can't even fathom eternity

01:00:14.000 --> 01:00:21.000

So these young souls, new souls, it's not like they are fresh sparks of the divine. Okay?

01:00:21.000 --> 01:00:35.000

It's more like it's a new it's sorry. I'm so excited. It is a new consciousness that has never been touched by contrast. It is a okay, okay, it is a consciousness. I'm so excited. Can you feel that

01:00:35.000 --> 01:00:54.000

I love this energy. It is a consciousness of souls who has only incarnated in places without contrast. And it's almost like, you know how we send like SEAL Team 6 or like a team of specialists or like y'all in the movies of like the 80s and 90s, it was always a ragtag group of misfits

01:00:54.000 --> 01:01:10.000

that have, like, just the right weirdo skills to, like, save the day. This is kind of like that, okay? It's these souls who've been I'm seeing them just like they're in all these different incarnations and all these different planets and existences and different densities

01:01:10.000 --> 01:01:26.000

that have never experienced the density like we have here. They're so fresh, but at the same time, they're not young and inexperienced. They're very experienced. It's a different kind of ragtag group of misfits that are here for the new consciousness

01:01:26.000 --> 01:01:28.000

That

01:01:28.000 --> 01:01:34.000

exists without contrast. Oh, okay, okay, oh my gosh, I'm gonna start crying.

01:01:34.000 --> 01:01:43.000

My daughter is one of these. They were showing me, I think probably all of the kids today are, but I'm really seeing it. They're showing me my daughter because

01:01:43.000 --> 01:01:46.000

This girl, bless her heart

01:01:46.000 --> 01:01:47.000

You love her?

01:01:47.000 --> 01:01:54.000

And you just want to like sorry because she's neurodivergent.

01:01:54.000 --> 01:01:57.000

She does not understand hierarchy

01:01:57.000 --> 01:02:01.000

She will not comply with hierarchy

01:02:01.000 --> 01:02:12.000

She does not understand why if we're all in the car waiting for her, she's not about to hurry. What is hurry? I need my shoes. I don't know where they are. I'm going to take my sweet time

01:02:12.000 --> 01:02:30.000

And we're all dying. And she is just like completely unbothered. And this is very, very characteristic of the neurodivergence. They don't recognize hierarchy. It doesn't exist. It's not a thing. I have a need. I'm going to fulfill the need, and as long as I'm not actively harming you because she has the biggest heart of anyone I've ever met

01:02:30.000 --> 01:02:42.000

But she still pisses us off without causing us harm, yeah? So it's that kind of energy of I genuinely have no concept of what it is to bow before authority.

01:02:42.000 --> 01:02:45.000

I genuinely have no concept of

01:02:45.000 --> 01:02:51.000

Making myself suffer to submit to a rule that makes no fucking sense

01:02:51.000 --> 01:02:56.000

So much of that kind of energy. So much of like

01:02:56.000 --> 01:03:08.000

If you can imagine an entire generation of souls who have never lived in density, and they come to this planet post density, or as part of the transition

01:03:08.000 --> 01:03:13.000

We will not be able to recreate contrast and density.

01:03:13.000 --> 01:03:17.000

Because it's not in their consciousness, it's not in their soul record

01:03:17.000 --> 01:03:30.000

So many of us in our soul record, and in our consciousness, our karma, our history, is the memory of witches who were murdered. How many of us have witch wounds? So we're... magic in secret. They don't have any of that

01:03:30.000 --> 01:03:43.000

So they're just like here. They're just like strutting. Y'all remember the hater is going to hate me even the cartoon and the guys like hater is going to hate. I don't care. I'm just threatening. It's that kind of energy. That's why I really love these guys. Okay.

01:03:43.000 --> 01:03:50.000

What did they call themselves? The souls yet to be born, even though they're just like, yeah, your daughter's already here, she's 12.

01:03:50.000 --> 01:03:56.000

There's a lot of this energy already here, and there will yet be more of it.

01:03:56.000 --> 01:03:59.000

So

01:03:59.000 --> 01:04:01.000

What we're doing

01:04:01.000 --> 01:04:11.000

Because the matriarchy has this other layer of symbolism and reality. My childbearing days are behind me, praise Jeebus. But I

01:04:11.000 --> 01:04:22.000

I'm still building the world that will birth, that will be the perfect womb space, the perfect gestation. Okay, okay, yes, because they're saying there is a gestation we're all creating

01:04:22.000 --> 01:04:34.000

And there is the world they will be born into. Some of us are doing all of it, and some of us are doing different parts of it. So this this and ancient ones talked a lot about

01:04:34.000 --> 01:04:46.000

The dreaming, the sketching, the hoping, the planning, that's the cosmic womb. Not the cosmic Sophia mother womb, whatever, but this in was it March or March

01:04:46.000 --> 01:04:55.000

Was it the ancient ones in March? Anyway, in the March Signal Fire, they showed us the... remember the net of light, the grid of light that's not on the physical Earth, it's floating above it.

01:04:55.000 --> 01:04:59.000

And this is where we pop up when we're kind of done with the bulk of our work

01:04:59.000 --> 01:05:23.000

And this is where we start to dream and plan and connect, and what are we going to build, and wouldn't it be great if? That's the cosmic womb they're kind of talking about. What kind of conditions, what kind of world, what kind of family systems, what kind of school, what kind of food distribution, like all of it, what kind of clothing? What is this world we're going to create if there's no contrast, if it's all love, if we're whatever

01:05:23.000 --> 01:05:38.000

So that's this cosmic one we're helping to create so they can be born into. And a lot of them are very much in our ear, really excitedly co-creating it with us. And that's so beautiful when you look at, you know, we got a lot of complaints about politics these days because

01:05:38.000 --> 01:05:42.000

Mitch McConnell, who is not alive

01:05:42.000 --> 01:05:57.000

These old bless their hearts, they just could not be leading the world. And then we got a whippersnapper like Mom Donnie. I can say that because I'm almost like a full 10 years older than him. This young whippersnapper mom Donnie

01:05:57.000 --> 01:06:12.000

We should be having more wisdom from previous generations working with the passion and the new ideas of the young. And that's how I really see this ancient we are the ancient ones as well as the souls who have yet to be born where this

01:06:12.000 --> 01:06:17.000

And now I'm seeing like the team, her ragtag group of misfits. We're doing it.

01:06:17.000 --> 01:06:23.000

Rivia says these kids are Stephen Miller's nightmare. Absolutely

01:06:23.000 --> 01:06:25.000

So

01:06:25.000 --> 01:06:35.000

Receiving excited ideas. And it will also help us think because depending on our age, depending on where we're at in life

01:06:35.000 --> 01:06:42.000

We're going to see a future a little bit differently, and that's beautiful. We have a lot of age diversity in this community here

01:06:42.000 --> 01:06:51.000

And so, depending on where we're at and how we view the Earth, if I'm so I'm 44, I'm going to look at the future a little differently than someone who's maybe 70 versus someone who's 10.

01:06:51.000 --> 01:06:59.000

So, play with ideas as we play. What's going to benefit people 50 years from now, 100 years from now, 2 years from now?

01:06:59.000 --> 01:07:03.000

Get really weird with it

01:07:03.000 --> 01:07:14.000

Okay, and they're saying it was like I received the simultaneous question and answer. What are we supposed to be doing? Are we really like, dear diary, this is the future of my dreams. Yeah, kind of

01:07:14.000 --> 01:07:20.000

I said, that would be a wonderful exercise to help seed our manifestation, because they're saying right now

01:07:20.000 --> 01:07:32.000

A lot of the energy is focused on when's he gonna die? It's the energy of resistance, it's never gonna happen. When is this gonna happen? We need more energy in

01:07:32.000 --> 01:07:39.000

But won't it be great when he does, and here's what's going to happen, and here's what will be possible.

01:07:39.000 --> 01:07:41.000

And so

01:07:41.000 --> 01:07:52.000

We're going... we can as a manifestation exercise. Maybe it's a new moon manifestation. In fact, I... hello. Yes, Gia the... I did a light circle

01:07:52.000 --> 01:08:00.000

I think it was light circle six. I don't remember if any of you were there, it is unifying our intentions for the world we want to see

01:08:00.000 --> 01:08:09.000

That's a light circle. If you want to get that, it's geoprism.com slash light circles. We did that, and I know a lot of people are getting together to feed the future.

01:08:09.000 --> 01:08:12.000

That work is really important and really excited.

01:08:12.000 --> 01:08:14.000

Or exciting

01:08:14.000 --> 01:08:17.000

As well as personally

01:08:17.000 --> 01:08:23.000

What does this look like for me in six months, one year, 10 years?

01:08:23.000 --> 01:08:27.000

I'm not going to be alive in 50 years. I hope not. I don't want to be 94.

01:08:27.000 --> 01:08:35.000

seems... although I probably will be. My grandma is 92 and doing great. The women in our family live well into their 90s. But anyway, what I'm saying is

01:08:35.000 --> 01:08:42.000

leave room for both. What I'm going to experience in the near future, and what I will never see and benefit from.

01:08:42.000 --> 01:08:46.000

We're planning all of this out. Okay

01:08:46.000 --> 01:08:59.000

There was another, I was like, if then and I went in one direction, I can't

remember the other. Maybe it'll come back to me. Okay, let me take a drink here. We'll reset.

01:08:59.000 --> 01:09:01.000

Okay, okay.

01:09:01.000 --> 01:09:04.000

Okay, I'm all excited.

01:09:04.000 --> 01:09:08.000

Okay, so they're coming back into

01:09:08.000 --> 01:09:13.000

There's a bit of a gap between the healing work

01:09:13.000 --> 01:09:19.000

Decolonization, deconstruction, dismantling patriarchy within, all of that

01:09:19.000 --> 01:09:22.000

And the dreaming of the new

01:09:22.000 --> 01:09:25.000

And now they're like, where can you take physical action?

01:09:25.000 --> 01:09:35.000

Because this is where it gets real. And this is going to mean a lot of different things to a lot of people. But the thing I got super excited about, and it's so hilarious because

01:09:35.000 --> 01:09:38.000

It's very much like

01:09:38.000 --> 01:09:48.000

Unfortunately, this was co-opted. The Red Hat Society. Was it Mary Oliver? What's the poem about? When I am old, I shall wear purple and a red hat which doesn't go.

01:09:48.000 --> 01:09:54.000

Do you guys know the poem? And it's about getting to a certain age where you no longer give a shit.

01:09:54.000 --> 01:10:05.000

If someone could Google that and put it in the comments, it is a delightful poem. If it's not Mary Oliver, Mary Oliver is the one who said, what will you do with your one wild and precious life?

01:10:05.000 --> 01:10:07.000

And it's the same energy

01:10:07.000 --> 01:10:17.000

Because the image I got was If we are the women. And I know we're not only women here, but I think we're a majority of women. But if we are the people

01:10:17.000 --> 01:10:26.000

If we are the they who have deconstructed from diet culture and internalized misogyny and patriarchy, and we're done with all the shit

01:10:26.000 --> 01:10:28.000

I saw like

01:10:28.000 --> 01:10:43.000

The women in these like Doc Martin waffle soul do not give a gray hair a blazing red hats and purple dresses that don't go and we're just like ticket is my like we're kicking down doors we're kicking down doors

01:10:43.000 --> 01:10:49.000

It is like a wild, exciting permission to live in a way that makes no sense at all

01:10:49.000 --> 01:10:53.000

And that is our wild act of resistance

01:10:53.000 --> 01:11:00.000

We will not comply, we will not go gentle into that good night, we will not keep sweet and obey

01:11:00.000 --> 01:11:16.000

We did like all these silly rules that aren't rules, all the ways we just like silence ourselves and we don't take up space and like people are starting to really hate the Gia just said that post, which is fine. I'm obnoxious like whatever you don't all have to like me, but

01:11:16.000 --> 01:11:23.000

There's always an undercurrent of women who are very uncomfortable with a woman who brags about herself

01:11:23.000 --> 01:11:35.000

Some internalized misogyny, some patriarchy. So as we deconstruct and heal, we can't be waiting for that day when it's finally okay to be who we are

01:11:35.000 --> 01:11:41.000

We not only get to be who we are, but we get to be the most unruly, unabashed version of self.

01:11:41.000 --> 01:11:52.000

And that's not to say you have to be a loudmouth like me. Like, be whoever you are. But it's this idea of what are you waiting for? Who told you to be quiet? Who told you you can't

01:11:52.000 --> 01:12:01.000

Wear green lipstick like do whatever the you want. I'm like, what that does. That's like a liberation day

01:12:01.000 --> 01:12:10.000

They're saying that will have such a profound, dramatic effect. Do not underestimate the power of this kind of work.

01:12:10.000 --> 01:12:15.000

Because guess what? It is healing. It is transformational

01:12:15.000 --> 01:12:25.000

And it's physicality, and it is bypassing permission. It's bypassing

internalized rules. It's just like, that's pure creation.

01:12:25.000 --> 01:12:34.000

How about I wear my sequins and my furs, and I go to a movie all by myself, and I eat an entire pizza because

01:12:34.000 --> 01:12:37.000

Calories are not real.

01:12:37.000 --> 01:12:40.000

Just do what you want

01:12:40.000 --> 01:12:46.000

I'm like, what that does to tear down the internal and the external matrix

01:12:46.000 --> 01:12:49.000

They're like, do not underestimate this.

01:12:49.000 --> 01:12:59.000

And they just said, there's a reason, Gia you call it the Rebel Mystic Society. That is the energy that you know we're all here to embody.

01:12:59.000 --> 01:13:00.000

And it can be quiet fine

01:13:00.000 --> 01:13:03.000

I got... you don't have to be loudmouse like me, like I said.

01:13:03.000 --> 01:13:05.000

But

01:13:05.000 --> 01:13:09.000

How exciting does life get if we're no longer

01:13:09.000 --> 01:13:17.000

Waking up each day, did he die? No. Oh, keep living the way I was living. No. Just like do what you want to do, okay?

01:13:17.000 --> 01:13:18.000

Okay

01:13:18.000 --> 01:13:20.000

Yay!

01:13:20.000 --> 01:13:26.000

So they're saying every time you can make it real and make it physical

01:13:26.000 --> 01:13:33.000

That is like 10 times... okay, okay, okay, okay, because they're saying this definite this takes this is like anchoring more

01:13:33.000 --> 01:13:40.000

because the old energy is being pulled off, dying off. It's no longer there animating

01:13:40.000 --> 01:13:45.000

What we do now can take root and actually, like, stick and actually last.

01:13:45.000 --> 01:13:49.000

Because it's like open fertile land.

01:13:49.000 --> 01:13:53.000

Someone who's a gardener tell me the metaphor here

01:13:53.000 --> 01:14:04.000

It's been removed and it's not just that we're planting seeds. The entire conditions of the soil have now changed. So here we go. Okay.

01:14:04.000 --> 01:14:08.000

Yeah, and we do all the big beautiful obituary. And you know what I had the most

01:14:08.000 --> 01:14:11.000

Uncomfortable thought the other day

01:14:11.000 --> 01:14:17.000

I was like, oh, shit. What if it's not because people are like, well, Trump has his own egregore

01:14:17.000 --> 01:14:23.000

And that's why he's still alive, and they can't like know what came to me the day is like

01:14:23.000 --> 01:14:26.000

What if it's actually the good guys keeping him alive

01:14:26.000 --> 01:14:40.000

And that's kind of come through in other sessions, especially the what's coming next, that, like, he will be here as long as he is needed, because he's a very, very, very effective awakener

01:14:40.000 --> 01:14:55.000

But you can see how, if it is divine will, that his role continues as long as it is needed, then why are we fighting that? Let it be what it's going to be and let's do this badass rebel mystic kind of stuff.

01:14:55.000 --> 01:15:04.000

And like, I hope you all could feel this frenetic energy of joy coming through

01:15:04.000 --> 01:15:09.000

It's so beautiful. It's so exciting, and it makes it feel so real and tangible

01:15:09.000 --> 01:15:13.000

And like, okay, what's the phrase? Become ungovernable.

01:15:13.000 --> 01:15:23.000

And I've seen that in very, like, serious contexts, and in very hilarious, hilarious contexts, become ungovernable, and it's like

01:15:23.000 --> 01:15:28.000

Yeah, the purple dress and the red feather boa like

01:15:28.000 --> 01:15:37.000

Not just the humor of we're laughing at the administration, but I genuinely don't play by society's roles, and I'm not hurting anybody and I'm here as a liberator.

01:15:37.000 --> 01:15:42.000

I love it. Okay.

01:15:42.000 --> 01:15:50.000

Okay, I'm going to take a drink here. That was really exciting. I loved that. We'll see if there's any more they want to bring through.

01:15:50.000 --> 01:15:58.000

Do we have any questions? I'm kind of like scrolling comments a bit

01:15:58.000 --> 01:16:08.000

Yeah, Gail says I got the same info about him. He's an amalgamation of all that is in contrast, so we could see what we need to change. And you know what's so hilarious to me lately?

01:16:08.000 --> 01:16:22.000

Is that, oh, sorry, Lauren, I just read your comment. Oh my gosh, my guides once told me how I had helped to revive him once. And I was like, F no way. Where'd it go?

01:16:22.000 --> 01:16:29.000

And I was like, F, no, I didn't! And they kind of laughed at me and said my resistance was cute, but it's part of the whole

01:16:29.000 --> 01:16:31.000

Dude

01:16:31.000 --> 01:16:32.000

I feel that

01:16:32.000 --> 01:16:45.000

I feel that because the thing is, my human mind has an agenda. You can't tell me what to do. I'm too much of a rebel, but my soul is like, bless your heart, I'm just going to go ahead and do it while you're

asleep. You can't stop me.

01:16:45.000 --> 01:17:00.000

So, divine purposes are being fulfilled. But also, Lauren, maybe that's how we knew he had died. I will forever, no pun intended, die on the hill that I know he died last June, and we all felt it, and he probably died last Labor Day, and we all felt that too

01:17:00.000 --> 01:17:02.000

Yeah, here he is. Anyway, okay

01:17:02.000 --> 01:17:12.000

Yes, Veronica says, gray rock, all of them. And if you don't know, gray rocking is the psychological... what is it the method of draining a narcissist

01:17:12.000 --> 01:17:27.000

You can't win by fighting a narcissist. They thrive on that . But gray rocking is so completely ignoring them and removing yourself from it, oh, and they will drive themselves insane with rage, and you have no power over it. They can't have any power over you.

01:17:27.000 --> 01:17:32.000

Okay, I'm always like, I'm going to take a drink and then I talk for 10 minutes. I'm taking a drink.

01:17:32.000 --> 01:17:37.000

Okay

01:17:37.000 --> 01:17:45.000

Yeah, and Carla says, stop trying to stop things from falling apart. It has to. And it's funny, I was thinking about that today. It was

01:17:45.000 --> 01:17:57.000

I went on a family cruise last February, and when I was in the hotel room, the morning of getting on the ship, I will always remember, because it was going on a cruise, it was Valentine's Day, and I was woken up at 3.33 in the morning

01:17:57.000 --> 01:18:01.000

In the hotel room with my kids and everything, and I... they said

01:18:01.000 --> 01:18:09.000

let it all fall apart, stop trying to save democracy, stop trying, like, let it all fall apart. Has to fall apart.

01:18:09.000 --> 01:18:26.000

And as time has gone on, we can see now, because we've had not only a revelation of the corruption in it, but, like, it never was really serving people. We clung to it because it's what we had, but was it really actually good? No, let it fall apart. Okay.

01:18:26.000 --> 01:18:35.000

Okay, Ritmia says... oh, scrolled away. I feel like I'm missing a piece between wanting him gone and creating the new. Can you discuss? Okay.

01:18:35.000 --> 01:18:46.000

I'm not saying don't want him gone, but what I'm saying is the energy of saying like, let's say you're pinning all your hopes on. It has to be this way.

01:18:46.000 --> 01:18:49.000

We're waiting for this thing, and it has to be this thing

01:18:49.000 --> 01:19:06.000

Even though that's somewhat constructive, I'm imagining, I'm manifesting, I want this thing, it's gonna be this way, and let's all imagine... let's make our playlist for when it happens, even though that's kind of creative. It also comes with resistance, because we are demanding it has to be this way

01:19:06.000 --> 01:19:16.000

And I'm going to kind of wait until it creates this starting line that we can never really get behind. Is that what's under your question?

01:19:16.000 --> 01:19:27.000

I'm not saying don't be excited and don't start planning for when the administration is gone, but the resistance that's created when we hyper focus on that becomes a problem

01:19:27.000 --> 01:19:32.000

And so creating anew is like, don't wait for that.

01:19:32.000 --> 01:19:48.000

We're number one gonna start imagining. Number two, we're gonna become ungovernable. Number three, we've done a lot of talk also about how we're already creating matriarchy, how we're already creating, you know, creator economies and mayhem marketplace

01:19:48.000 --> 01:19:55.000

Upcycle groups and farmers markets, and we're already doing different forms of commerce.

01:19:55.000 --> 01:19:59.000

So rather than being so focused on

01:19:59.000 --> 01:20:12.000

We'll be like, okay, cool, I still want that to happen. And also I'm going to spread my little joy seedlets and all these other ways. And that is not the and that gets out of that push or pull resistance.

01:20:12.000 --> 01:20:13.000

So

01:20:13.000 --> 01:20:17.000

Okay

01:20:17.000 --> 01:20:25.000

You know what? And I was just reminded Kaylee isn't here today, but a lot of you know Kaylee explains it all

01:20:25.000 --> 01:20:28.000

Is that her primary account?

01:20:28.000 --> 01:20:40.000

Who knows who I'm talking... you know who I'm talking about, Kaylee! I post her stuff a lot. I can't remember what her account is called all of a sudden. Anyway, she received an incredible message the other day

01:20:40.000 --> 01:20:43.000

And I put it in my stories

01:20:43.000 --> 01:20:49.000

Gosh, someone please put her handle in here, because why can't I remember Kaylee's handle

01:20:49.000 --> 01:20:54.000

Anyway, maybe it is Kaylee explains it all. I thought that was her backup count. Regardless

01:20:54.000 --> 01:21:01.000

That was a part of their message too was even the little like purse confetti. Kaylee explains it all. Okay, that is it

01:21:01.000 --> 01:21:07.000

Even the little purse confetti, it's fun. It's whimsical. Love that.

01:21:07.000 --> 01:21:10.000

But but be wary of

01:21:10.000 --> 01:21:13.000

The resistance it creates and

01:21:13.000 --> 01:21:16.000

That becomes our permission.

01:21:16.000 --> 01:21:28.000

And I will tell you, absolutely, for myself, I've had this big existential question in the back of my mind for a year of what is my work? I can't have my work be only about

01:21:28.000 --> 01:21:30.000

We're all holding on till Trump dies.

01:21:30.000 --> 01:21:32.000

Because

01:21:32.000 --> 01:21:37.000

I mean, it's such a waste, number one. Number two, I am not going to be oriented around him. No.

01:21:37.000 --> 01:21:40.000

But also

01:21:40.000 --> 01:21:46.000

If that's all I focus on, then I have no work beyond that. And I know I'm here, I'm gonna outlive him.

01:21:46.000 --> 01:21:53.000

And so I can't be orienting everything around this impediment. I have to have this whole other life plan.

01:21:53.000 --> 01:21:56.000

And I have so

01:21:56.000 --> 01:22:11.000

And I think that really speaks to what's... what's coming through in the... today really felt like, if you've been through all of the Signal Fires, all of the sessions, it really felt like this is the transition in between

01:22:11.000 --> 01:22:18.000

How we've been in the before times, how we're living in the during, and how we now shift toward

01:22:18.000 --> 01:22:21.000

What we're going to create, how we're going to become, who we're going to be.

01:22:21.000 --> 01:22:28.000

Because the thing is, sometimes I feel like, and I'm sure people who've been here on this earth a lot longer than me feel like

01:22:28.000 --> 01:22:36.000

We're just the cleaning crew. and we're the wrecking crew, and we're the workhorses, and I've spent my entire damn life in pain

01:22:36.000 --> 01:22:39.000

and working, and healing

01:22:39.000 --> 01:22:43.000

And when's it going to end? And that friggin sucks

01:22:43.000 --> 01:22:50.000

And I know I get a lot of people in my comments are like, will I live to see it? I don't know, will I live to see it?

01:22:50.000 --> 01:22:59.000

And what Spirit brings through again and again and again is that the reward number one, the rewards are simultaneous

01:22:59.000 --> 01:23:06.000

Just like we talked about early, I can have chronic pain and laugh and be in joy and dance every single damn day. And I do.

01:23:06.000 --> 01:23:10.000

And also, our efforts will not go unrewarded.

01:23:10.000 --> 01:23:14.000

Will I live to see open contact? And now we have

01:23:14.000 --> 01:23:17.000

Time travel, I don't know, I can't tell you.

01:23:17.000 --> 01:23:26.000

But I know in the next 10 years, we absolutely like I don't know, I'm sorry. I'm sorry to anyone who feel this way feels this way, but I get so

01:23:26.000 --> 01:23:37.000

Like, impatient with the comments of, like, nothing's happening, it's never gonna happen, and I'm like, nothing? Nothing? Tra-la-la. Raise your hand if you know that, if you know that reference

01:23:37.000 --> 01:23:48.000

because Hello, Mom Donny. Hello progressive candidates. Hello the matriarchy is already rising. Yeah, it's happening now, actually. What do you mean? Is it ever going to happen

01:23:48.000 --> 01:23:55.000

So, a lot of it may be, unfortunately, we do need to adjust our expectations because if our

01:23:55.000 --> 01:24:04.000

If our view of ascension is only ever humans can fly and we don't need food to eat and I go visit Mars

01:24:04.000 --> 01:24:18.000

Yeah, I don't know. I don't know if we're gonna live through that, if that's ever really actually a thing or some psychic's fever dream, I don't know. But what I do know is the structures are dismantling so quickly

01:24:18.000 --> 01:24:35.000

There is no hope of them being... they're not lasting, and they can't be rebuilt, because the people have healed and grown and deconstructed enough that we're the ones not holding them together. And this new collective that's coming in? Are you kidding me? Are you kidding me? Yeah, Rabia says people are waiting for the Jetsons to arrive

01:24:35.000 --> 01:24:37.000

Like

01:24:37.000 --> 01:24:43.000

I don't want to, like, pee in anyone's Cheerios. I'm not saying that's never gonna happen, maybe, but that can't be

01:24:43.000 --> 01:24:50.000

Escension is only that because I think we're missing the everyday magic of what it actually is.

01:24:50.000 --> 01:25:04.000

And I will tell you, like, from my own personal journey, you know, I've been very open about it. I started having major depressive episodes at age nine and chronic, severe, debilitating depression cleared through my 20s

01:25:04.000 --> 01:25:08.000

Until I finally learned, surprise, you're not

01:25:08.000 --> 01:25:14.000

bipolar, you're psychic, and you're an empath, and you're a healer, and so I learned to work with that

01:25:14.000 --> 01:25:20.000

I have already lived my own ascension. I have already lived the path of

01:25:20.000 --> 01:25:25.000

I was so in the density and pain and despair and fear

01:25:25.000 --> 01:25:35.000

And I've had really, really hard years, like losing my job, and COVID and children with crises and all kinds. I still live with chronic pain

01:25:35.000 --> 01:25:42.000

And I'm also probably the happiest person you'll ever meet, genuinely, naturally.

01:25:42.000 --> 01:25:47.000

If we're waiting for the Jetsons, we're missing out on what we could be living and what we're having

01:25:47.000 --> 01:25:54.000

And I was that girl who believed that my value was in being a size two

01:25:54.000 --> 01:25:59.000

that girl anymore, and I have my friggin' gas station soda right here

01:25:59.000 --> 01:26:10.000

Not because I'm purely hedonistic and I don't take care of my body, but I'm not going to shame myself when I need a little sweet treat here to juice me up because I can tell this session is going to

01:26:10.000 --> 01:26:11.000

Really zap me

01:26:11.000 --> 01:26:14.000

So let's not put off our ascension.

01:26:14.000 --> 01:26:22.000

We may yet still have these magical, fantastical, the solar flash. I have channeled the solar flash is coming

01:26:22.000 --> 01:26:25.000

And yet I'm still a skeptic, only because

01:26:25.000 --> 01:26:40.000

I'm not waiting for that to happen. I believe it will come at some point. But meanwhile, I'm not crying about 3 pounds, and I'm becoming ungovernable, and I am leading my own ragtag group of misfits, and we're getting together on Zoom, and it's really fun

01:26:40.000 --> 01:26:42.000

I love you being here

01:26:42.000 --> 01:26:52.000

And so we can have these collectives come through and tell us who we're here to be. So don't put, I think if we could put a pin in it, like wrap it in a bow, don't put off your ascension. It's already happening.

01:26:52.000 --> 01:26:56.000

So many of us are as ascended as we're gonna be.

01:26:56.000 --> 01:26:59.000

Okay, okay, okay, yep, yep

01:26:59.000 --> 01:27:05.000

Is it Eight of Swords? What's the tarot card where the woman

01:27:05.000 --> 01:27:12.000

Has the blindfold, and there's all these swords, and it's like, oh no, I'm trapped, but it's like, oh no, you're actually not

01:27:12.000 --> 01:27:16.000

They're just random ass swords. You can walk away at any time.

01:27:16.000 --> 01:27:19.000

You're not actually trapped

01:27:19.000 --> 01:27:23.000

We just are so used to living in the matrix.

01:27:23.000 --> 01:27:26.000

That we're recreating it in our mind

01:27:26.000 --> 01:27:28.000

Oh, okay, okay.

01:27:28.000 --> 01:27:31.000

Feel the chills on that

01:27:31.000 --> 01:27:40.000

I am processing this because holy shit

01:27:40.000 --> 01:27:43.000

How do I even explain this?

01:27:43.000 --> 01:27:46.000

Basically

01:27:46.000 --> 01:27:49.000

I just kind of it was kind of like a smackdown

01:27:49.000 --> 01:27:54.000

And also a smackdown of like

01:27:54.000 --> 01:27:58.000

Maybe I did this to myself.

01:27:58.000 --> 01:28:05.000

Maybe there's all these other people out there who are already living that MedBed Jetson life.

01:28:05.000 --> 01:28:13.000

But because I'm still here in the whole, oh no, Trump is still alive mindset

01:28:13.000 --> 01:28:15.000

Maybe that's the reality I'm living in.

01:28:15.000 --> 01:28:23.000

And again, you know me, I'm always like, stop bypassing reality. But what they're trying to say is

01:28:23.000 --> 01:28:37.000

They've already told us that timeline's removed. They've already told us the contrast and energies are done. They no longer get to rain. They've already told us it's done, it's over, you're ascending, it's happening. It can't be stopped.

01:28:37.000 --> 01:28:40.000

How much of my mind

01:28:40.000 --> 01:28:42.000

is still assuming

01:28:42.000 --> 01:28:44.000

That it exists

01:28:44.000 --> 01:28:56.000

And it's all still there, and it all still hasn't toppled yet. And million of us,

billions of us are under that same assumption. What if that's how it's still animating now?

01:28:56.000 --> 01:29:00.000

You're picking up what I'm putting down. What if it's not the evil that created it?

01:29:00.000 --> 01:29:08.000

It's what I said before. It's not just that because I've deconstructed a hell of a lot. I'm not living in all the things I listed

01:29:08.000 --> 01:29:14.000

But the assumption that this is how the world is. Are we all animating the matrix?

01:29:14.000 --> 01:29:18.000

Because we assume that it's still here, oh my God.

01:29:18.000 --> 01:29:21.000

It's blowing my mind.

01:29:21.000 --> 01:29:28.000

And it's also one of the simplest things ever that other people are probably like, I've been teaching that for three years. Where have you been, Gia

01:29:28.000 --> 01:29:30.000

But it comes to us when it comes to us

01:29:30.000 --> 01:29:45.000

And because my work is very focused on physical reality, I'm not going to judge myself because I'm a social justice warrior. This is my work. There may be some other folks who are living that Jetsons life. I'm not there because I'm needed here. Cool.

01:29:45.000 --> 01:29:49.000

But I'll reframe this as a permission

01:29:49.000 --> 01:29:52.000

Not just to dream and sketch and do

01:29:52.000 --> 01:29:54.000

But what if we

01:29:54.000 --> 01:30:00.000

I just had like a deja vu, wow

01:30:00.000 --> 01:30:05.000

That was a lot. Because I just went

01:30:05.000 --> 01:30:15.000

Okay, I can't even. I just like went back to not only the deja vu. But the deja vu happened six years ago and I remembered what happened that day and it was like I just lived my six years on

01:30:15.000 --> 01:30:17.000

Fast forward

01:30:17.000 --> 01:30:24.000

That was weird. Okay.

01:30:24.000 --> 01:30:30.000

This is... this is a permit... I'm sorry. Hello. Reset.

01:30:30.000 --> 01:30:32.000

This is a permission slip

01:30:32.000 --> 01:30:34.000

To act as if

01:30:34.000 --> 01:30:37.000

To question your assumptions

01:30:37.000 --> 01:30:41.000

Two, play with reality

01:30:41.000 --> 01:30:43.000

How much can we timeline jump?

01:30:43.000 --> 01:30:50.000

How swiftly can we jump these realities? How many realities am I upholding because I never question them

01:30:50.000 --> 01:30:56.000

Or I never... because, listen, since I became really engaged in social justice work and roundabout

01:30:56.000 --> 01:31:11.000

2017, I started... well, that's not true. I started my activism work post 9-11. I was in college, it was the perfect age for that. But in 2016, 2017, I got into intersectional feminism groups. And intersectional is, you are feminist and

01:31:11.000 --> 01:31:19.000

Feminist and queer. Feminist and person of color, feminist and disabled. You are these intersection of marginalized

01:31:19.000 --> 01:31:22.000

Peoples, groups

01:31:22.000 --> 01:31:34.000

And so I have been very heavily engaged in understanding racism, unpacking my internalized prejudice, doing all of that stuff.

01:31:34.000 --> 01:31:40.000

And because that's the reality I've been playing in, I've been on this like 10 year journey of seeing it

01:31:40.000 --> 01:32:00.000

In the outside world, discuss, you know, George Floyd, Black Lives Matter, I'm seeing it, and it is being, yeah, it's really horrific with what's happening with ice, but we're also seeing because of it, it's crumbling, and we're like, oh, shit, we can't be like that anymore. It was true all along, etc. Okay, so the whole point I'm trying to make is

01:32:00.000 --> 01:32:13.000

Perhaps because Gia gave her attention to, look how terrible this is, let's learn, let's deconstruct, let's do the work to unpack it. I'm living in that reality that it's crumbling. And it is slowly, but it is.

01:32:13.000 --> 01:32:19.000

What other realities have I never even thought to question that have already crumbled? I just never

01:32:19.000 --> 01:32:30.000

went there. Is this all making sense? There was a purpose in that. I hope it wasn't just a ramble. Okay.

01:32:30.000 --> 01:32:31.000

Okay.

01:32:31.000 --> 01:32:36.000

I'm scrolling through comments a little bit to make sure we've got it here.

01:32:36.000 --> 01:32:52.000

Yeah, Misty says, I think of religious people of putting themselves in a box, but maybe we're still putting ourselves in a box. And what I want to do here is I want to be really gentle with this because I never want to reinforce the idea that if you're being abused, if you're impoverished, if you

01:32:52.000 --> 01:32:55.000

being oppressed, it's your fault because you didn't think your way out of it.

01:32:55.000 --> 01:33:08.000

That's absolutely not what I'm saying. I account for the reality of these things you didn't create. We are victims to certain things. It's not victim mentality, it's the physical world we've been living in.

01:33:08.000 --> 01:33:19.000

And also, maybe they're not as bad as they have been. Or maybe there are solutions waiting to be handed to us, walked into

01:33:19.000 --> 01:33:24.000

But I'm still fully operating in the reality of

01:33:24.000 --> 01:33:31.000

It's never gonna change. It is what it is. When he dies may be possibly. When Kamala steps in

01:33:31.000 --> 01:33:46.000

That's the assumption I want to push back on. It's okay to acknowledge and we must acknowledge the reality outside of us, because if we don't acknowledge the reality outside of us, we solely blame ourselves and we perpetuate the matrix. Like I was talking about at the beginning

01:33:46.000 --> 01:33:58.000

And also we have to kind of question and get weird with it and push on these. It's like a fun house, like which of these walls is a mirror and which you know what I mean? Like, what's not a real wall?

01:33:58.000 --> 01:34:02.000

So this is a part of our liberation work. Okay.

01:34:02.000 --> 01:34:05.000

So they're like, have some balance.

01:34:05.000 --> 01:34:08.000

We're not going to be extreme in any one or the other.

01:34:08.000 --> 01:34:11.000

But have fun with it, play with it, open up

01:34:11.000 --> 01:34:13.000

Okay.

01:34:13.000 --> 01:34:22.000

Kick down the door in your waffle sole boots or whatever, whatever

those are. I got my leopard print flats here. They're not for kicking, but they are very pretty. Okay

01:34:22.000 --> 01:34:28.000

Okay.

01:34:28.000 --> 01:34:35.000

Oh, Carla says, you said at the beginning, we can have both. Did I say that? I did say that.

01:34:35.000 --> 01:34:42.000

This is why I review this, because not only does the channeling portion bring through so much, and then we unpack it.

01:34:42.000 --> 01:34:44.000

I hear it differently when I listen back.

01:34:44.000 --> 01:34:51.000

That's so wild, because while I'm here, I'm in both the experience of receiving, transmitting, unpacking

01:34:51.000 --> 01:35:00.000

And then when I listen back, I am now observing, and I'm like you guys, along for the ride while this crazy lady zips all over the screen, and okay. All right.

01:35:00.000 --> 01:35:03.000

I freaking love this session, you guys. Okay.

01:35:03.000 --> 01:35:06.000

So we're coming toward the end

01:35:06.000 --> 01:35:13.000

When I say I had no idea where we were going with the session, I never know. But this was truly

01:35:13.000 --> 01:35:17.000

This was truly unexpected and so exciting.

01:35:17.000 --> 01:35:22.000

What are they called the souls yet to be born. Such a delight, such an utter delight

01:35:22.000 --> 01:35:26.000

And so really wow, okay.

01:35:26.000 --> 01:35:32.000

I was gonna connect back to the matriarch, the birthing

01:35:32.000 --> 01:35:36.000

idea of we're kind of creating the cosmic womb, but they're like

01:35:36.000 --> 01:35:39.000

It's almost like a

01:35:39.000 --> 01:35:40.000

How do I

01:35:40.000 --> 01:35:56.000

All right, it's not quite like a walk-in or a soul braid. Have you heard of that, where people believe we can have two souls within us, or one will leave. It's not quite that extreme, but they were kind of dropping that idea in of, like, you know, if you really want to work with us, we could really work with you

01:35:56.000 --> 01:36:01.000

We can kind of pop in and out. It's not just whisper and inspire like, do you want to

01:36:01.000 --> 01:36:13.000

It's okay, okay, so they're saying it's very much like how people choosing evil acts are unconsciously or consciously being animated by that dark energy

01:36:13.000 --> 01:36:14.000

The opposite

01:36:14.000 --> 01:36:27.000

Do you want to be animated by the spirit of joy? Do you want to like you know you see me when I channel I'm not vacating myself. I'm fully present, but I'm allowing them to kind of move me like a puppet and speak through me.

01:36:27.000 --> 01:36:31.000

It's kind of that same thing. It's this divine partnership

01:36:31.000 --> 01:36:36.000

And like, yeah, living in the flow. We're all channeling. We can all channel.

01:36:36.000 --> 01:36:43.000

What can I allow to animate me and to like hot yeah tag team high five

01:36:43.000 --> 01:36:50.000

Like, who can come in? Who's gonna be in my closet choosing what I wear today and help me with my glitter

01:36:50.000 --> 01:37:04.000

at the grocery store, or whatever. You know, it's funny, I used to be a velvet and glitter. I had, like, a very 70s Bowie era in my style, but I've become more and more simple. I want comfort, just, like, one neck, like, very simple

01:37:04.000 --> 01:37:08.000

And what I found is that's helped me be in my body more

01:37:08.000 --> 01:37:13.000

So like glitter is not the only way to liberation. I'm just saying. But

01:37:13.000 --> 01:37:17.000

This was such a great, exciting idea about

01:37:17.000 --> 01:37:20.000

We can do more than dream

01:37:20.000 --> 01:37:27.000

Okay, okay. And they're also, and the ancient ones are calling back and remembering that.

01:37:27.000 --> 01:37:32.000

Not only are we animated by them, we are them.

01:37:32.000 --> 01:37:38.000

And that's been a message that's come through in so many different signal fires, is like we don't even

01:37:38.000 --> 01:37:41.000

We don't even know who we are as souls.

01:37:41.000 --> 01:37:48.000

We think auschucks and this little human who's just figuring it out, and we are because we have amnesia.

01:37:48.000 --> 01:37:50.000

But if you reconnect

01:37:50.000 --> 01:37:56.000

and hold on to the assumption that I am so powerful, so ancient, so incredible

01:37:56.000 --> 01:38:01.000

So many of those limitations just fall right off.

01:38:01.000 --> 01:38:04.000

And so I guess if we don't really know who we are

01:38:04.000 --> 01:38:09.000

It doesn't matter. You don't have to behave in a certain way. You can just... I have no limitations.

01:38:09.000 --> 01:38:17.000

I'm not held to who some weird identity that someone gave to me. I

don't know. I can be whoever I want to be.

01:38:17.000 --> 01:38:23.000

And Veronica says, our future selves.

01:38:23.000 --> 01:38:25.000

Wow, and you know

01:38:25.000 --> 01:38:31.000

I did have a feeling that this session would be very different from last session

01:38:31.000 --> 01:38:40.000

Because I don't know which of y'all came to July, but that was so intellectual and kind of like dense in like

01:38:40.000 --> 01:38:56.000

We had Bill Nye, the science guide. There was a lot of physics, there was a lot of like was very heavy intellectually. I felt like this session would be a lot lighter. I had no idea how like it was so awesome. Okay.

01:38:56.000 --> 01:39:00.000

Okay, so

01:39:00.000 --> 01:39:10.000

I'm just kind of tuning in. I have a drink here, tuning in and see what more, what I want to close with.

01:39:10.000 --> 01:39:12.000

Okay. All right.

01:39:12.000 --> 01:39:18.000

They're like, speaking of July, okay, what they're saying is

01:39:18.000 --> 01:39:27.000

It's okay if you don't fully understand the split and the mechanics of ascension and like when's it going to happen and the solar flash and whatever. They're like, it's okay.

01:39:27.000 --> 01:39:35.000

But we gave you every single possible layer of understanding that we could pack in

01:39:35.000 --> 01:39:45.000

Not just in that session, but a lot of my messages, other channelers, like, they're pouring in what you're receiving, they're just pouring the information to us

01:39:45.000 --> 01:39:53.000

Not so that we can wait for the future day, but so that at some point, something you hear is going to click

01:39:53.000 --> 01:40:06.000

And you're gonna go, oh my God, I get it now. And so they're like, so it will get you to the place you're at now of we hope you're at now. Gia is at this place of like we told you

01:40:06.000 --> 01:40:12.000

they've been moved off, the split has happened, you're all ascending

01:40:12.000 --> 01:40:13.000

act as if

01:40:13.000 --> 01:40:20.000

Because how many different ways can we tell you you're sending? It's already happening. You're going to make it. Yeah like

01:40:20.000 --> 01:40:22.000

Quick questioning

01:40:22.000 --> 01:40:28.000

But asking, we've told you in as many, and they're not even like mad, I'm just getting real spicy about it

01:40:28.000 --> 01:40:37.000

They're like, we've told you in as many ways as we could possibly tell

you so that you can free yourselves up to no longer be living under the assumption, or the fear that it isn't going to happen.

01:40:37.000 --> 01:40:50.000

It is happening, you are doing it, live as if. Live as if you're already on the other side, because you are. And as more of us live on this other side, how swiftly the scaffolding will fall

01:40:50.000 --> 01:40:59.000

Because it's at this point, it's only our assumptions and our unhealed trauma and our agreement with the old rules that keep it living.

01:40:59.000 --> 01:41:05.000

Now, we still have to deal with the systems and taxes and Medicare, and like yes

01:41:05.000 --> 01:41:15.000

But the part of the system that lives within us, the part that is under our control. As we slough off more of this and let it go.

01:41:15.000 --> 01:41:19.000

As above, so below, as below, so above, as within, so without

01:41:19.000 --> 01:41:25.000

As we do more of this in us, we will see the external fall much more swiftly.

01:41:25.000 --> 01:41:37.000

Yep, Carla says we can do both. We are doing both. It's okay to have a day where you are in pain and we cry and we're grieving and everything's terrible. Y'all, I went through it this weekend.

01:41:37.000 --> 01:41:42.000

Because that's okay. doesn't mean I didn't do it. That's just a part of it.

01:41:42.000 --> 01:41:46.000

And today is the best day ever. It's okay.

01:41:46.000 --> 01:41:48.000

You can do all of it.

01:41:48.000 --> 01:41:55.000

Everything is always working out for me, Jamie says, even if I don't understand how, absolutely

01:41:55.000 --> 01:42:11.000

My friend Sarah Treadwell, amazing channeler, community leader. If you're not following her on TikTok, please do. She says not only everything is always working out for me, but she says, What if there's no problem? There's no problem. It's not a problem

01:42:11.000 --> 01:42:18.000

And that's really changed how I think because my little brain wants to noodle on every little problem. I'm a thinker. Gia is a thinker.

01:42:18.000 --> 01:42:22.000

But that requires there to be a problem to noodle on

01:42:22.000 --> 01:42:29.000

But what if there is no problem? Actually, that's pretty liberating, because now I can noodle on creativity. And what am I going to build?

01:42:29.000 --> 01:42:33.000

What's Gia going to wear next at the grocery store? I don't know.

01:42:33.000 --> 01:42:35.000

Okay.

01:42:35.000 --> 01:42:41.000

All right, friends, as we wrap up, are there any last questions

01:42:41.000 --> 01:42:47.000

Big, unfinished, because I go in a lot of places, is there anything I left unfinished or didn't connect

01:42:47.000 --> 01:42:50.000

that I need to connect to

01:42:50.000 --> 01:42:53.000

This was so fun.

01:42:53.000 --> 01:43:03.000

I think we needed this. This was so light and so fun. What is the solar flash? My goodness. How do I give you that in 30 seconds?

01:43:03.000 --> 01:43:06.000

The solar flash is, okay, no, you know what? No

01:43:06.000 --> 01:43:09.000

I'm not going to give it to you in 30 seconds. I'm going to get into it.

01:43:09.000 --> 01:43:18.000

And if we go a little over, we're going to get a little over because Spirit has been talking to me about the solar flash again, and I've been revisiting it from a new angle. Okay

01:43:18.000 --> 01:43:30.000

But I won't... I won't talk forever. So the solar flash is something that has been coming through in Ascension communities for many years. I don't know if it's in Dolores Cannon's work. I don't really know where it originated from, but

01:43:30.000 --> 01:43:41.000

So many channelers and hypnosis clients and people have seen this moment where this immense burst of light comes

01:43:41.000 --> 01:43:43.000

from the sun

01:43:43.000 --> 01:43:51.000

And the Earth is bathed in this light, and that is the moment of ascension where the 3D world dies off, and the new Earth is born, and we all wake up

01:43:51.000 --> 01:43:53.000

And we are ascended.

01:43:53.000 --> 01:43:57.000

That's the most simplistic version of that.

01:43:57.000 --> 01:44:03.000

But when I look at it as, yes, of course, if a channeler is shown one piece, how are we interpreting it?

01:44:03.000 --> 01:44:15.000

Of course, we all interpreted it that way, but now we're this far along, we have to interpret it a little bit differently because we're seeing we're doing the work all along. We're not waiting for

01:44:15.000 --> 01:44:17.000

a blast to ascend us

01:44:17.000 --> 01:44:36.000

But what has been happening is these rays have been coming steadily. And if you go to my YouTube and search through my videos for solar flash, I especially spoke a lot about it last September because Rapture... the Rapture was trending on TikTok, and so I was talking about the parallels between how some people talk about the solar flash

01:44:36.000 --> 01:44:45.000

And some people talk about the rapture. And I did a live event. It was a channeling called Ascend with the Solar Flash, and it was about all of this

01:44:45.000 --> 01:44:50.000

Some people we don't know, is this solar flash one blast

01:44:50.000 --> 01:45:02.000

Like the Carrington event, a solar flare that comes off the sun, and because it has magical healing properties, we're all changed? Or is it a very long corridor process? I believe it's both

01:45:02.000 --> 01:45:14.000

It's not going to. It's not going to burn us all up. It's not going to kill us all. It's like radiation energy. It's the most powerful Reiki session you could ever

01:45:14.000 --> 01:45:17.000

receive

01:45:17.000 --> 01:45:33.000

And yeah, there's so many beautiful, yes, there's so many beautiful interpretations of this. I wonder if this is what we're going to talk about next month, because it's been coming into my awareness a lot, as we need to revisit this, and how is it now that we're this far along

01:45:33.000 --> 01:45:45.000

And I did a video a couple weeks ago where I said I had that message in the night where it was about the solar flash and I was like, wait, is it coming? Is that what you're telling me? And what they showed me instead was

01:45:45.000 --> 01:45:50.000

It wasn't necessarily the solar flash, it was it

01:45:50.000 --> 01:45:59.000

The big beautiful obituary and the joy that rippled through humanity at that moment either was the flash or triggered it, or created it, or something

01:45:59.000 --> 01:46:05.000

So I think there's a lot of different ways we could explore what this is, but basically it is

01:46:05.000 --> 01:46:16.000

How the sun and nature and the divine is assisting us in this process, because those solar energies have been coming for decades to help break up the density.

01:46:16.000 --> 01:46:21.000
