

The Signal Fire: October 2026 Transmission

00:00:03.000 --> 00:00:16.000

Hello everybody and welcome to the October Signal Fire. I'm Gia Prism and I am so excited to be here. I'm so excited. I'm always so excited. But this month is going to be something special. I have no doubt about that.

00:00:16.000 --> 00:00:30.000

Because to receive the message that I received going into this, first of all, unprecedented. They don't usually tell me, the whole point is I show up blank. I let them bring through whatever it is they want us to know, not what I think we need to know.

00:00:30.000 --> 00:00:39.000

But the fact that the message was directly about the energy coming from the sun, what I believe is the solar flash, is kind of a big deal

00:00:39.000 --> 00:00:44.000

And I feel the gravity of this meeting. A lot of anticipation, a lot of excitement

00:00:44.000 --> 00:00:53.000

And so I am so excited to dive in and see what they want to share through us, because I have no doubt this is going to blow our minds.

00:00:53.000 --> 00:01:01.000

Come on in and settle down. I am moderating. So if you see me kind of look over, that's what I'm doing is just making sure everyone who wants to come in is let in.

00:01:01.000 --> 00:01:12.000

If you are new here, I'm going to very quickly go through kind of the lay of the land to orient you to how things work around here. I'm going to do it pretty quickly, because we got a lot to get into. Okay, so

00:01:12.000 --> 00:01:23.000

And I will also say today, I have been sick, and so I might cough and I'm

going to try to hit mute before I do that and cough in your ears. But if I can't make it, I'm so sorry. We are human. We do the best we can.

00:01:23.000 --> 00:01:39.000

Okay, so I am Gia Prism as I said, I am an Oracle, and I use all of my spiritual gifts to bring through messages from the divine. That includes clairvoyance, clairsaudience, live trans channeling, and actual energies being streamed through my body

00:01:39.000 --> 00:01:54.000

transmitted to you whether you are here live or whether you will ever attend the session as a replay, those energies are live and potent. And as part of my pre-session process, I bring everyone's higher self in, so that your higher self may connect with my higher self

00:01:54.000 --> 00:02:12.000

And they can coordinate what do we need? What energies do we need? What information? And so some of this may feel like it is absolutely tailored to you, and that is the point. For being a large group session, we make this as personal as we can because, as I mentioned, this is live. This is unscripted. I have no idea what's going to come through

00:02:12.000 --> 00:02:16.000

This is not a human construction, it is a divine construction.

00:02:16.000 --> 00:02:31.000

And as such, these messages, these sessions, are a bit wild, a bit kooky. They're a little manic. I allow myself to completely flow and go with whatever comes through. So this is like booking a private session with a psychic where everything comes through

00:02:31.000 --> 00:02:42.000

I will narrate what I'm seeing, hearing, feeling, I will channel. I will answer questions for people who are here live, but it's not primarily about that. It's primarily about bringing through the message

00:02:42.000 --> 00:02:56.000

So as today's session is unequivocally about the energies that are

coming and this culmination of this Ascension experience, I have a feeling we're going to hit us with some bangers. Some of these sessions are very intellectually dense

00:02:56.000 --> 00:03:06.000

Sometimes my science guide comes in and he breaks my brain a little bit. You never know what we're gonna get, so we're all along for the ride. Buckle up, it's gonna be fun.

00:03:06.000 --> 00:03:18.000

Okay, so I'm going to take a quick drink, and then I'm going to lead us through a very quick rounding exercise, just to kind of unify our energies and help us receive what we're going to receive, because there is a lot of energy kind of bouncing off the walls.

00:03:18.000 --> 00:03:27.000

So just relax as I take a drink and then we'll go into that exercise.

00:03:27.000 --> 00:03:30.000

Okay, I'm going to invite you

00:03:30.000 --> 00:03:39.000

Just get comfortable in your body. That's lying down, if that's closing your eyes, wonderful. Do whatever feels right for you.

00:03:39.000 --> 00:03:52.000

And take a few deep breaths

00:03:52.000 --> 00:03:57.000

Bring yourself back into the body. And as we do so

00:03:57.000 --> 00:04:01.000

We're going to just release all that is not ours.

00:04:01.000 --> 00:04:04.000

Call back to us what is ours

00:04:04.000 --> 00:04:13.000

And be present in this now moment to receive that which we are here to receive

00:04:13.000 --> 00:04:15.000

And as we do so

00:04:15.000 --> 00:04:23.000

We invite our energy to come back fully into the body as fully as we may experience it. Come back fully into the body.

00:04:23.000 --> 00:04:30.000

And invite our bodies to be here in the present moment, held in the safety of this circle

00:04:30.000 --> 00:04:38.000

In the here and now and anchored into this beautiful earth.

00:04:38.000 --> 00:04:42.000

We call forth the presence of our higher selves

00:04:42.000 --> 00:04:44.000

Of our heavenly helpers.

00:04:44.000 --> 00:04:57.000

our loved ones beyond the veil, the highest beings of love and light who are here to assist and guide and support us in this journey.

00:04:57.000 --> 00:05:07.000

So grateful for the opportunity to be here to receive, to prepare ourselves, and to continue walking the path of embodied ascension in this momentous time on Earth.

00:05:07.000 --> 00:05:12.000

And so it is. Amen.

00:05:12.000 --> 00:05:15.000

Okay

00:05:15.000 --> 00:05:16.000

Okay.

00:05:16.000 --> 00:05:20.000

Welcome, welcome. All right.

00:05:20.000 --> 00:05:26.000

That helps the energy tremendously as much as I am tuned into my audience.

00:05:26.000 --> 00:05:30.000

I really feel like a live wire sometime. Okay

00:05:30.000 --> 00:05:34.000

So as I was sitting with my, okay.

00:05:34.000 --> 00:05:40.000

Sorry, the heart energy just went

00:05:40.000 --> 00:05:51.000

And that's the first thing we want to talk about now. I was going to back up, but they were like, no, okay

00:05:51.000 --> 00:06:00.000

This energy is immense and when they're drawing attention to is how the heart energy itself, the heart chakra, the heart center

00:06:00.000 --> 00:06:17.000

is... they're saying the center of ascension. This is the portal through which the energies will stream. This is the portal through which you become the sun. This is the portal through which you are not receiving the flesh exclusively, but you are the flash

00:06:17.000 --> 00:06:21.000

You are those exquisite vessels who have been

00:06:21.000 --> 00:06:27.000

Finally tuned throughout these years, through your work, through your

awakening, through your yearning

00:06:27.000 --> 00:06:31.000

Through your acceptance of the love and light that has already been coming through

00:06:31.000 --> 00:06:49.000

through the contract that your souls have not only agreed to, but helped create and participate in creating. You are they who are here for this grand momentous moment. You are they who have been attuned for this moment. You are they. We are you, you are we

00:06:49.000 --> 00:06:54.000

Co-creating this momentous, momentous event on planet Earth.

00:06:54.000 --> 00:06:56.000

for your species to ascend

00:06:56.000 --> 00:07:07.000

The time is now, the time is at hand, and you are they who will participate in the transmission of this love and light

00:07:07.000 --> 00:07:17.000

Okay, so they don't usually hit me with the channeling by a lady, a drink first. Hello, thank you. Who was that?

00:07:17.000 --> 00:07:21.000

I'm seeing this room

00:07:21.000 --> 00:07:24.000

It's like this vast hall

00:07:24.000 --> 00:07:40.000

And it's just beings upon beings and it's sort of like they're backlit, so I can't really see who and what they are. And they say who and what we are is not important. It's the conglomeration of the guides who are here, who have been here, who have been with you. And they're kind of drawing my attention to some of the collectives that I have channeled

before

00:07:40.000 --> 00:07:48.000

If you've been here in the in the Signal Fire, who have we had? The angelic realm, the ancient ones, the elders

00:07:48.000 --> 00:07:55.000

A council of nine came through last time. The collective guides of Ascension is who I frequently channel.

00:07:55.000 --> 00:08:00.000

And they're saying, and your guides and guardians. They're just basically showing everyone.

00:08:00.000 --> 00:08:05.000

Everyone is here. Oh, the timekeepers. Yes, Judy, the the time Lords. That's who it was.

00:08:05.000 --> 00:08:16.000

The Time Lords are here. Okay, okay, okay. I'm definitely seeing galactic forces, galactic beings. I'm seeing

00:08:16.000 --> 00:08:20.000

It's just everybody, okay?

00:08:20.000 --> 00:08:23.000

Okay, I'm like, slow it down because

00:08:23.000 --> 00:08:37.000

Claircognizance is a problem. They will hit me with something and then I have to spend 10 minutes telling you what they just hit me with. So I'm going to invite them to kind of ease us in, give us some context, let us know. And they're like, there's no time. Okay, settle down.

00:08:37.000 --> 00:08:39.000

get there. All right.

00:08:39.000 --> 00:08:45.000

Elizabeth says the eternal posse of light. I love it so much. Okay, okay

00:08:45.000 --> 00:09:00.000

They are saying the time is at hand, the time is imminent, and I'm communicating to them. Many of us have heard that before. This is not our first rodeo. And so some of us are very, very excited about this. And some of us admittedly are jaded by this. Okay

00:09:00.000 --> 00:09:18.000

I'm assuming everybody here knows what the solar flash is. I'm going to do the tiniest of explanations just to kind of get us on the same page. The solar flash is an event spoken of through many channelers, many people throughout all time, throughout all time. That's not correct. But it has been in

00:09:18.000 --> 00:09:29.000

In progress for eons of time. And yes, ancient civilizations have spoken of it. So, okay, they're like, you weren't wrong. Okay, thank you.

00:09:29.000 --> 00:09:35.000

It is said to be a culminating experience, a culminating event

00:09:35.000 --> 00:09:41.000

Where light will burst through, where light will bathe the earth

00:09:41.000 --> 00:09:45.000

But it is more than light, it is an energy, it is love

00:09:45.000 --> 00:09:54.000

It is a profound creationary force that will sweep through and illuminate everyone and everything. And this is a grand culmination event

00:09:54.000 --> 00:10:00.000

That has come after many, many years of awakening, of healing, of integration, of all kinds of things.

00:10:00.000 --> 00:10:18.000

And so I have often said it is not only a one off event, it has already been

happening, and we have been in it for years. And many of us have physically, physiologically been feeling the energies. I've been speaking about that for a long time. I call them energy waves

00:10:18.000 --> 00:10:29.000

I feel them somatically in my body. If you don't feel them, it doesn't mean they're not happening to you. Every body responds differently. It does trigger a lot of

00:10:29.000 --> 00:10:40.000

Chronic issues, if you have pre-existing health conditions. It can be a lot on the body. And so there has been this very long drawn out process of acclimating us

00:10:40.000 --> 00:10:44.000

And yet, there are, excuse me, go for a minute

00:10:44.000 --> 00:10:50.000

Okay, so yet there are a lot of questions about what happens when it comes because

00:10:50.000 --> 00:11:05.000

As much as has been spoken, there are, I mean, Lord, dip a toe in Ascension communities, and you're going to find everything across the spectrum, and some of it's kind of freaky, and I will tell you right off the bat, nothing I've ever received or shared is ever scary.

00:11:05.000 --> 00:11:17.000

We're going to get into all the details, but I'm going to tell you right off the bat, there is nothing to be afraid of, nothing will be destroyed, no one will be hurt. But I will also tell you from my experience, it is intense, and we will get into that.

00:11:17.000 --> 00:11:23.000

So that is the background of the solar flash. And when I was connecting with my guides before this

00:11:23.000 --> 00:11:33.000

I was like, how much do we need to tell people? Because my intention in this is to basically show up as though we know nothing more than that

00:11:33.000 --> 00:11:48.000

That's always my approach to everything. I... which is why I do live sessions, because I'm like, I don't need to bring Gia's mind. Gia's preconceived notion into this, because we've all heard a lot of things, and we've all interpreted it in a lot of ways, and so we want to be very crystal clear

00:11:48.000 --> 00:11:55.000

Receiving what comes through without distortion. Now, that doesn't mean we're not going to interpret it differently, and that's okay.

00:11:55.000 --> 00:12:08.000

But I need. I want us to be very open and try to put all our preconceived notions out the door, because when we do that we're more open to receive the fullness of what it is. So if you think about

00:12:08.000 --> 00:12:10.000

If I have

00:12:10.000 --> 00:12:22.000

I have a couple of containers here, okay? I have my oil that I use for my pre session process. I got a water bottle. If this is all I have, it's beautiful. It's glass, it's sturdy.

00:12:22.000 --> 00:12:37.000

But look how teeny this is versus this versus a bathtub, okay? So we want our container to be as open as possible to receive the newness. And if all I'm bringing are preconceived notions, I have a tiny little vessel with which to hold

00:12:37.000 --> 00:12:45.000

So we're going to leave everything at the door. We're going to receive exactly what they want to tell us about it. And

00:12:45.000 --> 00:12:52.000

After that point at which, feel free to cram it back into whatever container you want.

00:12:52.000 --> 00:13:07.000

Please interpret it as you will. I am not, I have no spiritual authority over anyone. I'm simply a messenger who brings things through in my own way. You get to take what I offer and then put it within your framework as you understand. Okay.

00:13:07.000 --> 00:13:10.000

Okay, okay, all right. I'm gonna take a drink.

00:13:10.000 --> 00:13:16.000

I like saying traffic, I'm like, slow down. Okay.

00:13:16.000 --> 00:13:18.000

Okay.

00:13:18.000 --> 00:13:24.000

Here's a new collective. What is this? Who and what is this? It's over here.

00:13:24.000 --> 00:13:39.000

Okay, these are your... these are your guides, like, your actual physical, personal guides. For some of you, this is, like, spirit guides, some of these, they're your loved ones, ancestors. These are... these are your people, and what I'm being shown is

00:13:39.000 --> 00:13:45.000

Sorry, it's just a lot of energy. It's all good. What I'm being shown is they're always around you.

00:13:45.000 --> 00:13:49.000

But in particular, when the moment comes

00:13:49.000 --> 00:13:55.000

They will be there in sort of like a... like a facilitation kind of process.

00:13:55.000 --> 00:13:58.000

They are

00:13:58.000 --> 00:14:06.000

My gosh, I'm oh, somebody chills. I'm seeing. Okay, okay, okay. I'm seeing two images at once.

00:14:06.000 --> 00:14:16.000

I'm seeing the big galactic perspective, where I am seeing every being... oh my gosh, somebody chills... every being in the entire universe, known and unknown universe

00:14:16.000 --> 00:14:28.000

gathered round, cosmically to peer, to watch, to witness, and they're just like, oh my god, oh my god, and they're so excited, and they're like, like, clamoring over each other to get a front-row seat to see, did my candle go out?

00:14:28.000 --> 00:14:31.000

Well, that's interesting.

00:14:31.000 --> 00:14:35.000

Probably when that collective came in and just, like, blew the candle out. Okay.

00:14:35.000 --> 00:14:41.000

They're so excited to witness, and we've all been waiting for this, and this is the moment, and we're getting close.

00:14:41.000 --> 00:14:57.000

And then this other image I see is this collective of our guides, guardians, loved ones, star family, soul family. These are the people you know, and they know you. And and what I'm seeing is images of wherever you are when yes, okay, we're gonna get to the mechanics

00:14:57.000 --> 00:15:12.000

And when and what happens and whatever, but I'm delivering this part

of it first. Okay, so I'm seeing wherever you are when it happens. Say you're in your bed, whatever. It is so stuffed full of people and souls and spirits who love you and are there to not only

00:15:12.000 --> 00:15:18.000

witness... it's like giving birth, absolutely like giving birth, and you can imagine anyone who has ever loved you

00:15:18.000 --> 00:15:26.000

From beyond this human life, from lifetimes we don't remember, from lives in other galaxies, people, our souls knew

00:15:26.000 --> 00:15:43.000

Anyone who has ever loved you is here for this moment and holding your hand, and do you need a washcloth for your brow? And let's open the window, or give this woman something to eat, like, everyone is here, and they are making sure that all of this is under... it's, like, undertaken as

00:15:43.000 --> 00:15:52.000

I'm hearing gently as possible. Because it is a lot. The energy of it is a lot, okay? So

00:15:52.000 --> 00:15:57.000

They wanted you to know that

00:15:57.000 --> 00:16:11.000

When we engage in this kind of solar flash and what's going to happen, and some people have said some pretty scary things about it. A lot of times our mind can go, oh my gosh, what's am I going to survive? Is it going to do this? Is it going to whatever? And they're showing how

00:16:11.000 --> 00:16:19.000

Unbelievably supported we are, not just spiritually and like, rah rah, you're gonna do it, but it's like doctors, hands on bodies

00:16:19.000 --> 00:16:28.000

Okay, okay, okay. I'm seeing that very specifically. It is like hands-on

bodies touching, holding. It's like

00:16:28.000 --> 00:16:36.000

facilitating opening, okay, okay, and I'm seeing very specifically, it's like where they touch you will open a new pathway.

00:16:36.000 --> 00:16:38.000

And all these different

00:16:38.000 --> 00:16:51.000

It's like, it's like facilitating the process both as conduits as well as making sure your body opens, receives processes that it goes through everything you need to go through. Okay, okay.

00:16:51.000 --> 00:16:55.000

And they're saying

00:16:55.000 --> 00:17:02.000

They're saying it's important for you to understand this now because when it comes and when it happens

00:17:02.000 --> 00:17:07.000

It is going to be startling. Your body is going to

00:17:07.000 --> 00:17:09.000

It might be afraid

00:17:09.000 --> 00:17:11.000

because it's intense.

00:17:11.000 --> 00:17:15.000

And so they wanted that right off the bat. Okay, I'm like, hold on.

00:17:15.000 --> 00:17:19.000

They wanted you to know that right off the bat that

00:17:19.000 --> 00:17:28.000

Not only are you going to be okay, but that you are so supported and

this process, nothing is left to chance, nothing is random, nothing is

00:17:28.000 --> 00:17:34.000

Gonna haphazardly crash through. To not be afraid.

00:17:34.000 --> 00:17:38.000

Okay, so I'm going to

00:17:38.000 --> 00:17:51.000

I'm going to ask them to back up a bit because they're barreling right to the moment and we need more context. We need we need the big view, okay?

00:17:51.000 --> 00:17:57.000

Okay, so what? Sorry, we're having a chat.

00:17:57.000 --> 00:18:03.000

Okay.

00:18:03.000 --> 00:18:06.000

Okay, so

00:18:06.000 --> 00:18:11.000

We're going to explain the bigger context of

00:18:11.000 --> 00:18:22.000

Why it's coming, what it's going to do, and we're going to filter all the way down to what the experience will be like and how your body needs to participate. And what it will feel like, what will happen

00:18:22.000 --> 00:18:30.000

I just heard from the peanut gallery. There will be no three days of darkness

00:18:30.000 --> 00:18:31.000

Okay?

00:18:31.000 --> 00:18:41.000

If you don't know what that is, a lot of channelers have had this idea that when it comes, when it happens, there will be three days of darkness afterward.

00:18:41.000 --> 00:18:48.000

And so people have theorized or gone really far into that and imagine like a very dire apocalyptic scenario.

00:18:48.000 --> 00:18:56.000

And this was like a separate voice. This wasn't the collective that I was like wrangling to give us the picture. It was like from the back. They're like, tell them right now.

00:18:56.000 --> 00:19:04.000

I'm hearing none of the apocalyptic scenarios are what you're going to experience. Those were

00:19:04.000 --> 00:19:05.000

Okay, okay.

00:19:05.000 --> 00:19:10.000

there's... they're saying two things. A lot of that was filtered through consciousness

00:19:10.000 --> 00:19:17.000

Maybe they hadn't quite done their shadow work, so there's still a lot of apocalyptic fear. There's still a lot of memories from

00:19:17.000 --> 00:19:34.000

past lives and other experiences where things went south, and they're like, no, but the other thing they're saying is, you know, this has been prophesied for so long, this has kind of been a moving target, and so there have been a lot of variations, a lot of potentials of what was possible, like, all kinds of things.

00:19:34.000 --> 00:19:42.000

And things have changed, because as they've said repeatedly through me, we have gone so far and above, far beyond

00:19:42.000 --> 00:19:58.000

What was expected. There was a hope and then there was a maybe we can get past this and we're like blown out of the water. And so when you have so many more people who are capable and able and ready to anchor this light as it comes, if you didn't

00:19:58.000 --> 00:20:17.000

have enough people to anchor it, it would bounce and ricochet, and it's sort of like lightning striking. Lightning striking can be incredibly disruptive. But imagine lightning striking and going into a complete system of wires and plugs and conduits and I'm not an electrician, an entire system

00:20:17.000 --> 00:20:26.000

When the lightning comes into it, it flows through the entire system and lights up everything it's meant to light up. Big chills on that. That's what this is like.

00:20:26.000 --> 00:20:27.000

So

00:20:27.000 --> 00:20:41.000

Perhaps in the past, there was more potential of, if not enough people are ready, this is going to come and it's just gonna, like, blow up. We are not having that version of this scenario, because we're all here, and we're all ready, and we're prepared to anchor it.

00:20:41.000 --> 00:20:43.000

Okay, okay, is that next? Hold on.

00:20:43.000 --> 00:20:47.000

Everyone wants to know when. I know.

00:20:47.000 --> 00:20:49.000

We're going to

00:20:49.000 --> 00:20:53.000

Like, we're going to settle down on that because I'm going to tell you a couple things. First of all

00:20:53.000 --> 00:20:59.000

When they said this, I was like, of course. They told me to do this series this year

00:20:59.000 --> 00:21:00.000

And

00:21:00.000 --> 00:21:06.000

The July session was the 3D, 5D split, and I was like, Lord, if we're going beyond that

00:21:06.000 --> 00:21:18.000

This has to end. This Ascension series isn't going to go on forever. They're leading us somewhere. At some point, this will culminate. We're not just going to keep healing forever. So I hoped and believed it would come to this

00:21:18.000 --> 00:21:28.000

So on the one hand, it's like, well, inevitably, we were always meant to come to this thing. And the fact that now is we're progressing through the year and they woke me up to say, this is what we're talking about, it is close.

00:21:28.000 --> 00:21:31.000

We're going to

00:21:31.000 --> 00:21:34.000

I'm hearing months, a number of months.

00:21:34.000 --> 00:21:37.000

Variable variability

00:21:37.000 --> 00:21:46.000

Okay, and I'm seeing some political stuff about it will coincide, and there's a lot of different things at play and different events and things

could happen to trigger first

00:21:46.000 --> 00:21:48.000

And so it's kind of like

00:21:48.000 --> 00:22:00.000

We're not beholden to, we're not waiting for, we're not dependent on the physical happenings, but there is a correlation. And those are still kind of like shuffling. It's like, say I have, like, 6 cards

00:22:00.000 --> 00:22:14.000

And I'm turning them over and over and depending on how I shuffle them, which pops first changes like in a tarot reading, the order of them changes the meaning. And so it's kind of like that depending on what happens here, that's going to affect this and this weird little domino. So like still

00:22:14.000 --> 00:22:17.000

We're not going to hang on to when.

00:22:17.000 --> 00:22:26.000

And I, okay, I also need to pause and tell you. From my personal point of this. I am one of those people who was so a thousand percent

00:22:26.000 --> 00:22:31.000

Yes, this is happening. I'm in for, like, years, okay? Almost 10 years now

00:22:31.000 --> 00:22:43.000

But I've been on this journey for so long and I have heard so many channelers and teachers and hypnosis sessions and everyone like, it's coming and we feel it and it's coming, and I have been let down and brokenhearted just like everybody else.

00:22:43.000 --> 00:22:47.000

Maybe not everybody else, but a lot of us are sick of this, okay?

00:22:47.000 --> 00:22:57.000

A lot of us are like, I can't do this anymore. And I reached that point

several years ago. I simply cannot. I simply cannot and I will not. If it happens, great.

00:22:57.000 --> 00:23:04.000

But I can't keep getting excited and get my hopes up and like waiting and watching, and what's gonna happen. I can't do it anymore.

00:23:04.000 --> 00:23:21.000

And no surprise at all, that level of I've had it, I'm not waiting anymore. I can now see in hindsight was exactly what I needed for number one, some deconstruction from those beliefs when I was really wrapped up in those communities. And number two, yeah, I was supposed to stop waiting

00:23:21.000 --> 00:23:28.000

I was supposed to get into the body, get into the world and do more of the work that became the 4AM Club.

00:23:28.000 --> 00:23:35.000

Any of it, watching and waiting, and well, if it comes, if it doesn't, no. Like, we have been supposed to be active participants in this.

00:23:35.000 --> 00:23:38.000

But the reason I'm telling you this is

00:23:38.000 --> 00:23:45.000

You have to know how much of me is like dying inside that I'm even telling you any of this. Okay.

00:23:45.000 --> 00:24:02.000

Because I understand the stakes are high, and I am not a hype person. I am not a person who will give you false hope about certainty that I don't have, and because I have been burnt by this material before the human me is like dying inside, I cannot tell these people this

00:24:02.000 --> 00:24:16.000

I don't want to do this to you, but this is how strong the message, how certain, how absolute this is, okay? And so, notwithstanding that, this is

your discernment, I'm just telling you what they're telling me

00:24:16.000 --> 00:24:31.000

Don't hate me if it happens in five months and not. I don't know, okay? Whistleblower's like, we can handle it. Okay. I just want to be always as ethical as I possibly can and honest with you that like I am not

00:24:31.000 --> 00:24:38.000

Blowing up your skirt over this, okay? I am... the human me is dying inside. But

00:24:38.000 --> 00:24:51.000

I'm here as a messenger, not as a human. Okay, so everything I tell you is not coming because I have given my life away to it has to happen or else. It is that spirit is like, sit your butt in that sea and tell them.

00:24:51.000 --> 00:24:53.000

Okay, now that we've gotten that out of the way

00:24:53.000 --> 00:24:59.000

I'm going to take a drink and we'll dive back in.

00:24:59.000 --> 00:25:04.000

Yes, okay, okay, okay. They're like

00:25:04.000 --> 00:25:08.000

It's this very sweet image of, like, patting my hand

00:25:08.000 --> 00:25:20.000

You're done good, girl. Like, they know... it's not just about me, it's about all of us, and they understand, and they're not here, big heart energy, they're not here to give us more false hope. They wouldn't be here if it wasn't

00:25:20.000 --> 00:25:26.000

real, and if it wasn't near. And they have just so much like

00:25:26.000 --> 00:25:29.000

Empathy and tenderness and sweetness.

00:25:29.000 --> 00:25:37.000

And they're calling to us to open back up to the part of us that is willing to believe

00:25:37.000 --> 00:25:53.000

They're saying the skepticism, the doubt was a necessary part for many of you. Being let down was a necessary part for many of you to detach from the external expectations, to detach from what might have been distortion, to allow yourself to be neutral in this space of it. And now is the time to resurrect the hope

00:25:53.000 --> 00:25:59.000

Now is the time to be fully open, fully ready, fully aware, and prepared. Okay, okay

00:25:59.000 --> 00:26:01.000

And

00:26:01.000 --> 00:26:05.000

There is going to be, excuse me.

00:26:05.000 --> 00:26:07.000

Okay.

00:26:07.000 --> 00:26:10.000

They're saying

00:26:10.000 --> 00:26:17.000

Don't wait for political. We're all going to watch, okay? Because I know I came out here and I said, hey, I have a feeling

00:26:17.000 --> 00:26:29.000

That when it happens, whether the orange man is removed or dies or whatever happens, that's going to be the trigger event. And I do believe that, but what they're saying with, you know, the cards and the shuffling is they're like

00:26:29.000 --> 00:26:35.000

Do not look to political events to gauge your timing. You will feel it, okay?

00:26:35.000 --> 00:26:39.000

You will feel the building.

00:26:39.000 --> 00:26:41.000

They're saying over several days.

00:26:41.000 --> 00:26:48.000

And I don't know how many of you feel that, but I feel it right now. It's in the heart. It feels like kid at Christmas

00:26:48.000 --> 00:26:53.000

can't sleep. Something really exciting is going to happen tomorrow. It's like that kind of feeling.

00:26:53.000 --> 00:27:04.000

that I usually fill in my... in my, you know, butterflies in the tummy, but I feel it in my chest and my heart center. And for some of you, it will feel like anxiety. For some of you, it will feel like doom

00:27:04.000 --> 00:27:10.000

a fluttery thing, some might worry Elizabeth anticipate

00:27:10.000 --> 00:27:13.000

He should. Exactly.

00:27:13.000 --> 00:27:20.000

We feel it building, and I felt it the morning after just a couple days ago, where I received that vision.

00:27:20.000 --> 00:27:22.000

Of the second son.

00:27:22.000 --> 00:27:31.000

I felt it and they were giving me that sensation of what it will be like inside so that we recognize it

00:27:31.000 --> 00:27:34.000

Okay, okay, okay.

00:27:34.000 --> 00:27:39.000

They are saying there will be significant chaos politically.

00:27:39.000 --> 00:27:42.000

that will precipitate it

00:27:42.000 --> 00:27:47.000

And I'm getting this image of a tornado, and it's okay

00:27:47.000 --> 00:27:51.000

It's sort of like

00:27:51.000 --> 00:27:57.000

Kind of a funny thing. This is how I clean up spider webs from my porch. Okay, I grab a stick

00:27:57.000 --> 00:28:12.000

and I twirl it in the web, and then I use the sticky from that to go and get all the other things, and the leaves, and the dead bugs and everything. It's that kind of a tornado where both it is whirling and swirling and kicking everything up

00:28:12.000 --> 00:28:18.000

So that it may pick up every last thing that is light unto it.

00:28:18.000 --> 00:28:22.000

So there's going to be a lot of

00:28:22.000 --> 00:28:42.000

Okay, yep, yep. Okay. They're taking me back into my what's coming next series. Those of you who've been here a long time before I did the Signal Fire series last year, it was called What's coming next and it was

all political, politically focused, not explicitly ascension focused. They're pointing me back to what they've already shown me, and that's part of the reason I retired the series in December because

00:28:42.000 --> 00:28:47.000

They said, we've told you everything, there's nothing left to tell you.

00:28:47.000 --> 00:28:58.000

Because we got all the highlights, we got all of how it's going to go down. But again, it's a matter of what happens when, in what order. Okay, because they're showing me the orange band is so physically ill.

00:28:58.000 --> 00:29:14.000

He's been propped up for a long time, both physically by doctors and people on this earth and energetically because the mission wasn't complete. That terrible galvanizing force was not complete yet. This isn't over yet. But he's dying so quickly

00:29:14.000 --> 00:29:22.000

And if he does something really dramatic on camera, you know, he falls, he has another stroke, something. That's going to blow things up immediately

00:29:22.000 --> 00:29:26.000

And not, like, in a bad way, but it's just the shuffle of cards. Okay?

00:29:26.000 --> 00:29:43.000

So yeah, midterm hearing midterms, midterms, midterms. Oh, big chills. Okay, okay, okay. And they're showing me the video I made a couple weeks ago where I did kind of gather up the main things from what's coming next. And I said, I think I know exactly what's going to happen

00:29:43.000 --> 00:29:53.000

Everything the 4AM Club, not just myself, but all the Mystics and Seers who have been seeing this for almost two years cannot believe it's been two years

00:29:53.000 --> 00:29:57.000

All of those things we saw that would happen are going to happen around the midterms.

00:29:57.000 --> 00:30:15.000

We're going to know of election interference. They're going to try stuff this time. They're going to refuse to certify certain candidates. They're going to refuse to turn over power. They're going to mount legal challenges. They're just going to do every single thing in their power to not hand over. And that will be sort of this final straw kind of

00:30:15.000 --> 00:30:19.000

Energy. And I have been shown

00:30:19.000 --> 00:30:34.000

a very specific J6-like event, but I was shown it's his people, his former people, Maga red hats so sick of it at their last wit, and I because they only have one wit, but a bunching. Okay

00:30:34.000 --> 00:30:37.000

So it's

00:30:37.000 --> 00:30:53.000

I never knew if this was metaphorical or literal, but I'm being told, prepare for anything and everything, okay? It could get so messy. Okay, and I'm hearing no martial law. When I say chaotic, ugly, messy, I want no one to be afraid.

00:30:53.000 --> 00:31:08.000

Let people who feel compelled to act a fool act a fool. Go for it. But those of us who know will know this is the final unraveling. And as much as they're going to try to hold on to power, they will not hold on to power. They will not be able to, and it will ultimately culminate in

00:31:08.000 --> 00:31:18.000

a physical removal. I'm seeing it again, I'm seeing the military in the White House, I'm seeing, like, flash bombs and smoke, and I'm seeing it, okay?

00:31:18.000 --> 00:31:29.000

And I'm asking, because Lord, we've been through a lot. Again, we've seen so much and we hope so much. Is this literal spirit? Is it metaphorical? I'm going to be loose with it and I'm going to say

00:31:29.000 --> 00:31:36.000

It's probably both, but also to have no fear that they will not stay, okay?

00:31:36.000 --> 00:31:41.000

They're saying enjoy print your bingo cards is basically what they're saying.

00:31:41.000 --> 00:31:44.000

Print your bingo cards

00:31:44.000 --> 00:31:56.000

A lot of things that you've already seen will absolutely happen, literally some wildcard stuff is going to happen. Let it be exciting. It's going to kind of be horrifying and you're going to be enraged at a new level. Fine.

00:31:56.000 --> 00:32:04.000

But the end result is the end result always and forever because the people have outgrown the system and there was no possible way that it could ever stay intact.

00:32:04.000 --> 00:32:13.000

The energetics, the spirituality, the consciousness, the intellect, the way the human heart has changed, they... humans have outgrown the system so long ago.

00:32:13.000 --> 00:32:18.000

It was never meant to last, it will end, no matter what happens. Okay

00:32:18.000 --> 00:32:27.000

This is that proverbial time in the fairy tale where they say no matter what happens, don't open your eyes. Don't look. It's okay. Okay, okay, okay.

00:32:27.000 --> 00:32:31.000

So that's the chaos surrounding it

00:32:31.000 --> 00:32:35.000

And those of us who were very sensitive will feel

00:32:35.000 --> 00:32:47.000

Paradoxically, while so many people, especially those who have just, like, not been paying attention and have no idea what's going on, wildly asleep, they're gonna be the ones who are going to be shocked and horrified and afraid.

00:32:47.000 --> 00:32:58.000

We can feel that chaos. We might have our own anxiety, fine, but many of us will also simultaneously feel the budding excitement and the giddiness and

00:32:58.000 --> 00:33:12.000

the love... it's love. It's gonna feel like love, and it might feel weird when everyone around you is going like, what's gonna happen? Like, we are just gonna... it's not even excitement over, here comes, pop your popcorn, it's we're feeling the divine love

00:33:12.000 --> 00:33:17.000

And it is that Care Bear stare, and what I'm very specifically saying is the energy from behind us

00:33:17.000 --> 00:33:27.000

coming to us to reject it, to be projected through. And okay, and they're going back to this team, the team, our special teams

00:33:27.000 --> 00:33:37.000

are going to be around us managing our bodies and managing our energy so that we don't let go of it too soon. This is really interesting. It's like we're the ones being charged up.

00:33:37.000 --> 00:33:46.000

And we're gonna fill it building in our bodies, and we're gonna feel like

we're crawling out of our skin. It's so much, oh my gosh, and they're here also to make sure that it doesn't

00:33:46.000 --> 00:33:49.000

You know, go until the final

00:33:49.000 --> 00:33:59.000

moment. But once it, because once it starts, it will not be held back. Okay, very exciting.

00:33:59.000 --> 00:34:02.000

Okay, they're saying

00:34:02.000 --> 00:34:04.000

The political chaos

00:34:04.000 --> 00:34:07.000

Because how

00:34:07.000 --> 00:34:12.000

How many chances have the asleep people been given? Okay

00:34:12.000 --> 00:34:23.000

A lot, a lot, a lot, a lot of chances, and I mean, politically asleep and spiritually asleep and all the things, rejecting their karma, they're rejecting their trauma and their shadow, like

00:34:23.000 --> 00:34:28.000

So what has to happen is a very dramatic cracking

00:34:28.000 --> 00:34:30.000

are saying, unfortunately

00:34:30.000 --> 00:34:32.000

It is what it is.

00:34:32.000 --> 00:34:41.000

a very dramatic cracking is going to be required for those people who

are still so rigidly asleep and afraid and angry.

00:34:41.000 --> 00:34:45.000

Because the opportunity is coming for all

00:34:45.000 --> 00:34:54.000

This is a divine opportunity for all. Yes, even the hateful ones. There are no evil souls. There are no hateful souls.

00:34:54.000 --> 00:35:04.000

They've been given so many chances, and this isn't about, well, you should have done your homework. This is about needing the vessel to crack so it can receive.

00:35:04.000 --> 00:35:16.000

So so much of this chaos. I'm seeing a lot of video of the Trumpers ripping their stickers off their cars when they get to the gas pump like

00:35:16.000 --> 00:35:30.000

It's dumb that that's the thing that did it, sure, but it's the thing that did it. And so when we think of it of their physical vessel needs to crack to receive the light, that's why this has to get really bad, really intense, and it has to hit those people where it hurts.

00:35:30.000 --> 00:35:34.000

It's a divine hurt. I'm sorry. We understand here.

00:35:34.000 --> 00:35:40.000

We have to crack them open because

00:35:40.000 --> 00:35:55.000

Oh, okay, okay, okay. They're showing me. They're showing me back at the 3D, 5D split. And those of you who are just joining here and haven't really been following the Signal Fire, they told me in the middle of June, it was just before my birthday, my birthday is the 17th

00:35:55.000 --> 00:35:58.000

They told me that

00:35:58.000 --> 00:36:14.000

The 3D 5D split has already happened. We're already on the other side of it, and I've done a number of videos about this. I'm not going to belabor the point, but the entire July Signal Fire session was about living on the other side. So that's the context of what they just showed me when I got all excited. They showed me that

00:36:14.000 --> 00:36:17.000

Everyone who is here now

00:36:17.000 --> 00:36:30.000

Okay, okay, yep, they're saying everyone who is here now has already made it on the other side and has chosen to ascend. Do not judge their journey. Those who are playing the role of the villain

00:36:30.000 --> 00:36:33.000

Will stay in their role of villainy to the end.

00:36:33.000 --> 00:36:40.000

But the masses of humanity have already chosen. Everyone we're seeing here has already chosen.

00:36:40.000 --> 00:36:42.000

And so

00:36:42.000 --> 00:36:47.000

There is no potential of they're not going to make it.

00:36:47.000 --> 00:36:55.000

But their journey is going to look a lot different from people who have been awake and aware for so long. And so that's kind of why we're getting to the end of

00:36:55.000 --> 00:37:02.000

All right, beat them over the head, crack it. One last time because it's coming, it's got to get in. Okay.

00:37:02.000 --> 00:37:11.000

All right, I'm gonna take a drink here and pause.

00:37:11.000 --> 00:37:14.000

I'm asking

00:37:14.000 --> 00:37:19.000

Because they said like none of the fearful apocalyptic stuff is going to happen

00:37:19.000 --> 00:37:27.000

So then you're also telling me all this chaos is going to happen. So I'm sure a lot of people will have questions about

00:37:27.000 --> 00:37:31.000

Do I need to have food prepared? Do I like, what do I need?

00:37:31.000 --> 00:37:43.000

And they're not showing me, excuse me. Hold on.

00:37:43.000 --> 00:37:54.000

They're not showing me anything like we're going to have to hunker down for days at a time. But they are showing me like, think of what you wished you would have had before the pandemic.

00:37:54.000 --> 00:38:06.000

Nobody died. Okay, sorry, sorry, I misspoke. Of course, I am not a COVID deniter. It was a horrific thing. What I meant was those of us who sheltered at home, the sheltering at home

00:38:06.000 --> 00:38:12.000

Nobody... we didn't die because we were sequestered at home. That's what I meant. Okay, Lord, forgive me.

00:38:12.000 --> 00:38:28.000

It was uncomfortable and maybe some of us didn't have toilet paper or other things, but it wasn't a great catastrophe. So they're just saying like, if any part of you feels anxious, just have some things. What did

you wish you would have had? Just have it that way you'll feel better and you won't be constantly stressing

00:38:28.000 --> 00:38:34.000

But they're not showing me any sort of like

00:38:34.000 --> 00:38:39.000

Okay, okay. They're saying there will be people

00:38:39.000 --> 00:38:40.000

After

00:38:40.000 --> 00:38:42.000

who freak out

00:38:42.000 --> 00:38:48.000

Because their programming of the rapture or whatever else is going to

00:38:48.000 --> 00:38:50.000

kind of explode

00:38:50.000 --> 00:38:56.000

So after it's over, some people are going to really freak out and they're going to run and buy gas and they're going to think this is it.

00:38:56.000 --> 00:39:09.000

It's gonna happen after, but those of us who already know what it is are just gonna be get... okay, we will get to it, giddy and enjoy, and all the things, and we'll sort of laugh at the fact that, bless your heart, stop buying toilet paper, it's fine.

00:39:09.000 --> 00:39:25.000

It will settle down very soon, but they're saying any sort of panic that's going to happen is going to happen after, and by the people who just truly have no reference for what the has happened, and they go to the apocalyptic space, okay? So

00:39:25.000 --> 00:39:28.000

Okay, okay.

00:39:28.000 --> 00:39:38.000

Those of us who know, those of us who have been emotionally and spiritually prepared will have no fear, not before, not after, but in case

00:39:38.000 --> 00:39:42.000

Do what you wish you would have had for COVID, and we're good. Okay

00:39:42.000 --> 00:39:45.000

Okay.

00:39:45.000 --> 00:39:49.000

Okay, and they're showing me at some point

00:39:49.000 --> 00:40:00.000

They're going to be freaking out and running around and doing all the things and they're going to like stop and look around and realize why is nobody else freaking out? This will not be the majority of people.

00:40:00.000 --> 00:40:11.000

Why is nobody else freaking out? What is happening here? So this isn't going to be like a huge chaotic, catastrophic thing. Okay

00:40:11.000 --> 00:40:17.000

Okay. I'm asking, what other context do we need before we get into

00:40:17.000 --> 00:40:27.000

What does it feel like? What do we do? Because when they... when they woke me in the night with that vision a few days ago, as I said in my videos and my email.

00:40:27.000 --> 00:40:31.000

This huge cascade of information about preparing the physical body. That will be the bulk of what I tell you

00:40:31.000 --> 00:40:40.000

And they're like, you have been so overly prepared for this, Gia, like,

because I was like, why don't I tell them? I don't know, you're gonna have to tell me, and they kind of laughed at me, and they're like, honey

00:40:40.000 --> 00:40:49.000

You have been teaching already, so we're going to get into that. Is there any... I'm gonna take a drink. I'm like, is there anything else before that?

00:40:49.000 --> 00:40:51.000

Hmm

00:40:51.000 --> 00:40:57.000

Okay, for you guys, let's pause and do some questions right now.

00:40:57.000 --> 00:41:00.000

Questions about what they've just said.

00:41:00.000 --> 00:41:11.000

Not necessarily new territory, because they're going to take us some places, but questions about what I've just said. Anything I can clarify, or maybe I contradicted myself, something like that

00:41:11.000 --> 00:41:18.000

Because I want to make sure we kind of understand, I realized it was very much they gave us scaffolding. We don't have the whole building.

00:41:18.000 --> 00:41:29.000

So that's fine. They're probably not going to give us all the specifics, but just so that I make sure we're all kind of like up to speed on the same page, are we good? Does that make sense?

00:41:29.000 --> 00:41:40.000

When will the ascension wave sickness stop? Okay, that's what we're going to get into because yeah, our bodies are feeling it and it's the friggin worst. It will stop when that

00:41:40.000 --> 00:41:46.000

Completes and we'll get into that because it's a whole physiological process.

00:41:46.000 --> 00:41:51.000

Okay, let's see.

00:41:51.000 --> 00:41:54.000

Excuse me

00:41:54.000 --> 00:41:59.000

Okay, excellent question. Anya says, will this be happening in Europe as well? Yes, this will happen all over the world.

00:41:59.000 --> 00:42:02.000

Which means

00:42:02.000 --> 00:42:08.000

Some of the world will be dead asleep in the middle of the night. Some of us will not

00:42:08.000 --> 00:42:17.000

see and know in the moment as much as others who are awake in the middle of the day. But it will be bright... they're showing me it will be bright enough. It's moment... okay, okay, okay.

00:42:17.000 --> 00:42:22.000

They're saying the flash itself. Okay.

00:42:22.000 --> 00:42:24.000

We'll get into the mechanics of it, but briefly

00:42:24.000 --> 00:42:28.000

They're saying it will be a visible flash

00:42:28.000 --> 00:42:40.000

And everyone will see it. And that's why people will freak out. The biblical types will freak out and go, it's Jesus, he's here and it's the rapture because we will see it. But it will not be so big and dramatic

00:42:40.000 --> 00:42:52.000

That there will be plenty of people who were like, oh, settle down. It's science. Like it's going to be big and dramatic and noticeable. But I don't think we're going to have like a world stopper of a

00:42:52.000 --> 00:43:10.000

Everyone panicked because it was too bizarre. Does that make sense? Somewhere in the middle of, this is the greatest miracle that has ever happened, but also, the skeptics will be like, yeah, the sun lets off flares all the time, that was cool, but it's fine. It's gonna be somewhere in there. So I think we are still gonna get a lot of people after the fact who don't think that it happened

00:43:10.000 --> 00:43:23.000

Because they're not attuned to it, they didn't feel it, and they're gonna lean heavily on the scientific. Whereas others of us are going to be totally convinced, and it's going to be amazing. Okay.

00:43:23.000 --> 00:43:42.000

What if you don't feel it? Lucky you, but actually I think we all will and we're going to get into that. Okay. Because just because you didn't feel it doesn't mean it isn't happening. Certain bodies are much more sensitive and certain bodies are much more complicated. And so it will feel different to different people. So we'll get into that part

00:43:42.000 --> 00:43:47.000

Okay, I'm kind of scrolling through.

00:43:47.000 --> 00:44:03.000

Yeah, Kathy says, I live in the middle of MAGA land and can't imagine that the panic won't be pervasive. It's kind of what I see is like certain pockets where certain mindsets are. They're going to kind of rile themselves up, but not everywhere. I just kind of had this flash of like Portland's going to be fine

00:44:03.000 --> 00:44:19.000

Like certain places are going to be like, they're going to settle down, but other places, I'm in Utah, imagine the Mormon end of the world is going to be that panic is going to be huge. Okay

00:44:19.000 --> 00:44:27.000

going through to kind of get the basic

00:44:27.000 --> 00:44:40.000

Okay, this is great. This gives me a lay of the land. I'm sorry for those of you who are watching in silence

00:44:40.000 --> 00:44:42.000

Okay.

00:44:42.000 --> 00:44:45.000

So there's a couple of different trends here

00:44:45.000 --> 00:44:55.000

Where we still have some questions on the physical body, we have some questions on the actual sun and the physics, the mechanics of it, how to help our bodies

00:44:55.000 --> 00:45:06.000

What's going to happen physically, politically afterward, and how we help other people. So these are excellent kind of, like, guiding directions we can go. And some of these I can answer right off the bat. So

00:45:06.000 --> 00:45:18.000

It will be after, according to my understanding, it will be after this event that the change happens here. The slope, because what Spirit has shown me is there will be a lot of immediate stuff

00:45:18.000 --> 00:45:35.000

And then the change will roll slowly out. This will be a period of rebirth for America. And that was a lot of what my work through What's Coming Next, that series, showed, and I have a whole... if you really want to dive into it, I made a bundle of just the sessions that really talked about the rebuilding. It's called, Vision for a New America

00:45:35.000 --> 00:45:42.000

Yes, the files will be revealed. Yes, the corruption will be revealed. Yes,

we're going to get all of the truth.

00:45:42.000 --> 00:45:49.000

Probably not at once, because humans have to metabolize it, so it's going to be coming more and more and more and more until eventually it will all completely be out

00:45:49.000 --> 00:45:54.000

So this doesn't happen instantaneously. This happens as

00:45:54.000 --> 00:46:03.000

Okay, we'll get into that too. What this is, full awakening, how full are we talking here? Do we suddenly remember being alien? Like, there's a lot of questions. We'll get into it. Okay.

00:46:03.000 --> 00:46:08.000

But how this affects physically is the masses will be awakened

00:46:08.000 --> 00:46:10.000

To varying degrees.

00:46:10.000 --> 00:46:20.000

And so it will be so obvious. Well, we have to change that. Well, that's gotta go in addition to we will have just ended

00:46:20.000 --> 00:46:36.000

this horrific regime and all of that. So clearly we have to rebuild. So all of that will be the era, okay? I want you to think of it as an era. It's not going to be instantaneous. We got to rebuild, and it will be beautiful and expansive and joyful, and I've channeled so much about that, and I want you to be so excited

00:46:36.000 --> 00:46:41.000

So don't be disheartened if certain things don't happen immediately, okay? Because it's going to be a while.

00:46:41.000 --> 00:46:47.000

So let's see, helping other people who are freaked out will be a part of it.

00:46:47.000 --> 00:47:00.000

But only people in your immediate world, okay? We will become much more. This is going to be really beautiful for those of us who have been the black sheep, the weirdos, our families don't get us. They judge us.

00:47:00.000 --> 00:47:03.000

They're going to suddenly be turning to us

00:47:03.000 --> 00:47:20.000

What's happening? What's going on? And we'll be like, our time has come. We get... they're gonna be so receptive, so receptive, and it will just be such a beautiful time of us stepping into the fullness of our wisdom. I will help you, let me tell you

00:47:20.000 --> 00:47:29.000

And so since some of the people will just begin their awakening right now, there will also be a beautiful era of

00:47:29.000 --> 00:47:46.000

The lightworkers will finally have their due. All of you who have lightworker type businesses, healers, practitioners, all these types of things, you will be so in demand and so busy as people are just beginning what we have taken years to do

00:47:46.000 --> 00:47:52.000

So as much as this will be instantaneous, what it really does is begin a new era.

00:47:52.000 --> 00:47:56.000

And there will be time. It will unfold over time. Okay, okay. But

00:47:56.000 --> 00:47:59.000

That's for the people who are just beginning.

00:47:59.000 --> 00:48:04.000

This is their starting gun. But for us it's going to be

00:48:04.000 --> 00:48:16.000

It's not a completion. It's a completion of our era of awakening. That era may have been 30 years for you. May have been 10, whatever it is. But it's a completion of our era of awakening.

00:48:16.000 --> 00:48:29.000

And those of us who've been doing all this, when we receive it, we're catapulted to a whole new octave. Meanwhile, other people are just barely waking up and are going to go through their journey. So this is not going to affect people unilaterally

00:48:29.000 --> 00:48:44.000

It's not going to have the same effect on every single person. It's going to affect lots of people very, very differently, depending on their level of awareness, awakening, how resistant they have been to things, just the programming they still have

00:48:44.000 --> 00:48:47.000

it's gonna do a lot of different things for a lot of people.

00:48:47.000 --> 00:48:56.000

And so that's part of... they're saying that's part of why so many of you have been prepared over so many years, because it's been very lonely for us

00:48:56.000 --> 00:49:02.000

Feeling like, I always say the only lonely weirdo screaming into the void.

00:49:02.000 --> 00:49:06.000

Suddenly, we're going to become very popular, unless you don't want to be. But

00:49:06.000 --> 00:49:13.000

We will be the leaders. Our friends, our family, our coworkers are gonna flock to us

00:49:13.000 --> 00:49:18.000

And we get to share and teach and lead and ignite, and it's going to be

this beautiful time of that

00:49:18.000 --> 00:49:20.000

Okay, so

00:49:20.000 --> 00:49:37.000

Those are kind of the main areas we're going to go. I usually go two hours. We're almost one hour into it. If I have to go over, I'm going to go over y'all. I'm sure you're fine with that. Hopefully you're fine with that because I want to make sure we get everything. This might be a monster session because as I'm going through just the basic questions, I'm

00:49:37.000 --> 00:49:40.000

We got a lot to deal with. Okay.

00:49:40.000 --> 00:49:46.000

Okay, so who will control the narrative? That's such a great question.

00:49:46.000 --> 00:50:02.000

It will not be controlled. People will choose what they want to believe, but ultimately the experience will speak for itself. And the truth will weave together as a tapestry to bring us to exactly the right understanding that we need because so many people

00:50:02.000 --> 00:50:14.000

will be so profoundly affected by the experience, even those who prefer to believe it as science will eventually be no longer able to deny that it is a spiritual awakening.

00:50:14.000 --> 00:50:21.000

Far more people than we presently understand are already awakened and thus will be catapulted

00:50:21.000 --> 00:50:31.000

through to the next level, and the joy and awakening and expansion will be that unlike anything you have ever experienced. Okay, so

00:50:31.000 --> 00:50:35.000

We're going to go into that part of things. Let's let's go to

00:50:35.000 --> 00:50:38.000

Let's go to the part of

00:50:38.000 --> 00:50:55.000

What leads up to it, not politically, we've covered that. We're going to leave all that aside unless they want to drop something in. Let's go to us and what we will experience, what it will look like, what it will feel like, and we're going to let him bring through any insight as to what we need to do

00:50:55.000 --> 00:51:02.000

And then we're going to go through what it will feel like. What will happen after, what our lives will be like after.

00:51:02.000 --> 00:51:04.000

Because

00:51:04.000 --> 00:51:08.000

like I said, there's a lot of

00:51:08.000 --> 00:51:12.000

There's just a whole wide range of what people have said about this time.

00:51:12.000 --> 00:51:22.000

So we're going to see what they want to share with us about that. So I'm going to take a drink and we'll start there.

00:51:22.000 --> 00:51:24.000

Okay.

00:51:24.000 --> 00:51:28.000

So

00:51:28.000 --> 00:51:30.000

The chaos out there will get louder

00:51:30.000 --> 00:51:36.000

The chaos will chaos. It will do what it's gonna do. Simultaneously, those of us who are more in tune

00:51:36.000 --> 00:51:55.000

We'll feel the rising, the anxiety, the anticipation, the tingles. Some of us may have flare-ups of chronic conditions. This is the body that's already feeling and registering what is building, and that's what they told me the other night in my vision. The great central sun is preparing a charge of irradiated light

00:51:55.000 --> 00:52:00.000

And I will ask them to explain that, because depending on how you interpret that, that's a lot.

00:52:00.000 --> 00:52:03.000

We're going to feel it building

00:52:03.000 --> 00:52:10.000

And it will both be, I mean, everyone will feel it slightly differently, but how I've already felt it when they're showing me is

00:52:10.000 --> 00:52:14.000

Both anticipation, joy

00:52:14.000 --> 00:52:27.000

Crawling out of my skin. So much energy, like edgy, antsy, ants in the pants. It's just a lot. Like, if you're walking outside in an electrical storm, it's just like, oh my god, it's a lot.

00:52:27.000 --> 00:52:29.000

So

00:52:29.000 --> 00:52:32.000

We will feel that building

00:52:32.000 --> 00:52:36.000

Okay, okay, okay.

00:52:36.000 --> 00:52:39.000

They're leading me up to

00:52:39.000 --> 00:52:44.000

The actual hours of it.

00:52:44.000 --> 00:52:47.000

Okay.

00:52:47.000 --> 00:52:54.000

I'm going to see if they want to channel this or if I'm just going to go through it.

00:52:54.000 --> 00:53:00.000

So they're showing that in the hours before, some will receive very explicit messages

00:53:00.000 --> 00:53:16.000

I'm assuming they're going to tell me so I can tell you, but I'm sure anyone with some sort of intuitive something is going to feel or know and they said this is where our teams, those people who were all filling the room with us, are going to be very, very

00:53:16.000 --> 00:53:28.000

clear with you. Those of you who maybe don't consider yourself as intuitive or psychic, you're going to be hearing and seeing and knowing and you might suddenly feel like

00:53:28.000 --> 00:53:41.000

I'm not going to go out to dinner tonight. I just feel like staying home. Like you might we're all going to be directed to be exactly where we need to be at the right moment in time because it will affect different people differently.

00:53:41.000 --> 00:53:44.000

Okay.

00:53:44.000 --> 00:53:48.000

But we will know, we will not be caught unprepared.

00:53:48.000 --> 00:53:51.000

In one way or another, we will know.

00:53:51.000 --> 00:54:03.000

And we will know in multiple ways because they're like, we are not leaving this up to chance. We're not going to leave you hanging. We're going to do everything in our power to make sure that you know so that you are prepared and you feel safe.

00:54:03.000 --> 00:54:08.000

Mostly

00:54:08.000 --> 00:54:15.000

It's sort of like when the animals know to go underground long before a storm comes. We will just know.

00:54:15.000 --> 00:54:21.000

And so

00:54:21.000 --> 00:54:24.000

Many of you will be put to sleep.

00:54:24.000 --> 00:54:28.000

Many of you will feel suddenly tired, suddenly exhausted

00:54:28.000 --> 00:54:29.000

You will be put to sleep

00:54:29.000 --> 00:54:46.000

Many of you will be awake. Many of you will be awake and called to assist those around you. Many of you will be hyper aware. And everywhere in between. So there is no one way to prepare or experience. And that's hence why our guides and our teams are all

going to be around us

00:54:46.000 --> 00:54:52.000

You will all be exactly where you need to be, doing what you need to do.
So if anyone's like

00:54:52.000 --> 00:55:03.000

Getting on a plane, you know, I'm supposed to be like, we're not having any fear at all whatsoever, okay? However, okay, okay, okay. And they're showing me that this is the Time Lords again. They're showing me

00:55:03.000 --> 00:55:13.000

Even though we're all experiencing it at the same time in physical time, we're not really. So not to break your brain a little bit, but in the whole timey wimey bendy

00:55:13.000 --> 00:55:17.000

Side quest time loop way.

00:55:17.000 --> 00:55:19.000

Say I had a trip planned

00:55:19.000 --> 00:55:36.000

Spirit will make sure that I'm home by the time. Like, you know what I mean? Like they're just basically saying Don't worry about you, don't worry about your family. Don't worry about any of it like this is so cosmic and overseen. There's no way to mess it up. You'll be exactly where you need to be.

00:55:36.000 --> 00:55:40.000

It will feel, okay, okay, okay. Yes.

00:55:40.000 --> 00:55:46.000

Hold on.

00:55:46.000 --> 00:55:52.000

Okay, so they want me to tell about my experience

00:55:52.000 --> 00:55:57.000

Because I have... Yep, they're saying I've already been through it.

00:55:57.000 --> 00:56:00.000

And I'm like double checking.

00:56:00.000 --> 00:56:03.000

I always like to give them, are you sure about that? Yeah.

00:56:03.000 --> 00:56:10.000

And I knew, I don't know why I'm arguing with him. I knew. And I've told many of you about this. So I'm going to repeat it

00:56:10.000 --> 00:56:15.000

in the detail that is necessary to communicate what it felt like

00:56:15.000 --> 00:56:30.000

Because I began my work with the energy waves in 2017, as I've spoken of. When they woke me in the night and told me I am called to anchor a new light. And through me, the planet would shift and rise. And I knew I wasn't the only one, but I knew I was early

00:56:30.000 --> 00:56:38.000

Certainly not everyone. And thus began a process of physiological reordering and learning to

00:56:38.000 --> 00:56:49.000

Process and anchor these waves. And a lot of times when this would happen, I would feel my guides around and I felt like I was in

00:56:49.000 --> 00:56:51.000

you know, like a surgical theater

00:56:51.000 --> 00:56:58.000

They're watching my body to see what it would do. I was kind of a guinea pig in a lot of ways. Those of us who've been doing it early

00:56:58.000 --> 00:57:15.000

They've been like blasting us with stuff to see what the body would do, and then they've been adjusting. Okay, so that's partly why this has gone on and been so protracted for so long, and I think why maybe early channelers or people in that lineage may have perceived it as

00:57:15.000 --> 00:57:19.000

Catastrophic to the body and some might not make it

00:57:19.000 --> 00:57:31.000

Because even after seven years of being prepared for this, when the final culmination event happened, it was very, very intense. I'm not going to sugarcoat this for you.

00:57:31.000 --> 00:57:35.000

I'm checking with them what's appropriate to say

00:57:35.000 --> 00:57:37.000

Okay.

00:57:37.000 --> 00:57:40.000

I'm going to tell you straight up.

00:57:40.000 --> 00:57:43.000

Some of you will think you are dying.

00:57:43.000 --> 00:57:49.000

And I am not telling you this to scare you. I'm telling you this to bring you comfort.

00:57:49.000 --> 00:57:55.000

And when I explain what I was going through, you'll understand why I said that.

00:57:55.000 --> 00:58:10.000

Some of you may have been feeling the energy waves. Because as I've started talking about them and when big ones come in and I post about it, I get hundreds of comments. Some of you are already feeling what this feels like. And this is your body. It's sort of like they're preparing the

channels.

00:58:10.000 --> 00:58:15.000

To make sure that you'll be able to receive it in the way you need to receive it

00:58:15.000 --> 00:58:18.000

What it felt like was

00:58:18.000 --> 00:58:22.000

First, just complete exhaustion.

00:58:22.000 --> 00:58:30.000

That bone tired, I have to lay down or I'm going to collapse. So that's what I mean by if you need to lay down, you'll lay down. You will know.

00:58:30.000 --> 00:58:33.000

So moving yourself

00:58:33.000 --> 00:58:36.000

Just needing to

00:58:36.000 --> 00:58:41.000

Lie down, rest, be in a space where you can receive it.

00:58:41.000 --> 00:58:45.000

First, it felt like an expansion in the heart

00:58:45.000 --> 00:58:46.000

And

00:58:46.000 --> 00:58:53.000

For some people, you might feel like you're having a heart attack.

00:58:53.000 --> 00:58:58.000

You might feel like you're having a lung, something wrong with your lungs.

00:58:58.000 --> 00:59:08.000

Because it will be... it's a... it feels like both a pressure and an opening, a bursting at the same time. And I'm choosing my words very carefully

00:59:08.000 --> 00:59:18.000

because I do not want anyone to be actually having a heart attack and saying, Don't call 911 Gia said. It's not a heart attack.

00:59:18.000 --> 00:59:22.000

Please, spirit, picture people who need help will get help.

00:59:22.000 --> 00:59:26.000

That's why I'm like, oh, the responsibility of all these people. Okay.

00:59:26.000 --> 00:59:30.000

We're all responsible for ourselves. I'm just telling you. Okay, so

00:59:30.000 --> 00:59:33.000

This very, very, very intense

00:59:33.000 --> 00:59:45.000

At first it feels really beautiful and lovely and pleasant and like the kind of love that you imagine feeling when you die and cross over. And if anyone here has had a near-death experience, it is that being

00:59:45.000 --> 00:59:50.000

Bathed in a love so profound that it is not an emotion, it is a physical state

00:59:50.000 --> 00:59:58.000

And at first it's so lovely and you just want to crawl inside this feeling. But then it gets bigger and bigger and bigger and more intense.

00:59:58.000 --> 01:00:02.000

And it spreads from the heart into the entire body

01:00:02.000 --> 01:00:06.000

And this is where it felt like

01:00:06.000 --> 01:00:12.000

My cells were bursting. They were absolutely bursting

01:00:12.000 --> 01:00:18.000

It was like electricity was shooting through my veins.

01:00:18.000 --> 01:00:22.000

And what happens simultaneous to this is

01:00:22.000 --> 01:00:28.000

I was awake and physically feeling, but I went into a very deep trance-like state.

01:00:28.000 --> 01:00:33.000

And so I felt the complete physicality of it

01:00:33.000 --> 01:00:38.000

Anne was conscious and aware of it, but I was sort of in like a suspended animation.

01:00:38.000 --> 01:00:43.000

And it felt like fire coursing through my veins.

01:00:43.000 --> 01:00:47.000

And then it kept building and building and building.

01:00:47.000 --> 01:00:55.000

until I finally said to Spirit, you have to stop. This is too much. You have to stop.

01:00:55.000 --> 01:00:59.000

And

01:00:59.000 --> 01:01:04.000

I was filled with the sort of comfort of knowing

01:01:04.000 --> 01:01:17.000

That it's okay. You're not going to die. You're going to survive. But that's how intense it was. I said, you have to stop or I'm going to die. My body can't take it. My cells can't take it.

01:01:17.000 --> 01:01:22.000

But they comforted me, and I think that's why they put me deeper in a trance state.

01:01:22.000 --> 01:01:25.000

And then what I saw was

01:01:25.000 --> 01:01:31.000

This image of it looked like an eclipse, this ring of fire

01:01:31.000 --> 01:01:35.000

And I could feel when the energies were coursing through me, it was pulsing.

01:01:35.000 --> 01:01:39.000

Like contractions, but quicker pulsing.

01:01:39.000 --> 01:01:45.000

And with every, intense pulse

01:01:45.000 --> 01:01:51.000

I saw this ring of light get bigger, like... like the sun I was watching got bigger

01:01:51.000 --> 01:01:56.000

And I could feel all of this crescendoing and building in intensity

01:01:56.000 --> 01:01:59.000

And as it did, I expected

01:01:59.000 --> 01:02:02.000

A culmination, a burst

01:02:02.000 --> 01:02:05.000

And I expected to see the sunburst outward.

01:02:05.000 --> 01:02:07.000

But instead, what happened

01:02:07.000 --> 01:02:13.000

It burst physically in a final bursting Care Bear stare from every cell

01:02:13.000 --> 01:02:17.000

But the image I saw was an inward collapse.

01:02:17.000 --> 01:02:23.000

A supernova, an event horizon, a star collapsing in on itself.

01:02:23.000 --> 01:02:26.000

And I can't fully tell you

01:02:26.000 --> 01:02:30.000

What that means, other than the material I've channeled about

01:02:30.000 --> 01:02:33.000

Ascension being like crossing an event horizon.

01:02:33.000 --> 01:02:35.000

And at that point

01:02:35.000 --> 01:02:42.000

I knew it was complete and I was so completely exhausted

01:02:42.000 --> 01:02:46.000

I laid there in that sort of

01:02:46.000 --> 01:02:51.000

hazy, hypnagogic state for I don't know how long

01:02:51.000 --> 01:02:57.000

And I was so deep that I came out of it into a dream.

01:02:57.000 --> 01:03:13.000

Like that's how subconscious, like wherever I was in my psyche, I don't know. But coming out of that required me to go into a dream. And it was a very normal Monday, nothing dream. But I knew it sort of felt like this interstitial space to get my bearings again

01:03:13.000 --> 01:03:18.000

My soul and psyche to come back to the body, to come back to the physical world.

01:03:18.000 --> 01:03:34.000

And I was lucid in the dream. The dream was literally, I was sitting on a front porch on a lawn chair watching kids playing in the yard. It was nothing, but it was just, I'm here, I'm present, I'm in a body, I'm on earth. And then eventually I woke up and I knew I was awake. I could hear the kids outside the door and I

01:03:34.000 --> 01:03:43.000

Like, hear the traffic outside, whatever. But I was still so deeply in whatever this was that I couldn't open my eyes, and I laid there for, I don't know how long.

01:03:43.000 --> 01:03:50.000

Until I eventually fully came conscious and was able to fully come out.

01:03:50.000 --> 01:03:52.000

And so the whole experience for me

01:03:52.000 --> 01:03:57.000

was about 3 h. but it felt

01:03:57.000 --> 01:03:59.000

A half hour, maybe.

01:03:59.000 --> 01:04:02.000

Like, I was just really sort of outside of time.

01:04:02.000 --> 01:04:07.000

But it was a very long, intense, protracted experience.

01:04:07.000 --> 01:04:12.000

And I was a little achy, a little sore, but completely fine.

01:04:12.000 --> 01:04:16.000

And

01:04:16.000 --> 01:04:19.000

I was so stunned.

01:04:19.000 --> 01:04:27.000

Because I was so stunned. I thought I knew that was it. I knew that was the solar flash.

01:04:27.000 --> 01:04:31.000

But how come it was just me?

01:04:31.000 --> 01:04:41.000

And how come every like life went on. My psychic friends didn't feel it. Nothing changed. My kids were literally fighting each other outside my bedroom door.

01:04:41.000 --> 01:04:50.000

And when I finally got up, they had bad attitudes with me, like nothing changed. And I was so angry and so frustrated, and it took me a while to accept that

01:04:50.000 --> 01:04:55.000

That was my experience. And we still have to wait for the rest of it.

01:04:55.000 --> 01:04:59.000

And that was really hard. That was May of 2024.

01:04:59.000 --> 01:05:03.000

And we all know what happened November of 2024

01:05:03.000 --> 01:05:12.000

When that election night. Those same energies that had burst through me burst through me again that night.

01:05:12.000 --> 01:05:17.000

And so I knew at least it was preparing me for

01:05:17.000 --> 01:05:32.000

My pathways, opening the pathways so that I could anchor whatever this light was. And there is a picture and a comment right now that says the starting of a toroidal field and an image of a toroidal field. T-O-R-O-I-D-A. Did I say that right

01:05:32.000 --> 01:05:35.000

T-O-R-O-I-D-A-L

01:05:35.000 --> 01:05:37.000

Exactly.

01:05:37.000 --> 01:05:48.000

And that's why I did my teaching in January of this year on the integration point. It is exactly that. Because what this process did was the final collapse out of the

01:05:48.000 --> 01:06:05.000

3D operating system, essentially. that push pull either or contrast fight survival, the pyramid in my in my teaching. I taught it as a seesaw. Only it's a it's I used this. What do you call it a sand timer

01:06:05.000 --> 01:06:13.000

That you have to constantly redistribute everything in 3D, either or contrast poll, survival, bring this, bring that

01:06:13.000 --> 01:06:19.000

That collapses inward into the torus, T-O-R-U-S, which is donut-shaped

01:06:19.000 --> 01:06:26.000

So what that finally allowed my energy to do was flow in the infinity spiral figure 8

01:06:26.000 --> 01:06:29.000

That is what the solar flash does.

01:06:29.000 --> 01:06:36.000

This is what it does to the physical body and to the energy is it reorganizes your operating system

01:06:36.000 --> 01:06:42.000

So that you are no longer in the 3D either or contrast survival fight

01:06:42.000 --> 01:06:46.000

But the energy flows continuously, which means

01:06:46.000 --> 01:07:02.000

We don't suddenly go somewhere else. We don't suddenly become somebody different. But how we move through the world and how the world receives us is wildly different. We can take terrible things, process it, move it out. We can take joy and disseminate to everyone. There is no competition

01:07:02.000 --> 01:07:14.000

That is what it did. And that is why I saw the collapsing in. I didn't understand it at the time, but almost two years later than I did. That is what happened.

01:07:14.000 --> 01:07:15.000

Now

01:07:15.000 --> 01:07:18.000

I believe

01:07:18.000 --> 01:07:26.000

And I would love to know anyone in the comments if you've been through something similar. I saw a few comments of people who also began in 2017 to anchor.

01:07:26.000 --> 01:07:36.000

I want to know if anyone else has already felt this. I have heard of other channelers and people who had their solar flash preview. Okay, yeah, some of you already have. Excellent.

01:07:36.000 --> 01:07:39.000

Okay, and it's okay if you have it.

01:07:39.000 --> 01:07:43.000

I'm going to check in with spirit. But what I believe is that

01:07:43.000 --> 01:07:46.000

Many of us already needed to go through it.

01:07:46.000 --> 01:07:51.000

So that when it happens, we're not the ones knocked out in bed for three hours

01:07:51.000 --> 01:07:53.000

We are those who can

01:07:53.000 --> 01:07:57.000

Go check on this person. Go check on that person. Like

01:07:57.000 --> 01:08:01.000

We can't all go through it at the exact same time.

01:08:01.000 --> 01:08:04.000

There had to be some who are already prepared and ready.

01:08:04.000 --> 01:08:14.000

And me having gone through that when I went through it allowed me to be the kind of leader I needed to be when this audience formed around me and

01:08:14.000 --> 01:08:22.000

whatever else, because my energy can flow seamlessly through the terrible things that are happening, and we're going to conquer. It changes you completely. Okay.

01:08:22.000 --> 01:08:24.000

So

01:08:24.000 --> 01:08:28.000

That is what it will be like for many people.

01:08:28.000 --> 01:08:32.000

I'm now going to go more

01:08:32.000 --> 01:08:34.000

entrance

01:08:34.000 --> 01:08:40.000

To allow them to channel through me because I also have a lot of questions and assumptions

01:08:40.000 --> 01:08:46.000

Will this happen to every single person? Will some people have it happen later?

01:08:46.000 --> 01:08:48.000

What about the people who haven't even awakened

01:08:48.000 --> 01:08:53.000

I'm gonna let them come through and really give us the whole lay of the land.

01:08:53.000 --> 01:08:55.000

So that we know what's going to happen

01:08:55.000 --> 01:08:59.000

And I am okay, okay.

01:08:59.000 --> 01:09:05.000

All right. Let's take a little drink here.

01:09:05.000 --> 01:09:17.000

Maybe get a cough out of the way before a channel

01:09:17.000 --> 01:09:27.000

Okay.

01:09:27.000 --> 01:09:33.000

Invite the collective guides and guardians who are assembled here to speak to us and

01:09:33.000 --> 01:09:36.000

help us understand

01:09:36.000 --> 01:09:42.000

Okay, before, okay, before I go into this.

01:09:42.000 --> 01:09:43.000

They're saying

01:09:43.000 --> 01:09:54.000

What it will feel like after, and they're gonna get into more of it, but they're like, tell them this soon, because some of you might be going, oh, Lord, why? Are you sure we want this? They're like.

01:09:54.000 --> 01:09:59.000

After this is going to feel the most

01:09:59.000 --> 01:10:07.000

explosively joyful and giddy and happy, and on a cloud of bliss, and your heart bursting, and skipping through the daisies like

01:10:07.000 --> 01:10:10.000

you're going to feel different

01:10:10.000 --> 01:10:13.000

And this will be our natural state.

01:10:13.000 --> 01:10:16.000

And so that is why there are varying degrees.

01:10:16.000 --> 01:10:22.000

Because for many people, for all of us, that kind of joy is always possible

01:10:22.000 --> 01:10:24.000

But we are not capable

01:10:24.000 --> 01:10:29.000

Possible, not capable. Two very different things.

01:10:29.000 --> 01:10:38.000

And I have also found that through all of my experience, I have changed so dramatically as a person, the type of joy I am capable of now.

01:10:38.000 --> 01:10:48.000

It's a lot. It's a wonderful and incredible, and some people are like, what is she on? It changes your capacity.

01:10:48.000 --> 01:10:55.000

And so there will just be these entire octaves of bliss and joy that become available to us. And that's ultimately

01:10:55.000 --> 01:10:59.000

The feeling state we get to inhabit.

01:10:59.000 --> 01:11:06.000

And through that, the ripples go out and affect everyone and everything. And we become the change.

01:11:06.000 --> 01:11:11.000

Okay.

01:11:11.000 --> 01:11:20.000

Okay, I'm getting okay, I'm getting a lot of like political, cultural stuff first

01:11:20.000 --> 01:11:23.000

If you can imagine

01:11:23.000 --> 01:11:26.000

That a vast percentage of the world

01:11:26.000 --> 01:11:35.000

Is occupying a state of such joy and bliss. That alone tells you why the world is going to change.

01:11:35.000 --> 01:11:38.000

Joy, bliss

01:11:38.000 --> 01:11:40.000

And also just

01:11:40.000 --> 01:11:42.000

A type of

01:11:42.000 --> 01:11:44.000

will not tolerate the nonsense.

01:11:44.000 --> 01:11:49.000

Not even in a curious, angry, fighting, grab-your-swords

01:11:49.000 --> 01:11:52.000

It's just like, oh no, we're not doing that anymore.

01:11:52.000 --> 01:12:00.000

You're done. You're removed. No, we're... no, we're not doing this anymore. You're out, you're gone.

01:12:00.000 --> 01:12:03.000

Let the grown-ups handle this now

01:12:03.000 --> 01:12:06.000

And that's kind of why

01:12:06.000 --> 01:12:13.000

They're saying that will be the North Star because if you ever get stuck

in wondering, but how will we change our nation

01:12:13.000 --> 01:12:18.000

It changes because the octave we live in is love

01:12:18.000 --> 01:12:20.000

Okay.

01:12:20.000 --> 01:12:24.000

Okay, let's look them

01:12:24.000 --> 01:12:42.000

Channel through.

01:12:42.000 --> 01:12:59.000

Hello and welcome. Welcome to all you beautiful souls, grand and glorious souls, those of you who have been waiting for this moment for eons of time, for indeed you are ancient as we, for indeed you have helped from both sides of the veil to facilitate

01:12:59.000 --> 01:13:15.000

to bring through to create the circumstances that you will now soon experience. We wish to congratulate you for not only making it this far, but for making transformation possible

01:13:15.000 --> 01:13:21.000

For yourself. For your loved ones, for your lineage, for all of humanity.

01:13:21.000 --> 01:13:29.000

For the great and glorious accomplishment is far beyond what your human mind can conceive of

01:13:29.000 --> 01:13:35.000

For when this flash enters your atmosphere

01:13:35.000 --> 01:13:42.000

The change will be sudden, immediate, transformative, however, the effects will not be understood

01:13:42.000 --> 01:13:45.000

For years of your time.

01:13:45.000 --> 01:13:57.000

We say this not to call you to despair, but to utter amazement and joy.

01:13:57.000 --> 01:14:12.000

For indeed, your great central sun, the very source of all life, the very center of universe, the God spark itself, Mother Sophia, divine creator energy, is that grand central furnace of all creation.

01:14:12.000 --> 01:14:15.000

And the energy is building now.

01:14:15.000 --> 01:14:27.000

The energy is building now a wave of transformation. Some call it love, some call it bliss, some call it joy, some call it great creationary energy.

01:14:27.000 --> 01:14:34.000

Is building now and this light energy creationary force

01:14:34.000 --> 01:14:37.000

is specifically concocted

01:14:37.000 --> 01:14:47.000

do serve many functions for humanity, for all animals, for all plant life, and for indeed the earth herself.

01:14:47.000 --> 01:14:58.000

It is doing so many things that your scientist will study for eons of time. This is how remarkable an experience it is.

01:14:58.000 --> 01:15:06.000

This energy is building now. This energy is building now, but understand this energy is not independent of you.

01:15:06.000 --> 01:15:13.000

Or indeed, you are we, we are you, for indeed, you are that, you are the I am.

01:15:13.000 --> 01:15:23.000

As much as you are preparing to receive, understand that you have been transmitting information to this great central sun.

01:15:23.000 --> 01:15:29.000

You have been transmitting the knowledge. You have been transmitting the blueprints

01:15:29.000 --> 01:15:38.000

The very patterns you have come here to transcend, the beliefs, the mindsets, the fears, the challenges, the realities of living in this world

01:15:38.000 --> 01:15:50.000

You have been transmitting all of the data and information so that we may very specifically create a blend of energy, as it were

01:15:50.000 --> 01:15:58.000

with the actual property to transform exactly what needs to be transformed.

01:15:58.000 --> 01:16:08.000

Or through your experience of shadow work healing, deconstruction. All of this is data farming.

01:16:08.000 --> 01:16:10.000

All of this

01:16:10.000 --> 01:16:14.000

is transmitting the exact shape, dimension

01:16:14.000 --> 01:16:25.000

And all properties of the patterns, the fear, the doubt, the abuse, the shame, on and on and on and on, for indeed, what you have been doing is not simply healing

01:16:25.000 --> 01:16:33.000

What you have been doing is mapping the pathways, excavating the pathways, deepening the tunnels

01:16:33.000 --> 01:16:37.000

The tunnels will now be filled

01:16:37.000 --> 01:16:40.000

This light is coming

01:16:40.000 --> 01:16:45.000

To fill all of the area you have excavated.

01:16:45.000 --> 01:16:51.000

Not merely you who are here, but all humanity around the world. You must understand

01:16:51.000 --> 01:17:08.000

That so many millions, yes, even billions of souls have been doing this work, completely unaware, completely unbeknownst to their conscious mind, because all of humanity has been awakening and although those who are detractors from the awakening

01:17:08.000 --> 01:17:14.000

May seem loud. They are few, they are few, they are few.

01:17:14.000 --> 01:17:18.000

The rest of the world who has been questioning, yearning

01:17:18.000 --> 01:17:20.000

Fearing, despairing

01:17:20.000 --> 01:17:29.000

All of this is data. All of this is information transmitted to the center of all life, the grand creatrix of all life

01:17:29.000 --> 01:17:39.000

And the energies needed to transform what you have excavated and

explored are being built and created for you.

01:17:39.000 --> 01:17:48.000

In addition, your physical bodies have been studied. The plants, the animals, the flora, the fauna, the earth herself.

01:17:48.000 --> 01:17:57.000

beings of various kingdoms that are not visible to the naked eye. All of life on Earth is undergoing this process

01:17:57.000 --> 01:18:04.000

All of the physicality of Earth is being examined, studied, transmitted to the central source

01:18:04.000 --> 01:18:10.000

So that the exact specific energies can be transmitted that will change

01:18:10.000 --> 01:18:14.000

That will awaken, illuminate, transform.

01:18:14.000 --> 01:18:19.000

that you will receive precisely what is needed

01:18:19.000 --> 01:18:21.000

To facilitate

01:18:21.000 --> 01:18:23.000

the shift

01:18:23.000 --> 01:18:26.000

For yes, dear souls

01:18:26.000 --> 01:18:36.000

Though you have awakened, though many of you have shifted a thousand times within yourself, the shift has yet to come. Think of that. Think of what awaits you.

01:18:36.000 --> 01:18:42.000

As it commences

01:18:42.000 --> 01:18:44.000

To your scientists

01:18:44.000 --> 01:18:51.000

What they will know, what they will be able to understand from their current level of understanding is

01:18:51.000 --> 01:18:52.000

That the sun

01:18:52.000 --> 01:18:58.000

has let out an unusual burst of rays, many of which are unknown

01:18:58.000 --> 01:19:08.000

Many of which your scientists have yet to even name, but will, in the future, come to understand and name because of this experience.

01:19:08.000 --> 01:19:15.000

Many of the rays that are coming to you have been coming to you. Many more are that from beyond your galaxy.

01:19:15.000 --> 01:19:21.000

But rest assured that none will harm you. None will harm you.

01:19:21.000 --> 01:19:27.000

Although the physical body might be taxed at receiving such energies

01:19:27.000 --> 01:19:33.000

None will harm you, and your bodies will adjust.

01:19:33.000 --> 01:19:36.000

These energies will be

01:19:36.000 --> 01:19:43.000

Transmitted through the sun because the sun acts in many ways. As not merely a conduit

01:19:43.000 --> 01:19:54.000

But a translator of sorts, moving through the sun will not only allow the energies to be disseminated throughout the planet

01:19:54.000 --> 01:19:59.000

But will be transformed into the exact perfect

01:19:59.000 --> 01:20:01.000

Mechanics.

01:20:01.000 --> 01:20:04.000

struggling with the words here. It's

01:20:04.000 --> 01:20:11.000

It's like the physics, the compounds, the chemical compounds.

01:20:11.000 --> 01:20:21.000

The sun will convert all that is coming through into energies necessary to have the desired effect

01:20:21.000 --> 01:20:24.000

And what an effect it will be.

01:20:24.000 --> 01:20:26.000

Or indeed

01:20:26.000 --> 01:20:32.000

It will affect all life on Earth in many different profound ways.

01:20:32.000 --> 01:20:34.000

Some will experience occasion

01:20:34.000 --> 01:20:39.000

catapulting into the higher realms of joy and bliss

01:20:39.000 --> 01:20:43.000

Some will be confused.

01:20:43.000 --> 01:20:45.000

Agitated

01:20:45.000 --> 01:20:55.000

Unsure of what will happen as they find all previous explanations crumble in the face of such an experience.

01:20:55.000 --> 01:21:09.000

Some will be in despair, not only as they misunderstand what is happening, but as those beliefs and frameworks crumble.

01:21:09.000 --> 01:21:11.000

This time

01:21:11.000 --> 01:21:15.000

will be a time of great awakening

01:21:15.000 --> 01:21:30.000

And to understand what will come, we hearken you back to your experience in your own individual awakening. For although there was much expansion, eagerness, joy, there was much sadness, fear, confusion

01:21:30.000 --> 01:21:34.000

As all you thought you knew, crumbled

01:21:34.000 --> 01:21:36.000

What we wish

01:21:36.000 --> 01:21:39.000

To comfort you with is that

01:21:39.000 --> 01:21:43.000

The joy, the bliss, the peace.

01:21:43.000 --> 01:21:45.000

The understanding

01:21:45.000 --> 01:21:49.000

will be so profound

01:21:49.000 --> 01:22:05.000

But none of you will stop to fear. None of you will stop to despair, and you will know exactly how to serve and benefit those around you.

01:22:05.000 --> 01:22:11.000

Excuse me.

01:22:11.000 --> 01:22:18.000

We wish to draw your attention now to Beyond the Emotional Experience

01:22:18.000 --> 01:22:22.000

To the intellectual experience, to the knowledge.

01:22:22.000 --> 01:22:33.000

Many of you will receive the very secret of the universe. Maybe many of you, your veils will be completely lifted and you will remember

01:22:33.000 --> 01:22:41.000

Many of you will have a complete knowing. A knowing that is like a wave of forgiveness and release

01:22:41.000 --> 01:22:50.000

For all that has hurt you, for all that you have despaired of, you will have the cosmic understanding of why and how. And for what reasons

01:22:50.000 --> 01:22:54.000

And you will simply be able to release and let go

01:22:54.000 --> 01:22:57.000

With a tear of love and forgiveness

01:22:57.000 --> 01:23:12.000

Many of you will remember who your human counterparts have been to

you and for you in various lifetimes. Many of you will remember life in other planets, in other bodies, or yes, indeed

01:23:12.000 --> 01:23:21.000

the process of extraterrestrial connection, communication, disclosure will be one of the outcroppings of this event.

01:23:21.000 --> 01:23:26.000

As many more remember and awaken and reach toward

01:23:26.000 --> 01:23:33.000

That reaching will be received, and your humanity in time will be

01:23:33.000 --> 01:23:47.000

connected with your intergalactic families at a time in which the masses of humanity will more clearly easily and readily be able to receive such a connection. But first

01:23:47.000 --> 01:23:49.000

the rebuilding

01:23:49.000 --> 01:24:00.000

Because although your United States of America is in a great birthing process, a great time of reckoning

01:24:00.000 --> 01:24:07.000

So too are other countries experiencing their version. And indeed, while other countries are

01:24:07.000 --> 01:24:09.000

Seemingly peaceful

01:24:09.000 --> 01:24:12.000

The awakening

01:24:12.000 --> 01:24:24.000

That will be initiated with this experience will cause all people in all lands to joyfully, hastily change the systems on your earth.

01:24:24.000 --> 01:24:29.000

What you will grow to see is greed disappear.

01:24:29.000 --> 01:24:36.000

What you will grow to see are systems that benefit all life in a way that humans could not have fathomed before.

01:24:36.000 --> 01:24:41.000

From the very complex systemic rebalancing

01:24:41.000 --> 01:24:46.000

To the very simple and harmonious reconnecting humans with each other.

01:24:46.000 --> 01:24:50.000

Neighbors will gather, communities will circle

01:24:50.000 --> 01:24:56.000

You will remember to dance, to sing, to make art

01:24:56.000 --> 01:25:04.000

The way you live on this planet will change rapidly

01:25:04.000 --> 01:25:21.000

Part of your disclosure will be the technology that already exists that has been suppressed in favor of other industries. And in pursuit of all that has been suppressed will come the revelations that will shock and horrify some

01:25:21.000 --> 01:25:31.000

But will be the necessary revelation to completely dethrone all who have held humanity under their thumb.

01:25:31.000 --> 01:25:34.000

And so you will see

01:25:34.000 --> 01:25:39.000

In your human time, an era of transformation.

01:25:39.000 --> 01:25:43.000

Where all life on Earth is changed

01:25:43.000 --> 01:25:50.000

To be able to live in harmony with the earth, live in harmony with each other, to be free, to be safe

01:25:50.000 --> 01:25:56.000

To experience a kind of safety walking through the earth that has never been before.

01:25:56.000 --> 01:26:04.000

who experience a kind of peace, to experience a kind of unity and joy that has never been accessible before

01:26:04.000 --> 01:26:12.000

To experience the breakdown of systems that have been keeping you enslaved to the dollar and to the clock

01:26:12.000 --> 01:26:22.000

To redistribute the kind of resources that have been commodified, controlled, profited from.

01:26:22.000 --> 01:26:37.000

You will see energy systems change, food systems change. Religions will all eventually fall or transform to only remain in service of the human. No longer in service of a false god

01:26:37.000 --> 01:26:41.000

No longer instilling fear and shame

01:26:41.000 --> 01:26:45.000

Only existing to bring humans together to serve.

01:26:45.000 --> 01:26:51.000

to bring light and joy and connection.

01:26:51.000 --> 01:26:58.000

We wish to then draw your attention back to the moment of this experience.

01:26:58.000 --> 01:27:06.000

Many will not be prepared for the physical transformation, and so they will not receive it yet.

01:27:06.000 --> 01:27:13.000

Many will experience a fullness that will change them in that moment forever. Many may experience a partial

01:27:13.000 --> 01:27:20.000

Everyone will experience that which they are capable of receiving.

01:27:20.000 --> 01:27:23.000

But nothing will be withheld

01:27:23.000 --> 01:27:33.000

For Indeed, this is the respecting of the free will. This is the respecting of the physical vessel and what it is capable of holding

01:27:33.000 --> 01:27:39.000

For those who are unable to receive in their fullness now, nothing will be withheld.

01:27:39.000 --> 01:27:51.000

Their awakening will continue, their healing will accelerate, and they will receive levels of light as they are prepared to receive.

01:27:51.000 --> 01:28:07.000

This will begin not merely a moment that will end, but an epic of time in which these energies stream to those who are able to receive and participate in their own will

01:28:07.000 --> 01:28:12.000

And thus we see the work done prepares you for your level

01:28:12.000 --> 01:28:16.000

of what you can receive, and what you can then embody

01:28:16.000 --> 01:28:22.000

There is no pressure. There is no left behind.

01:28:22.000 --> 01:28:26.000

There is nothing but love.

01:28:26.000 --> 01:28:35.000

A love so complete, a love so profound, a love so total that nothing is untouched by it.

01:28:35.000 --> 01:28:38.000

What you will receive

01:28:38.000 --> 01:28:42.000

He's like the fairy tale of the spell being broken.

01:28:42.000 --> 01:28:46.000

You will know, you will remember, your heart will burst.

01:28:46.000 --> 01:28:52.000

And love will pour from you like a fountain never ceasing

01:28:52.000 --> 01:28:55.000

This is your assignment now.

01:28:55.000 --> 01:28:58.000

Trust that the work has been sufficient

01:28:58.000 --> 01:29:03.000

trust that the task at hand now is love, love, love.

01:29:03.000 --> 01:29:07.000

The task at hand has always been love.

01:29:07.000 --> 01:29:17.000

However, detours into the underworld to remove the wreckage and blockage that has prevented you from becoming the fountain of love

01:29:17.000 --> 01:29:27.000

These excursions have been necessary, and you have fulfilled your part beautifully, tremendously.

01:29:27.000 --> 01:29:33.000

But the time is at hand to emerge from the underworld and embody the kind of love

01:29:33.000 --> 01:29:35.000

that is needed

01:29:35.000 --> 01:29:39.000

To anchor and facilitate.

01:29:39.000 --> 01:29:46.000

To radiate. To become

01:29:46.000 --> 01:29:48.000

We end this transmission

01:29:48.000 --> 01:29:50.000

by transmitting

01:29:50.000 --> 01:29:54.000

a wave of energy through this channel

01:29:54.000 --> 01:29:59.000

We ask nothing of you, but to simply receive

01:29:59.000 --> 01:30:04.000

And it will be opened in you at the precise moment.

01:30:04.000 --> 01:30:06.000

When you're a vessel

01:30:06.000 --> 01:30:12.000
is ready.

01:30:12.000 --> 01:30:35.000
You may begin to receive now

01:30:35.000 --> 01:30:40.000
This attunement will prepare you for that which is to come.

01:30:40.000 --> 01:30:43.000
And indeed, wondrous, glorious things are to come.

01:30:43.000 --> 01:30:48.000
We thank you, we honor you, we love you.

01:30:48.000 --> 01:30:54.000
And we are humbled by the work you have undertaken for this grand
and glorious event.

01:30:54.000 --> 01:31:00.000
We eagerly watch and wait, supporting you.

01:31:00.000 --> 01:31:05.000
Preparing you as you are being prepared to receive to transmit

01:31:05.000 --> 01:31:08.000
To become

01:31:08.000 --> 01:31:22.000
And so it is.

01:31:22.000 --> 01:31:48.000
Come back in after that.

01:31:48.000 --> 01:31:52.000
Well, it's kind of a lot.

01:31:52.000 --> 01:31:56.000

The thousand degrees in here, or is that just me?

01:31:56.000 --> 01:32:01.000

Okay.

01:32:01.000 --> 01:32:04.000

Oh, okay, well

01:32:04.000 --> 01:32:08.000

I feel like they

01:32:08.000 --> 01:32:11.000

I feel like they brought through

01:32:11.000 --> 01:32:16.000

What to me felt like some missing pieces of information, some things I didn't know

01:32:16.000 --> 01:32:24.000

As well as kind of catapulted me into a new acceptance and understanding.

01:32:24.000 --> 01:32:36.000

And so I hope that landed and did exactly what it needed to do. For those of you who are able to receive that.

01:32:36.000 --> 01:32:42.000

One thing I wanted to really stress and communicate the part that

01:32:42.000 --> 01:32:44.000

was so completely new

01:32:44.000 --> 01:32:51.000

And blew my mind was what they said about the light coming into the channels we have excavated

01:32:51.000 --> 01:32:59.000

And I don't know if any of you knew that or heard that before, but this was the first time I was getting that information and it seems like

01:32:59.000 --> 01:33:01.000

Well, of course

01:33:01.000 --> 01:33:04.000

You know, just of course, of course.

01:33:04.000 --> 01:33:10.000

Because so many of us have lived really painful lives. Yeah.

01:33:10.000 --> 01:33:13.000

We've been through a lot.

01:33:13.000 --> 01:33:23.000

And we've known that we needed to go through what we needed to go through for our soul's path, our karmic journey, and all of it. But that doesn't mean it wasn't hard.

01:33:23.000 --> 01:33:25.000

And

01:33:25.000 --> 01:33:27.000

What

01:33:27.000 --> 01:33:33.000

What was suddenly made clear to me is what we were doing is literally digging tunnels

01:33:33.000 --> 01:33:40.000

You know, we've heard for so long that, oh, there's too much density. The light can't enter Earth, the light can't enter humanity because there's too much density.

01:33:40.000 --> 01:33:45.000

And what do we think this density is? It's pain

01:33:45.000 --> 01:33:46.000

It's pain

01:33:46.000 --> 01:33:49.000

And it's the abuses

01:33:49.000 --> 01:33:58.000

It's the belief systems, it's the hate, it's the confusion, it's fear, yes, whistleblower, it's

01:33:58.000 --> 01:34:05.000

The learned patterns of behavior that both cause us to hurt other people

01:34:05.000 --> 01:34:11.000

And that causes to hide and protect and shrink and react because we have been hurt

01:34:11.000 --> 01:34:25.000

And that density has just been built and built and built. And so although the light has been coming and the light is always coming, remember they said it's always been available. We just didn't necessarily have capacity

01:34:25.000 --> 01:34:39.000

We didn't have capacity because we were filled with the density of all that has happened, all that we have been through, not only in this life, but so many others. And in our DNA, our ancestry.

01:34:39.000 --> 01:34:45.000

And so so much of what we've been doing has just been purely excavating the channels.

01:34:45.000 --> 01:34:57.000

And I kept seeing like these little tunnels like little like if you got a worm farm or an ant farm, these little tunnels. And I saw them in the body, in the psyche, in the earth, but mostly

01:34:57.000 --> 01:35:03.000

We are digging out the channels, the blueprints of pain.

01:35:03.000 --> 01:35:12.000

And so when this burst comes, it has somewhere to go. It goes into those places we have dug and we have excavated. And that was so

01:35:12.000 --> 01:35:14.000

profound

01:35:14.000 --> 01:35:15.000

And I hope

01:35:15.000 --> 01:35:17.000

You feel

01:35:17.000 --> 01:35:20.000

That all of it was worth it

01:35:20.000 --> 01:35:33.000

That all of it, nothing was wasted. All the pain, you know, I went through so much for so long. I really judged myself for I can't get it together. Why can't I just this? Why is everybody else that?

01:35:33.000 --> 01:35:40.000

And we do feel like we're being left behind, especially when other people are so happy. Why have I been doing the work for so long and I still feel so terrible?

01:35:40.000 --> 01:35:46.000

We're tunnel workers! We've been digging in those caverns to prepare the way

01:35:46.000 --> 01:35:53.000

And so this can now have a place to go into. And so that allows the transformation.

01:35:53.000 --> 01:36:06.000

And there was so much they said, I stopped for a minute because I was

like, I just genuinely in my head don't have, I don't have the understanding for the physics of what's going to come. But I got the sense of like

01:36:06.000 --> 01:36:18.000

But sort of, okay, a comparison is sort of how humans can only see a certain spectrum of light and color, right? But other animals can see so much more. It doesn't mean it doesn't exist. It just meant we don't even have the

01:36:18.000 --> 01:36:25.000

receptivity to be able to understand what it is. And so what's going to be coming through the sun

01:36:25.000 --> 01:36:33.000

There will be rays that are already coming because that's what the sun does. You know, gamma and like, I don't even know what else. But

01:36:33.000 --> 01:36:50.000

There is more coming that is literally never been here that the scientists are going to need. I saw this image of them like sort of how when they go on like a fossil dig, and then they can crack into these layers that haven't seen the sun in like a billion years, and they run those for testing, and they find this is material we didn't even know about

01:36:50.000 --> 01:37:03.000

It's that kind of a sense of what's going to be coming through. We don't even know yet because a lot of it hasn't been here before. And a lot of it is has not been, okay, okay, they're telling me it hasn't

01:37:03.000 --> 01:37:13.000

been able... it's like, it hasn't been discovered yet, but it's been here all along, but we were in a... this is what it means to be in a different dimension, a different density that we didn't even have

01:37:13.000 --> 01:37:16.000

The capacity to

01:37:16.000 --> 01:37:20.000
name it and label it and see it

01:37:20.000 --> 01:37:24.000
So

01:37:24.000 --> 01:37:27.000
Yeah, I'm kind of listening to

01:37:27.000 --> 01:37:45.000
Any other clarity we need, and if there's any questions, feel free to drop them. But I'm seeing a lot of comments about how many people are so tired. Yes, I forgot to mention that at my beginning spiel. A lot of people fall asleep in these sessions, because I'm not merely talking, I'm transmitting energies that they're sending to you

01:37:45.000 --> 01:37:52.000
And they certainly hit us with a Care Bear stare at the end of that. And so if you need to go, if you're already asleep, totally fine.

01:37:52.000 --> 01:37:58.000
If you just feel like, I'm about to pass out, yep, you probably are, because that was a lot.

01:37:58.000 --> 01:38:06.000
And so as we're coming up on the two hours, I'm going to kind of check with them to see, did we cover everything that needed to be covered? My human mind is going

01:38:06.000 --> 01:38:14.000
Did we answer all the questions? I'm willing to stay on for as long as people have questions. But I want to make sure we did what

01:38:14.000 --> 01:38:20.000
They wanted us to do first

01:38:20.000 --> 01:38:24.000
They're saying after this experience, you will know.

01:38:24.000 --> 01:38:28.000

Meaning, we have a lot of questions now on this side of it.

01:38:28.000 --> 01:38:38.000

But once it happens, we will have no more questions. We will know what we don't know. And it's sort of like we don't even know what we don't know.

01:38:38.000 --> 01:38:41.000

So there's a lot of

01:38:41.000 --> 01:38:47.000

Don't fear if you don't have the answers, there will be more.

01:38:47.000 --> 01:38:50.000

Okay, so I'm going to ask

01:38:50.000 --> 01:38:53.000

But check with them for a second

01:38:53.000 --> 01:38:58.000

And then we'll go to the comments, and I'll, you know, keep them here, of course.

01:38:58.000 --> 01:39:03.000

Yeah, they're like, okay, go to the questions because they'll answer a lot of this.

01:39:03.000 --> 01:39:04.000

Okay.

01:39:04.000 --> 01:39:07.000

All right.

01:39:07.000 --> 01:39:13.000

Okay, so I've seen questions about pets and about children. And

01:39:13.000 --> 01:39:16.000

Yes, they will

01:39:16.000 --> 01:39:19.000

First of all, be totally fine.

01:39:19.000 --> 01:39:27.000

Second of all, be able to receive in a way that's a lot easier than us, because we have a lot more blueprinting and programming and fear and all kinds of stuff than they do.

01:39:27.000 --> 01:39:41.000

And so they will be able to handle it a little better. Maybe some senior pets, maybe some pets with anxiety, or those who are really sensitive to energy, might be a little jittery. They're telling me lots and lots of water, they're saying alkaline water

01:39:41.000 --> 01:39:48.000

A lot of alkaline water, you know, electrolytes and things for us

01:39:48.000 --> 01:40:03.000

What they also showed me, oh yeah, that part about how they're not just out there in the cosmos saying like, here's what we think they need. We're transmitting data. Who else was blown away by that? I was like, oh my God, this is so cool. So the whole thing was that

01:40:03.000 --> 01:40:26.000

We've been placing our order with the great Sears catalog in the sky. Okay, not just our order. But this is what Gia's body needs, and this is what Jose's body needs, and this is what like we've been transmitting all the data, and they've been taking it all in and going, okay, okay, okay, okay. And then just cataloging and making. So this elixir that's coming to us is perfectly tailored for all of humanity, and I

01:40:26.000 --> 01:40:30.000

My mind is blown, and yet at the same time, well, of course.

01:40:30.000 --> 01:40:34.000

So we don't even know what we're transmitting, but they're getting

01:40:34.000 --> 01:40:39.000

The recipe just right for all of us. Okay, so

01:40:39.000 --> 01:40:40.000

Okay.

01:40:40.000 --> 01:40:49.000

Can we have a timing of the event? Spirit

01:40:49.000 --> 01:40:53.000

The reason it's so hard is because, as we know

01:40:53.000 --> 01:41:06.000

Time is a construct of the 3D human world, and they don't operate in time. So there isn't a straight translation, and also, they're pointing me back to the shuffling of the cards. What I will say shortly is, I feel like months

01:41:06.000 --> 01:41:09.000

I feel like before month's end

01:41:09.000 --> 01:41:23.000

No one come for me because this is so incredible. It's impossible to calculate. But what they're showing me with the shuffling of the cards is because remember. Many of us will be feeling it building

01:41:23.000 --> 01:41:32.000

Some of us will be feeling it building for weeks, maybe even months, okay? So it doesn't mean it's tomorrow if we feel.

01:41:32.000 --> 01:41:35.000

But

01:41:35.000 --> 01:41:40.000

The shuffling of the cards, the events as they take place

01:41:40.000 --> 01:41:48.000

Will subtly, they're saying subtly, it'll be subtle. It's not like, oh, they did this and all hope is lost. Nope. Everything's underway

01:41:48.000 --> 01:41:56.000

But depending on what happens where and how people react, it just kind of sends ripples out, and all of those things affect time, okay?

01:41:56.000 --> 01:42:01.000

That's a new understanding I'd never thought of before. Behavior affects time

01:42:01.000 --> 01:42:02.000

Of course.

01:42:02.000 --> 01:42:22.000

I love when they hit me something that was like, that was so obvious, but I never knew. Behavior affects time, and things ripple, and go out, and so there's no possible way to tell you when, but everything I'm feeling and receiving feels like months before the end of the year. And if we're really looking at the intersection with the midterms, it seems plausible before the end of the year.

01:42:22.000 --> 01:42:31.000

And also, I'm like, you better not have dragged us all here on the pretense of something that's going to happen two years from now. I'm not having it.

01:42:31.000 --> 01:42:35.000

Like, I don't play when it comes to this stuff.

01:42:35.000 --> 01:42:36.000

So that

01:42:36.000 --> 01:42:38.000

That's our answer on that, okay? All right.

01:42:38.000 --> 01:42:48.000

Let me scroll through again.

01:42:48.000 --> 01:42:58.000

Yeah, there's a question about something they said about it taking years for us to understand. I think that was mostly about the physics of it, what scientists will understand.

01:42:58.000 --> 01:43:05.000

I think those of us, they also mentioned this Great Awakening of the mind and remembering our past lives, and reconnecting with all these things, and having like

01:43:05.000 --> 01:43:19.000

The penultimate, not the penultimate, the ultimate download of, oh my god, it all makes sense now. I think so many more of us will know. But in terms of being able to scientifically measure what has happened and how it changed the organism

01:43:19.000 --> 01:43:27.000

That's what is going to take years to explore and unfold, and that would just be, like, really exciting to learn.

01:43:27.000 --> 01:43:42.000

Okay, how to prepare our bodies so that we can receive better and easier. A lot of this stuff is just really boring and basic. A lot of rest, a lot of good food. Don't feel like you have to suddenly be vegan. Do what you need to do.

01:43:42.000 --> 01:43:45.000

Okay.

01:43:45.000 --> 01:43:54.000

Very, very basic. Get back to basics. Stretch, move your body, rest. Eat good foods if you can.

01:43:54.000 --> 01:44:01.000

Guided meditation that helps open up your chakras and meridians will really help

01:44:01.000 --> 01:44:02.000

Because

01:44:02.000 --> 01:44:18.000

it gets you in the position of opening the channels. Remember how I said bursting from every cell? The channels in your body to be open. And something that I do really simply is there's no, like, one method or whatever. It's mostly the intention, but something that I do just every night

01:44:18.000 --> 01:44:33.000

is as I go to bed and I lay down, my spirit team comes and just, like, they just do a thing. So work with your team to ask and invite them to help prepare you. Okay, okay, okay, they did say we're going to end this session with a discussion on love

01:44:33.000 --> 01:44:47.000

And this will hearken back to the September Signal Fire. So if you got that, re-listen to that because they prepared us, they talked about this. But we're going to kind of revisit some of that material because they said

01:44:47.000 --> 01:45:01.000

It's love is a substance of the soul, and we're preparing in a lot of ways, not just to embody this light, but our very soul. That's what the memory is. That's what the expansion is. That's what the love and bliss. It's what the soul is and feels.

01:45:01.000 --> 01:45:19.000

So we're pairing with a deeper merging of our soul. So all that you can do to embody love, and yep, even forgiveness. And I get that that conflicts with the feminine rage, I'm not telling you to put down your sword if it's your time to pick up your sword. So be intuitive with what you need to let love flow.

01:45:19.000 --> 01:45:36.000

Okay, because sometimes for a lot of us, that love needs to pick up a

sword. Our soul needs that part. Our wounded past needs to be able to move into the warrior mode. So there is no one thing everyone has to do, but it's all of this trend, okay? To do what we specifically need

01:45:36.000 --> 01:45:40.000

Okay, what about our special needs kids and adults?

01:45:40.000 --> 01:45:41.000

So

01:45:41.000 --> 01:45:44.000

People with

01:45:44.000 --> 01:46:01.000

More about like medical challenges, complex medical challenges. This is where, you know, when I said y'all better not be having heart attacks and just saying it sits the flash. First and foremost, be very attuned to the physical needs, your physical challenges, your health issues

01:46:01.000 --> 01:46:16.000

And make sure you're in contact with your doctors, your practitioners, because a lot of physical bodies with challenges are going to feel it a lot more, not just that moment, but everything kind of leading up to it. And so just be very rigorous about your health and your protocols

01:46:16.000 --> 01:46:27.000

Now, when it comes to more special needs, emotional needs, and things like that, just as with children, they're going to be a lot more

01:46:27.000 --> 01:46:43.000

guided, protected, and in tune, and so your job, as it always is, is to be, you know, oxygen mask on first, st to be embodied, to be taking care of yourself so that you can take care of what they need, but it's much more about

01:46:43.000 --> 01:46:47.000

Trusting the process of divine flow.

01:46:47.000 --> 01:46:48.000

Okay

01:46:48.000 --> 01:47:08.000

Scrolling through a little bit more. Step one in most tasks is to make space. Yeah, a lot of it is just like, stop with the nonsense, and I laugh because I'm like, this girl right here. We're all human, and we all do like petty things and stupid things, and I get stuck scrolling for much longer than I need to

01:47:08.000 --> 01:47:22.000

How much better would my time be served by a walk in nature or playing a game with my kids? Just be as human and as present and let go of the nonsense. And you know, they said, I think in either September or August that we need to get out of the arena, many of us

01:47:22.000 --> 01:47:40.000

the battles and the 3D stuff are happening, and yes, it's been an all hands on deck, but we're getting into the stage where the most important thing we can do is be in a receptive place of that cosmic love. And so whatever that looks like to you is what's going to kind of call to you now.

01:47:40.000 --> 01:47:45.000

Okay

01:47:45.000 --> 01:47:51.000

Yeah, Chandra says I had to get a sugary snack. Guess what your girl has her soda

01:47:51.000 --> 01:47:56.000

Persona, I've had a lot of talks with Spirit about my soda habit because it's not great

01:47:56.000 --> 01:48:07.000

But my body goes through these energy surges so quickly that this is honestly the thing that will revive me best after the session. So don't judge yourself and feel like you have to

01:48:07.000 --> 01:48:14.000

you know, do so many things, okay? We're good. Okay.

01:48:14.000 --> 01:48:27.000

Oh, Kaylee, I love your cards. It's in the future. Give it time. It's in the works. I mean, are you kidding me? That's so perfect. Okay.

01:48:27.000 --> 01:48:32.000

Okay, there's going to be a physical flash of light.

01:48:32.000 --> 01:48:38.000

Oh, oh, yes, okay, yes, and this is something else. This is something else that

01:48:38.000 --> 01:48:40.000

Came through when they were channeling

01:48:40.000 --> 01:48:49.000

And I was trying to remember to go back to it, because it pinged everything I have seen and already been shown about this, okay? So

01:48:49.000 --> 01:48:52.000

What they showed me is it will look like light.

01:48:52.000 --> 01:48:59.000

And there is a precedent for this before, if you've heard of the Carrington event, something like this happened in, like, 1850, something like that

01:48:59.000 --> 01:49:08.000

Where the sun became so bright that people got up in the middle of the night because they thought, oh, it's morning, and the birds got up

01:49:08.000 --> 01:49:19.000

It will be seen and noticed. And that's why I said at the beginning about some people will just be like, well, that was weird. Wow. But you know, science and whatnot and other people will be freaking out.

01:49:19.000 --> 01:49:22.000

But there will also be

01:49:22.000 --> 01:49:25.000

A burst of rainbow light

01:49:25.000 --> 01:49:26.000

Auroras

01:49:26.000 --> 01:49:33.000

Because just like the aurora is what electromagnetic, geomagnetic. all of these things

01:49:33.000 --> 01:49:36.000

It's going to be like that on steroids

01:49:36.000 --> 01:49:50.000

And so I think depending on where geographically in the globe we live. Like I can't imagine that the equator is going to get a rainbow veil, but maybe I don't know. So it will be light

01:49:50.000 --> 01:49:54.000

Okay, I'm going to ask to make sure.

01:49:54.000 --> 01:49:59.000

I've also seen this too in my dreams. It's like a pink fog.

01:49:59.000 --> 01:50:02.000

It's light, but it's, like, tangible

01:50:02.000 --> 01:50:06.000

And so there might be other light phenomena.

01:50:06.000 --> 01:50:16.000

Rainbows that fill the entire sky, aurora-like skies, a pinkness. The air feels tinged and charged. It will be very visibly noticeable.

01:50:16.000 --> 01:50:21.000

That no one will mistake it that it happened

01:50:21.000 --> 01:50:29.000

However, the interpretations of it will vary according to the level of consciousness. Okay, okay, okay, this kind of puts a bow on all of it

01:50:29.000 --> 01:50:44.000

They gave us a lot of different everyone who experience it differently, but don't worry, even if they can't fully receive it now, eventually through time, they will learn to because that's it. What they said about tunnels and excavation and how much it can bring in. That's why we're going to perceive it differently. That's why we're going to see it differently

01:50:44.000 --> 01:50:59.000

Feel it differently and interpret it differently, because those of us who've been on this path for a long time, our consciousness is very expanded, and we can entertain a lot of possibilities, and we will have access to a lot of knowing. But for someone who that is their very first awakening

01:50:59.000 --> 01:51:02.000

They are not going to know what to do with that.

01:51:02.000 --> 01:51:11.000

And so they're going to reduce it to the smallest common denominator that their consciousness can hold. I can only process that the sun had a major X flare, and that's it.

01:51:11.000 --> 01:51:28.000

And I'm sure the news and other people will be like finding the scientific explanation. Great. But they also kind of, and someone asked who will control the narrative, it won't be controlled. There will be multiple narratives, and people will begin, because they all saw it and experienced it to some degree, they will be more open to

01:51:28.000 --> 01:51:31.000

Someone else's experience of how it happened

01:51:31.000 --> 01:51:39.000

And so everyone will get to excitedly compare notes and they will become more curious and open aware because, okay, okay

01:51:39.000 --> 01:51:45.000

Because of how they're showing me this, because of how the light will then fill all these tunnels we've excavated

01:51:45.000 --> 01:51:53.000

The people who are just awakening, their awakening will be so much faster and easier than ours was.

01:51:53.000 --> 01:51:59.000

Which cry face emoji. I'm kind of jealous.

01:51:59.000 --> 01:52:01.000

You're welcome!

01:52:01.000 --> 01:52:13.000

Because we've done it for them, not for them. They will still have to do their work, but the channels will be open so they get to benefit from that. So the people in your life who you never thought

01:52:13.000 --> 01:52:16.000

would wake up, will wake up

01:52:16.000 --> 01:52:22.000

And start this process, and it'll be a lot faster than it has been before, because the density will be gone.

01:52:22.000 --> 01:52:38.000

Okay, question on will humanity be safe from AI dangers? Yes, and we already are, and there's been a video sitting in my hopper for a long time. I need to I need to post it. So much of the scare tactics is propaganda. It's not actually happening. They're trying to get funding because they're losing so badly

01:52:38.000 --> 01:52:42.000

And they're not like the IPOs are failing. It's like a whole thing.

01:52:42.000 --> 01:52:50.000

So not only is the AI bubble already bursting, don't worry, but consciousness is rocketing beyond it, and it's sort of like they said stuff about like

01:52:50.000 --> 01:52:59.000

the systems and I was seeing a lot about fossil fuels and electricity. If suddenly every single one of us

01:52:59.000 --> 01:53:06.000

Well, the vast majority of us are so vastly awakened, no one's gonna keep making gasoline cars

01:53:06.000 --> 01:53:22.000

How I see it unfolding is like, well, clearly, there are dangers of AI and we're going to stop that right now. Well, clearly, we're all done with fossil fuels now, right? Okay, so let's implement the plan to transition away from fossil fuels in the next 10 years. Like, this is how the change is going to happen.

01:53:22.000 --> 01:53:35.000

We have to physically do it and create it and it will unfold, but it's like, suddenly all of the adults are in the room, and we're like, all right, well, we're done with that. And that's part of the, you know, council and transition of all the laws and all of that. Okay.

01:53:35.000 --> 01:53:42.000

All right, scrolling through to try to get these questions.

01:53:42.000 --> 01:53:55.000

Yeah, Michelle says, is it possible that the energy is already building? Absolutely. And for those of you, you know, some of us, like I explained, I already had sort of my completion experience. Some of you are going to go through like

01:53:55.000 --> 01:54:03.000

Free waves, free experiences to prepare you and open you as much as possible. So there's going to be a lot of variability in what you feel.

01:54:03.000 --> 01:54:10.000

But yeah, that could be a lot of it. Oh my gosh, Christiana says we have to keep going to work. I know, right? I'm sorry.

01:54:10.000 --> 01:54:14.000

But after what they were showing me about

01:54:14.000 --> 01:54:18.000

how life on Earth changes so dramatically, it was like

01:54:18.000 --> 01:54:29.000

How about a 20 hour work week? How about, like, like literally everything is going to change so dramatically. And it will be people-led. It will be, we all just realize, yeah, we can't keep doing this nonsense. Okay.

01:54:29.000 --> 01:54:36.000

All right, scrolling through

01:54:36.000 --> 01:54:42.000

Oh, Lisa, I'm sorry. I don't know what a care bear stare is. Well, let the 80s babies tell you about it.

01:54:42.000 --> 01:54:57.000

So the Care Bears was a cartoon, these little bears who I don't really remember what their deal was, but they were sort of these magical bears who have emblems on their tummies, like a rainbow or a heart, or a star, and when they do a Care Bear stare, their little symbol blasts light

01:54:57.000 --> 01:55:03.000

And it sends love and rainbows, and hearts and happiness to everyone around. That's a Care Bear stare.

01:55:03.000 --> 01:55:10.000

And I feel sad for you. Because that was such a wonderful part of my

upbringing. I freaking love the Care Bears.

01:55:10.000 --> 01:55:19.000

Oh, good. Someone posted some images. Okay

01:55:19.000 --> 01:55:35.000

Yeah, Chelsea says, I've been called a lot more toward love, forgiveness, understanding. You know, this is the time I'm going to speak about myself where I have to cut the bullshit because I'm spicy Gia and you guys know that about me. If you don't, hello, I am. I'm a problem

01:55:35.000 --> 01:55:50.000

As much as I'm a helper. And, you know, a lot of that fire and spice has been really necessary because I've been in activist spaces and I've been very engaged with the work of healing and of helping the oppressed. And so, you know, keeping that fire and ferocity was really necessary for me.

01:55:50.000 --> 01:56:09.000

Now I'm at the place where I'm like, all right, how much of that is ready to be retired? And for others, they're just stepping into their ferocity and fire. So this is a very much a personal call. A personal of where you need to expand and change and do whatever it is you need to do

01:56:09.000 --> 01:56:15.000

Okay, let me scroll through here.

01:56:15.000 --> 01:56:30.000

Awesome. Danielle said, a few days after your event talking about the flash I did one last September. There were some bliss waves and she felt them. So I don't want us to feel that it's only going to be this bursting from your cells and we're all going to die

01:56:30.000 --> 01:56:38.000

But they did want me to say that, because for some of you, part of this will be painful, but overall, what this is, is

01:56:38.000 --> 01:56:56.000

Bliss and love, and can you imagine? I'm gonna tell you, do any of you know who Donna Eden is? Maybe a lot of you do. She is a master energy healer, founder of the Eden Energy Medicine. She's a phenomenal human and one of these days I'll tell you about the story of when I met her

01:56:56.000 --> 01:57:03.000

And that crazy thing, but I saw her at an event years ago and she's up on stage and doing her demonstration and

01:57:03.000 --> 01:57:10.000

She was just light and joyful and happy in this huge smile on her face. But what I noticed is that

01:57:10.000 --> 01:57:16.000

Halfway through her sentences, she would just let out this burst of a laugh

01:57:16.000 --> 01:57:28.000

It was like she was so bubbly and filled with joy. She just kept laughing, and it's not even that anything was funny, it was like you could feel she was so full of light and love that she could not contain it.

01:57:28.000 --> 01:57:35.000

It was like the most mundane. So I went to the store yesterday, just, like, burst into giggles. Like, it was not even funny

01:57:35.000 --> 01:57:38.000

That is the kind of love and light

01:57:38.000 --> 01:57:52.000

Can you imagine being so full of light that we're just gonna laugh? It's just gonna be incredible. And people like that are not going to keep buying gasoline. We're going to demand electric cars. Like, right? Like, that's what I mean by it just changes everything. Okay.

01:57:52.000 --> 01:57:59.000

Okay, Debbie, excellent question. What about mentally fragile people, like people in psychosis? Okay.

01:57:59.000 --> 01:58:01.000

I'm going to tune into

01:58:01.000 --> 01:58:05.000

But what I understand so far is

01:58:05.000 --> 01:58:09.000

A lot of that is because of the density.

01:58:09.000 --> 01:58:20.000

Most of that imbalance is because within their various parts is so great. That is at the heart of the imbalance.

01:58:20.000 --> 01:58:24.000

And so what this does, oh, no, I just got internet is

01:58:24.000 --> 01:58:26.000

Can you see me?

01:58:26.000 --> 01:58:29.000

Okay, he came back.

01:58:29.000 --> 01:58:42.000

This will actually heal a lot of that, okay? Because the process we've been doing is bringing coherence, which means our parts and our aspects, our fears, our wounds are no longer separate and segregated. It's that seesaw with the sand

01:58:42.000 --> 01:58:45.000

I was telling

01:58:45.000 --> 01:58:47.000

That's the old way.

01:58:47.000 --> 01:59:04.000

But first coherence and it can all flow. I truly believe a lot of people will be healed by this. And that's not something they said or brought through, but I do believe that both from, you know, mental health conditions. I don't really know and understand what that will do physically. I imagine, you know.

01:59:04.000 --> 01:59:06.000

People with congenital issues.

01:59:06.000 --> 01:59:10.000

Will it be healed? Will it be changed? I don't really know

01:59:10.000 --> 01:59:19.000

But my understanding is absolutely every single thing gets better after this, if not outright healed

01:59:19.000 --> 01:59:21.000

Okay.

01:59:21.000 --> 01:59:23.000

brokers

01:59:23.000 --> 01:59:29.000

A Prism of light, exactly. Prism of light

01:59:29.000 --> 01:59:35.000

Okay, so Dawn mentioned the Carrington event was followed by outages. Now

01:59:35.000 --> 01:59:53.000

That concern from a lot of people, that a massive burst from the sun will blow out our telecommunications, our electronics, and all of it. And I'm going to ask, just to make sure, they already kind of said, yeah, no, don't worry about that, none of it, but it is known as a scientific possibility, because that's what happened with the Carrington Bay, electronics are very

01:59:53.000 --> 02:00:00.000

Very sensitive to this sort of thing.

02:00:00.000 --> 02:00:03.000

I'm getting there might be some

02:00:03.000 --> 02:00:06.000

A little momentary, but don't worry about it.

02:00:06.000 --> 02:00:17.000

it's not going to be catastrophic, it's not going to take the whole grid down. I think that's where a lot of people saw that's what the three days of darkness are.

02:00:17.000 --> 02:00:24.000

I think certainly there could be some, but again, what we're going to see is more

02:00:24.000 --> 02:00:39.000

Like COVID shut the whole world down. How quickly did we adapt? I know that was a different kind of shutdown, but same thing. When there's a disaster and lights go out, or there's a tornado, humans are so wonderful at adapting. Can you imagine millions of humans who are filled with pure love

02:00:39.000 --> 02:00:50.000

Whatever happens is going to be fine. We're not going to worry about it. Okay, Elizabeth said, will it take out the data centers? I mean, I think that's a strong possibility.

02:00:50.000 --> 02:01:04.000

How long last minutes or seconds? Let's ask. That's a great question. Okay, okay, I'm hearing spend a time, suspended animation. I'm seeing very much like Sleeping Beauty

02:01:04.000 --> 02:01:06.000

Time. Oh

02:01:06.000 --> 02:01:13.000

All time on Earth will be suspended and you will experience it not in linear time.

02:01:13.000 --> 02:01:18.000

They're basically telling me there's no way to answer that question because

02:01:18.000 --> 02:01:21.000

This will be, they're saying a moment outside of time.

02:01:21.000 --> 02:01:36.000

What it will feel like is it's they're like pointing to my experience where it felt like maybe 30 minutes, but it was actually three hours, but time will be irrelevant because we will be in sort of a state of suspended animation and time won't pass normally.

02:01:36.000 --> 02:01:39.000

Okay, so process that as you will.

02:01:39.000 --> 02:01:47.000

That's kind of cool, but it makes sense.

02:01:47.000 --> 02:02:01.000

A whistleblower asked what narrative should we use to explain it? That's such a great question, because as I mentioned, a lot of people will be sort of flocking to us because some people will be really confused and fearful

02:02:01.000 --> 02:02:05.000

And more confused by the fact that the rest of us are not

02:02:05.000 --> 02:02:10.000

And that's going to be more of the fear. They're expecting catastrophe, but it isn't

02:02:10.000 --> 02:02:16.000

And you're happy about it. Why? And so a lot of it will be intuitive. What do we tell people

02:02:16.000 --> 02:02:26.000

But we can say something to the effect of it's not simply light. This was a burst of love. Can't you feel it? Can't you see the difference in people?

02:02:26.000 --> 02:02:42.000

This was a cosmic event. You can get as specific or as vague as you want, but there will be no denying that it's a love event, and humanity has been changed by it.

02:02:42.000 --> 02:02:52.000

Okay, so there's a comment here, the Carrington event would have blown all the satellites out of orbit. And I think this is why they were showing me the special concocted blend

02:02:52.000 --> 02:03:02.000

of the energies that are coming to us, energies that we don't have measurement for, because when people look at the possibility of another Carrington event

02:03:02.000 --> 02:03:07.000

They're comparing apples and oranges to what's really going to happen is kind of what Spirit tells me.

02:03:07.000 --> 02:03:16.000

It's not going to be those kinds of energies. It's energies, like they said, that we don't measure. We don't have a measurement for. We don't even know what they are because

02:03:16.000 --> 02:03:22.000

kind of what they're telling me is they're like, we understand how technologically dependent you are, and we're not gonna

02:03:22.000 --> 02:03:26.000

This process wouldn't work if we destroyed your world as you know it.

02:03:26.000 --> 02:03:36.000

Like, that's not the point. The point, if we, yeah, if we blew out the

satellites, it would and electronics and technology and cell phone electricity like

02:03:36.000 --> 02:03:47.000

That would be total pandemonium and chaos, and people would suffer, and that's not the point of this. So I think what their overall communicating is, all these energies that we don't even have names for

02:03:47.000 --> 02:03:59.000

It's like they're specifically created, like, new, created to do what they need to do physiologically and spiritually, but not affect

02:03:59.000 --> 02:04:03.000

Electronics and things physically so as to keep your world intact.

02:04:03.000 --> 02:04:08.000

So that's kind of cool and that's very comforting to know.

02:04:08.000 --> 02:04:14.000

Okay, I have there's 59 messages, okay? I know I'm behind. I'm going to kind of scroll through.

02:04:14.000 --> 02:04:19.000

Oh, Rabia says we're the surge suppressors.

02:04:19.000 --> 02:04:36.000

Exactly. That image at the beginning where they said, if lightning just comes, it blows everything up. But if lightning comes and enters a system that we can anchor it and disseminate it and hold it, we're not getting the catastrophe. It's going to come to us, because we're the ones who are going to

02:04:36.000 --> 02:04:42.000

Suppress the catastrophe while also it's for us. It's not to destroy our world.

02:04:42.000 --> 02:04:51.000

Okay.

02:04:51.000 --> 02:04:58.000

Yeah, this question, well, life sort of continue as usual, but better like

02:04:58.000 --> 02:05:04.000

Yes, and

02:05:04.000 --> 02:05:07.000

It's like on the one hand

02:05:07.000 --> 02:05:17.000

We don't need to get too exotic. It's just life. But on the other hand, we cannot even fathom how life will change when this kind of love enters our hearts.

02:05:17.000 --> 02:05:25.000

So it's we have houses and we sing and we get together and we eat food. It's that kind of being human won't change.

02:05:25.000 --> 02:05:31.000

But because of the pure love and joy and ecstatic bliss that is now the norm

02:05:31.000 --> 02:05:40.000

We will change everything. And I mean total, like, how food is distributed, how it's prepared, what toxins they remove from it like

02:05:40.000 --> 02:05:50.000

This era of rebuilding is an era, an epic of time. So at first life is as normal, but full of so much bliss we can't contain it.

02:05:50.000 --> 02:05:54.000

and that naturally leads to, we're going to change everything.

02:05:54.000 --> 02:06:03.000

So we do eventually get like a totally different earth. But it doesn't come from a wave of magic wand. It comes from awakened people changing the system

02:06:03.000 --> 02:06:08.000

Okay.

02:06:08.000 --> 02:06:21.000

Thank you, whistleblower. She says your fire and spice are not a problem. Here's where I'm going to tell you, my friends, I get kind of spicy in my comments sometimes. I'm sorry if you've been on the receiving end of end of it when you don't mean anything by it, but

02:06:21.000 --> 02:06:26.000

That's one area I have to work on is people are pretty brutal to me

02:06:26.000 --> 02:06:28.000

And I think

02:06:28.000 --> 02:06:44.000

That's where I get spicy and I feel like I'm really trying to guard my temple. Protect my temple, hold the perimeter. And so I think sometimes I feel like those spicy responses are really necessary to be like, absolutely not. You won't treat me like that and we don't do that here

02:06:44.000 --> 02:06:54.000

And I don't think there's anything wrong with that. However, could I misinterpret? Yes. Could I bring too much fire? Am I bringing a gun to a knife fight? Maybe.

02:06:54.000 --> 02:07:14.000

But more for me, it's how much energy am I spending engaged in that, where I could just delete it, or just completely ignore it. So that's what I mean by there's a time and a place, and I don't need to be immersing myself in energy that just makes me angry. So that's what I mean.

02:07:14.000 --> 02:07:26.000

Maria, this is a great question. Wondering if the world changing so much, will the accounting degree I'm finishing now still have the same weight? I have to tell you that as a healer and a channeler, I have asked myself the same thing

02:07:26.000 --> 02:07:42.000

If we all awaken, does anybody need healing? Does anybody still need body workers and psychics and whatever? And I think some of these things, yeah, are going to drastically change. But first of all, gradually over time. So I don't, I think nothing you're doing is a waste at all

02:07:42.000 --> 02:07:48.000

But we'll all adapt and evolve. And as to will we still need healing

02:07:48.000 --> 02:07:54.000

When most of us are like, of course I don't need healing, but there will be a new era of people who need new things.

02:07:54.000 --> 02:07:59.000

So I think what we're going to see is changes

02:07:59.000 --> 02:08:11.000

That will benefit us. For some people, it might be a jump in a pivot, but there's nothing about like, well, you're going to wake up tomorrow and be obsolete. I don't think that's going to happen at all.

02:08:11.000 --> 02:08:18.000

Okay, cough for a minute

02:08:18.000 --> 02:08:34.000

Okay, so we are over time. As I said, I'm going to keep going for as long as you who are here live. I see we've had a drop off of a lot of you, totally fine. I'm going to answer as many questions as I can, but I am going to try to wrap up around 5:30 a little after because

02:08:34.000 --> 02:08:39.000

We probably could go all day and maybe that's not healthy.

02:08:39.000 --> 02:08:54.000

Feel free to drop off whenever you this feels complete for you, but I've got 49 messages, so I'm keeping up

02:08:54.000 --> 02:09:01.000

All right, a lot of those comments are, you're glitching, Gia. Okay, I'm sorry. Now it's coming back. Okay.

02:09:01.000 --> 02:09:19.000

Well, that's funny. Elizabeth said, when I was talking about outages, it was glitching. And that's hilarious because I think, yeah, they're probably showing us, oh, it'll glitch a little, or maybe it'll go down for a minute, but it'll be fine.

02:09:19.000 --> 02:09:22.000

Wow, okay, this is funny because

02:09:22.000 --> 02:09:24.000

Okay, because

02:09:24.000 --> 02:09:43.000

In my mind, I had this thought as I was reading this next comment, I will read out loud. In my mind, I thought, so what if the system goes down, we're going to be filled with energy. And then I had this other thought of, what if, like, all of these celestial beings who are hovering around us are literally just, like, reiki-ing our air conditioner so it still works

02:09:43.000 --> 02:09:54.000

I was like, they're not going to let us suffer. It'll be fine. And then this is the comment I read. During the Carrington event, telegraphs and such continue to run for hours just on the energy from the auroras.

02:09:54.000 --> 02:10:06.000

It felt like such, like, an instant answer to whatever does go down, don't worry about it, it's gonna still somehow magically work. Okay. Yeah, Erin says retirement money is gonna be okay. Yes.

02:10:06.000 --> 02:10:18.000

Absolutely. A lot of what's going to happen, I know people have prophesied about collapses to finances, and I have never seen that in terms of catastrophe, Great Depression, run on the bank. No.

02:10:18.000 --> 02:10:20.000

What I have seen

02:10:20.000 --> 02:10:34.000

How I have been shown financial collapse is revelation of how predatory and corrupt the financial industry is, and like a radical shift in how we do it. One example is they got rid of the overdraft fees

02:10:34.000 --> 02:10:40.000

And then they brought him back under this administration because of course. So it's things like that that

02:10:40.000 --> 02:10:44.000

Not only will the system be

02:10:44.000 --> 02:10:50.000

Like the corruption dramatically rooted out, and the actual structure and system and processes changed

02:10:50.000 --> 02:11:00.000

I see just such a huge uptick in the type of social programs. I mean, y'all, the Democratic socialists are going to sweep

02:11:00.000 --> 02:11:05.000

As to whether they lie about the election, that's a different story, but what I find so fascinating is

02:11:05.000 --> 02:11:14.000

In those last four months of last year, I said the What's Coming Next series really focused on what is coming, not the collapse, but how we rebuild.

02:11:14.000 --> 02:11:29.000

And I saw, I don't know, a couple months ago, the DSA published their official platform and my jaw hit the floor because so many of the very specific things they said are exactly what Spirit showed me we would have

02:11:29.000 --> 02:11:35.000

capping the cost of certain essential goods, and capping the cost of medications, and

02:11:35.000 --> 02:11:37.000

certain things like that

02:11:37.000 --> 02:11:42.000

So this is where we have a mix of spirituality

02:11:42.000 --> 02:11:50.000

We'll all feel differently and treat each other better, as well as we're actually going to change the system. So if things collapse, it's not like

02:11:50.000 --> 02:11:56.000

Oh no, we're tearing it down because we have the new to put in place. It's that kind of thing.

02:11:56.000 --> 02:11:59.000

Okay.

02:11:59.000 --> 02:12:08.000

Oh, okay, okay, okay. I just got hit with when I saw a comment about suspended animation. Here's what they showed me.

02:12:08.000 --> 02:12:17.000

The psyche needs continuity, right? If we walked outside and suddenly all the trees were hanging from clouds

02:12:17.000 --> 02:12:35.000

We would just break. We would just absolutely break. And so I think the reality of this world is far, far weirder than anything we could actually process, but it's created in such a way so that we can have psychological continuity. Trees are only growing from the ground. Please and thank you

02:12:35.000 --> 02:12:50.000

And what I mean by that is this whole idea of suspended animation and

weird time loops and we don't know how it would happen. Listen, they might, for all intents and purposes, shut the whole damn simulation down and we're all frozen in time and completely somewhere else while the bodies are

02:12:50.000 --> 02:12:54.000

You know, reinvigorated

02:12:54.000 --> 02:13:03.000

But it will be created in such a way that psychologically, it appears that, wow, I had this crazy nap, and I felt this heart surgeon energy, that was weird. Did anyone else feel it?

02:13:03.000 --> 02:13:15.000

Does that make sense? It will be structured and constructed in such a way that we get to have psychological continuity, but the actual reality of what is happening might be so mind blowingly

02:13:15.000 --> 02:13:26.000

Literally, just too mind-blowing to process. So they simulate it in such a way that like, oh, we'll just freeze time while the humans acclimate and like in human years, it's 48 years. Like, I don't know, do you know what I mean?

02:13:26.000 --> 02:13:37.000

So, everything they're showing me is very not exotic, okay? I'm sorry, a lot of this is so very normal that, it might be a little disappointed

02:13:37.000 --> 02:13:45.000

But everything in my teaching, as they've shown me, is always very, very grounded in that the human story will continue, but it's a new chapter

02:13:45.000 --> 02:13:49.000

I I don't see that we're suddenly going to fly to Mars next week.

02:13:49.000 --> 02:13:56.000

But we'll have the same continuity that helps us adjust to, okay, okay. And that's what they said

02:13:56.000 --> 02:14:04.000

I don't remember if it was a question or if it was when I was channeling about extraterrestrial contact, intergalactic contact.

02:14:04.000 --> 02:14:14.000

I got that. Oh, yeah, that's absolutely coming, but we have to just cope with what's happening here first. We can only process so much in such a short period of time.

02:14:14.000 --> 02:14:31.000

So while some of us are just, like, so ready, we've been ready, let me meet my star family, too many more people are still waking up, and we will have to process all of the revelations that are still yet to come. If we thought the Epstein files were bad, you just wait. We're going to find out how everything works

02:14:31.000 --> 02:14:46.000

And those of us who are awake are going to be like, I knew it, but the rest of the people are just going to be like, and they can't process. So that's also why this has to take place over time. And we can't even bother with ET contact until humans can cope with the fact that

02:14:46.000 --> 02:14:49.000

A lot of religion is false, right? Okay

02:14:49.000 --> 02:14:58.000

So that's why it's just I just don't think we're going to get that exotic. And maybe all you exotic folks, the channelers who were like, we're suddenly going to fly

02:14:58.000 --> 02:15:05.000

Maybe in your reality you are, but I'm far too practical, and my reality is, sorry, our vessels aren't meant to fly

02:15:05.000 --> 02:15:07.000

So I don't tell you.

02:15:07.000 --> 02:15:11.000

I can only tell you what I what I am hearing and what I'm getting.

02:15:11.000 --> 02:15:18.000

Okay, Debbie says, if people are healed by this, will we need as many doctors, nurses, and medicine? This is such a great question.

02:15:18.000 --> 02:15:32.000

And I think what we're going to see is a shift in caretaking that becomes as much emotional and much more emotional than anything else. And they're showing me much more down the road

02:15:32.000 --> 02:15:45.000

Yes, medicine will come. Okay, okay. And they're showing this is part of what they said about as they begin to understand what these rays are contained. Oh, and this was the other thing. I don't remember if I, I think they said this in the channeling. It's going to burst

02:15:45.000 --> 02:15:53.000

But it's also going to be the new condition, okay? So it's one big dramatic burst. But then

02:15:53.000 --> 02:15:56.000

It's not like it stops

02:15:56.000 --> 02:16:05.000

These are the new rays that will be coming through the sun. Softer, gentler, not the full force of it. This is how life is now.

02:16:05.000 --> 02:16:19.000

We need these kind of rays now, and so as they continue to study these rays and what they do and what they have done and how they change the physical body, we're going to have parallel discoveries about the physical body and human health

02:16:19.000 --> 02:16:32.000

And eventually, yeah, medicine's going to radically change because we're not going to get sick in the same way, and we're going to recover

faster, and we're going to find... have more emphasis on, like, energy healing and plants and all this stuff. So over time, yes, this will change

02:16:32.000 --> 02:16:40.000

I think in the immediate future. But again, with all systems changing, we won't need to work for 40, 50 h just to survive.

02:16:40.000 --> 02:16:47.000

So, yeah, everything will change, but gradually, as we adjust as a society, as a species.

02:16:47.000 --> 02:16:55.000

Okay. As soon as I get caught up on questions and we have more and it's great for those of you who want to party, let's party. Okay.

02:16:55.000 --> 02:17:05.000

Jade says, was the Carrington event part of the overall cosmic plan or just science stuff? Honestly, my hunch is that we needed it as a precedent.

02:17:05.000 --> 02:17:09.000

so that when

02:17:09.000 --> 02:17:13.000

Oh, no. They just said

02:17:13.000 --> 02:17:19.000

They basically said, like, where do you think the industrial revolution came from?

02:17:19.000 --> 02:17:26.000

But that was like before I'm like, wait, what? They're like, no, there were spiritual purposes in it. Absolutely.

02:17:26.000 --> 02:17:33.000

It was doing a lot more than they, but so few people could receive it, but it had different properties in it.

02:17:33.000 --> 02:17:41.000

Okay, so it's a yes and because what I was saying is my feeling is that we kind of needed it on the books as a precedent.

02:17:41.000 --> 02:17:47.000

so that people can look to it and point to it, and that's where I say the science of it. They'll be like, oh, yeah, this happened before.

02:17:47.000 --> 02:17:51.000

But they are telling me, oh yeah

02:17:51.000 --> 02:17:54.000

They're saying, shut up, really. They're like

02:17:54.000 --> 02:18:00.000

This happens all the time. It's just happening outside of the visible light spectrum that you can see.

02:18:00.000 --> 02:18:09.000

and it won't be until they start studying what happened with this that they will find, oh, oh, oh, they're showing me

02:18:09.000 --> 02:18:16.000

Like back to that thing about digging for fossils and they're so far down and there's compounds, they're like, they don't exist in this earth.

02:18:16.000 --> 02:18:21.000

They're saying it has come through bursts of the sun, some of this stuff.

02:18:21.000 --> 02:18:26.000

They're looking at as physical map. Oh, okay, okay, okay. They're showing me

02:18:26.000 --> 02:18:33.000

When they said in the vision I had the other morning, it will change the chemical composition of all life on Earth, they're saying

02:18:33.000 --> 02:18:41.000

When they get to these bedrocks, or these fossils, or these things, and they're like, we found this thing, and it contains stuff that doesn't exist on Earth.

02:18:41.000 --> 02:18:48.000

Yes and no. It's not space junk or space debris that came to Earth. It's there have been

02:18:48.000 --> 02:19:01.000

targeted bursts and blasts of light and whatever, that have changed the composition. It may have started as, like, I don't know, silica, or whatever it was, but the composition was changed. This is wild.

02:19:01.000 --> 02:19:03.000

Okay.

02:19:03.000 --> 02:19:08.000

So we won't know it for years, because they won't even know how to study it.

02:19:08.000 --> 02:19:18.000

But we will feel it as an emotion, as an excitement, as a I feel different, and therefore we're going to act different, and it will unfold for years as we understand how this works.

02:19:18.000 --> 02:19:20.000

Okay.

02:19:20.000 --> 02:19:22.000

All right

02:19:22.000 --> 02:19:24.000

I feel like I'm kind

02:19:24.000 --> 02:19:29.000

coming down to the end. I might have. I did it, y'all.

02:19:29.000 --> 02:19:36.000

Okay, scrolling through a little bit.

02:19:36.000 --> 02:19:44.000

Jennifer asked what will happen with the US-Israel relationship? We're going to get the revelation of geopolitics on a scale that's going to

02:19:44.000 --> 02:19:49.000

Vindicate most of us who've been on the front lines of this in shock and horrify most.

02:19:49.000 --> 02:19:52.000

So we're going to get full

02:19:52.000 --> 02:20:00.000

Revelations, but they're going to cask out cascade out only as people can understand them. So it is all going to change.

02:20:00.000 --> 02:20:06.000

Yeah, same question about with the war zones. I mean. A lot of it is

02:20:06.000 --> 02:20:10.000

Few political leaders enacting horrific things

02:20:10.000 --> 02:20:12.000

In other places

02:20:12.000 --> 02:20:16.000

We're talking more

02:20:16.000 --> 02:20:19.000

It's an ancient enactment of tribal pattern stuff.

02:20:19.000 --> 02:20:21.000

part of various

02:20:21.000 --> 02:20:35.000

acts of karmic clearing. I've said that many times, the US isn't the center of the universe. Every country is kind of going through their nation of it,

and we as people have been placed where we needed to be placed to experience what we needed to experience for our karmic path.

02:20:35.000 --> 02:20:38.000

And so

02:20:38.000 --> 02:20:44.000

I am seeing this very beautiful image of soldiers dropping their guns

02:20:44.000 --> 02:20:55.000

Like, a lot of what will happen in these active zones is awakening of people who will suddenly say, no, I'm not doing this and literally just walk off.

02:20:55.000 --> 02:21:01.000

And walk away from it. So this will change everything and that's amazing

02:21:01.000 --> 02:21:03.000

Okay.

02:21:03.000 --> 02:21:13.000

Zafita has a question about the strands to fully activate. I don't really know. They have never really spoken to me about DNA, but I wonder if that's kind of what I was shown

02:21:13.000 --> 02:21:20.000

This image of those... the tunneling, now that I think about it, it actually does look like the models of DNA I remember from school

02:21:20.000 --> 02:21:28.000

So, I don't have a good answer for you, because they haven't given me enough information over time that I feel confident answering that.

02:21:28.000 --> 02:21:32.000

They're saying it's a lot more complex

02:21:32.000 --> 02:21:46.000

It goes back to what they were saying about some of us are more ready than others, and we'll have an immediate shift, whereas others more slowly over time, because this is based on willingness, readiness, capacity, and ability.

02:21:46.000 --> 02:21:50.000

There you go. Oh, okay. I'm just hearing

02:21:50.000 --> 02:21:54.000

It was this sort of like shout from the back

02:21:54.000 --> 02:21:57.000

Wait till they hear. It's sort of like

02:21:57.000 --> 02:22:02.000

We think DNA is the ultimate. There's something even more ultimate

02:22:02.000 --> 02:22:11.000

that we haven't even discovered yet. I don't even have words that are like, where do they hear about? And I don't know what it... like, I don't know what it is, because we haven't even discovered

02:22:11.000 --> 02:22:24.000

It will either have been something that was here and dormant. That has been activated or something that was here all along that we didn't know. I'm hearing like the interstitium is plasma and like different ways that we're starting to look at the body differently.

02:22:24.000 --> 02:22:41.000

It won't just be DNA that changes. It'll be a lot of the human body and our understanding of it. Okay. Very cool. All right, scrolling through a little more.

02:22:41.000 --> 02:22:50.000

A lot of people want to send the admin to Mars. Yep, Elon can head on out. Bye.

02:22:50.000 --> 02:22:57.000

This is such a really great question. I'm confused about transformation and healing, specifically in people who are narcissistic, who are abusive.

02:22:57.000 --> 02:23:12.000

Will it be an instant transformation? You know, I don't think that there is any clear one answer, because everything that they've said is that everyone receives this to the amount that they are willing and able to receive and then process.

02:23:12.000 --> 02:23:26.000

I think some people, yes, will have an instant awakening to all of it, and it will be filled with the fear of God, or filled with deep despair, and I am so sorry, I cannot believe that

02:23:26.000 --> 02:23:36.000

I think we will see a lot of that. But I think for others, it will be more remember how they said we have to like beat you over the head to finally get some crack so you can receive it

02:23:36.000 --> 02:23:49.000

Other people will be much more resistant and much slower, and it will happen over time. So there's not one way to answer that, unfortunately. But I do think we will see a lot of that

02:23:49.000 --> 02:23:59.000

Okay. Yes, thank you. Elaine says, this is back to the question about will we still need doctors and nurses? She says, more healthcare, not sick care. Exactly.

02:23:59.000 --> 02:24:05.000

Exactly. Okay.

02:24:05.000 --> 02:24:11.000

Well, the weather balance. Yes, absolutely, because, okay, they're showing me

02:24:11.000 --> 02:24:16.000

How much of the physical weather is a manifestation of our own

imbalance?

02:24:16.000 --> 02:24:22.000

And this is something that came through in my event, Awaken the Weather Witch a long time ago

02:24:22.000 --> 02:24:29.000

As well as a lot of the extreme imbalances we've seen have been a result of the transformation.

02:24:29.000 --> 02:24:42.000

And then we all saw during COVID how quickly, for example, Los Angeles and the air cleaned and the dolphins came back to New York Harbor. Some of the changes will be so instantaneous because we'll be like, well, we have to stop doing that

02:24:42.000 --> 02:24:45.000

It's going to be just this cascade of

02:24:45.000 --> 02:24:56.000

Some things will be instant, some things we will realize and we will make changes, and others will transform over time, while others were only a manifestation of the transformation currently underway.

02:24:56.000 --> 02:24:57.000

So

02:24:57.000 --> 02:25:00.000

And also part of the awakening of

02:25:00.000 --> 02:25:07.000

For example, we cannot farm in this way anymore. We cannot continue with fossil fuels anymore.

02:25:07.000 --> 02:25:20.000

This is where government comes into play, because we have to legislate, and we have to make possible for companies to transition and, like, all these different things, as well as, can you imagine boards of

companies suddenly filled with awakened people

02:25:20.000 --> 02:25:25.000

Like this is what I mean when you really start to think about the domino effect

02:25:25.000 --> 02:25:31.000

That's where the change is going to be slow but dramatic, if that makes sense.

02:25:31.000 --> 02:25:34.000

Okay.

02:25:34.000 --> 02:25:39.000

I think we're doing it. I'm coming down to the end here.

02:25:39.000 --> 02:25:40.000

Okay.

02:25:40.000 --> 02:25:55.000

I think I covered all the main questions.

02:25:55.000 --> 02:26:08.000

Yeah, Gooey asks, where do we see spirituality evolve? Because if we're awakening and the awareness will be available to many, this is a question I've asked myself because I have asked spirit

02:26:08.000 --> 02:26:12.000

If the world is full of people who are awakened, what do they need me for?

02:26:12.000 --> 02:26:29.000

Just go ask yourself, like, will I be out of a job basically? I don't know. But something I've been playing with with my guides is like you can just do things differently and you could channel more of the goddesses or you could do a full Bowie series

02:26:29.000 --> 02:26:43.000

Spirituality will evolve and we will think of it differently. So therefore we will access it differently and we will create with it differently and we will remember more, we will connect more. So I think it's more of like a morphing and evolution as opposed to just

02:26:43.000 --> 02:26:56.000

A switch, if that makes sense. So I'm really excited to see what's coming. And I will say I have already felt that the Signal Fire series might come to an end at the end of the year. And this was long before they told me

02:26:56.000 --> 02:26:58.000

But this was coming

02:26:58.000 --> 02:27:10.000

And that may be it, because we will have completed the ascension part, and now we get to do something totally different. And what does it look like? I can't even conceive of it, because we're not there yet.

02:27:10.000 --> 02:27:12.000

So

02:27:12.000 --> 02:27:14.000

Okay, yeah.

02:27:14.000 --> 02:27:20.000

We're all kind of feeling it. Love it.

02:27:20.000 --> 02:27:28.000

Debbie says, did you cover the question about how long it will take us to recover from the initial event? Again, I think this is kind of personal.

02:27:28.000 --> 02:27:45.000

How is your body going to handle it and process it? This is why some of us like myself have already been through it beforehand because I tend to feel I will be locked and loaded and I might feel a bursting, but then I'll be like up and running around while other people are like, I need to be in bed for three days and that's okay

02:27:45.000 --> 02:27:47.000

So it will be different.

02:27:47.000 --> 02:27:51.000

Because we're all just, like, at different levels. Okay.

02:27:51.000 --> 02:27:56.000

Yeah, Lisa says Carrington event was like a day. I honestly think it was what, like a

02:27:56.000 --> 02:28:02.000

An hour, half hour, a couple hours, like, it was brief.

02:28:02.000 --> 02:28:06.000

But I do think there's a reason we have this biblical tradition of

02:28:06.000 --> 02:28:18.000

When Christ returns, there will be three days of light. I'm not holding on to that as literal, but I think everyone in their own interpretive lens is kind of pointing toward the same transition. So

02:28:18.000 --> 02:28:21.000

Okay, whew.

02:28:21.000 --> 02:28:25.000

I'm sweaty, I'm exhausted.

02:28:25.000 --> 02:28:32.000

And I have to tell you what's going to happen to me. I'm going to have such a major vulnerability hangover after this

02:28:32.000 --> 02:28:38.000

Because I just sat here for two and a half hours and was like, Guess what, y'all, we're getting a miracle.

02:28:38.000 --> 02:28:41.000

And that terrifies me.
